Its True Little Critter Inspired Kids:

It's True Mercer Mayer, 2014-07-05 Join Little Critter as he learns why it's important to tell the whole truth and not just part of it. Since 1975 Mercer Mayer has been writing and illustrating stories about a little ball of fur named Little Critter and the antics he stumbles into while growing up. Thomas Nelson is thrilled to bring this beloved brand to the Christian market with the launch of Inspired Kids, a new line of faith-based books featuring Little Critter. Little Critter thinks that sometimes it's easier to tell part of the truth instead of the whole truth. In this second book in the Inspired Kids line, Little Critter learns quickly that lying has consequences and that telling the truth, no matter how hard, is always the right thing to do. **You Go**

First Mercer Mayer, 2014-06-11 Join Little Critter as he learns why it's important to be kind and treat others as you want to be treated, instead of selfishly taking the first turn. Since 1975 Mercer Mayer has been writing and illustrating stories about Little Critter and the antics he stumbles into while growing up. Tommy Nelson is thrilled to bring this beloved brand that humorously portrays social and emotional issues that kids face to the Christian market with faith-based books featuring Little Critter. In **You Go First**, Little Critter loves being first, even if it hurts his family and friends. After several mistakes, Little Critter learns that the secret to getting along is treating others the way he wants to be treated, which in Little Critter's case means letting someone else be first. Based on Matthew 7:12, **You Go First** will teach children ages 2 to 6 God's reminder to love others as yourself. How our actions and manners affect others. What it means to put others' needs first. Your family will also love and learn from the other Little Critter books in the Inspired Kids series: **It's True**, **We All Need Forgiveness**, **Being Thankful**. **Being Thankful** Mercer Mayer, 2014-08-05 Join Little Critter as he learns why it's important to be thankful for what he has, not to be upset about what he doesn't. Since 1975 Mercer Mayer has been writing and illustrating stories about Little Critter and the antics he stumbles into while growing up. Tommy Nelson is thrilled to bring this beloved brand that humorously portrays social and emotional issues that kids face to the Christian market with faith-based books featuring Little Critter. In **Being Thankful**, Little Critter isn't getting anything he wants. Gator gets cool brand new sneakers while Little Critter is stuck with his boring blue ones. Tiger's dad has a boat, but not Little Critter's dad. And even at the ice cream shop, Little Critter can't enjoy his chocolate ice cream cone because he would rather have a huge ice cream sundae instead. But on a trip to the farm, Grandma shows Little Critter why thankfulness is so important and helps make any situation seem so much happier. Based on Psalm 107:1, **Being Thankful** will teach children ages 3 to 6 what gratitude is and why we should be thankful for all of God's blessings. How our actions and manners affect others. How to share thankfulness with others. Your family will also love and learn from the other Little Critter books in the Inspired Kids series: **It's True**, **We All Need Forgiveness**, **You Go First**.

So Real It Hurts Lydia Lunch, 2019-07-09 So Real It Hurts is the perfect title for this collection It's a mission

statement A few bleeding slices straight from the butcher shop A sampler from an enormous archive of work that will no doubt be pored over by grad students book lovers film historians music nerds and straight up perverts a hundred years from now Anthony Bourdain from the Introduction Through personal essays and interviews punk musician and cultural icon Lydia Lunch claws and rakes at the reader's conscience in this powerful uninhibited feminist collection Oscillating between provocative celebrations of her own defiant nature and nearly tender ruminations on the debilitating effects of poverty abuse and environmental pollution along with a visceral revenge fantasy against misogynistic men Lydia Lunch presents her exploits without apology daring the reader to judge her while she details the traumas and trials that have shaped her into the legendary figure she's become Inserted between these biting personal essays Lunch thoughtful cultural insights convey a widely shared desire to forestall inevitable cultural amnesia and solidify a legacy for her predecessors and peers Her interview with Hubert Selby Jr and profile of Herbert Hunke her short unromanticized histories of No Wave and of the late Sixties and her scathing examination of the monetization of counterculture thanks Vivienne Westwood all serve to reinforce the notion that while it may appear that there are no more heroes we are actually just looking for heroes in the wrong places The worthy idols of the past have been obscured by more profitable historical narratives but Lunch challenges us to dig deeper So Real It Hurts pulls the reader into a world that is entirely hers one in which she exacts vengeance against predators with an enviable ease and exerts an almost sexual dominance over authority never permitting those with power to hold on to it too tightly
