Its Your Future Make It A Good One:

Come With Me If You Want to Live Michael Harris,2023-11-02 If our near future sometimes feels like a dystopian sci fi movie that s because it is In *Come With Me If You Want to Live* The Future as Foretold in Classic Sci Fi Films Michael Harris reveals the hidden in plain sight meanings of the greatest science fiction films of the past fifty years the ways in which they predicted the future that we are increasingly living in but how we can still avoid the worst of what they warned us about The 1970s saw the start of a new wave of science fiction that predicted environmental destruction out of control technology and escalating political crises These were not the fantastical imaginings of filmmakers they were based on rising environmental consciousness and solid scientific research The explanation of why we didn t heed these warnings might be the most important story of our time and now our future Each chapter focuses on a classic sci fi film among them *Blade Runner* *Terminator 2* *12 Monkeys* *Brazil* *Soylent Green* and the *Back to the Future* series these films are used to consider our likely environmental technological and political future But taking sci fi seriously again could help us to regain our power to create different tomorrows guided by practical utopianism and to imagine new science fictions for a better world If you re wondering what the future holds maybe you ve already seen it **Molly Hootch: I Remember When** Molly

Hymes,2012-01-01 Everyone in the family except her mother was away at fish camp Her mother Sophie stayed in the village of Emmonak awaiting the birth of her second daughter Molly Molly was born in the territory of Alaska in the summer of 1956 Alaska would not become a state in the union until 1959 Molly Hootch was born into a family that knew only a subsistence lifestyle along the banks of the lower Yukon River It was a harsh life by today s standards Her mother was the typical Native wife Her father James was a fisherman trapper and hunter He built dogsleds boats snowshoes and fish traps Molly while a young girl enthusiastically followed her father and observed his lifestyle that made her people Eskimo He taught her everything she needed to know about living a subsistence existence From this rugged environment Molly breathed the Alaska air loved deeply lived fully and studied diligently and made history As a teenager Molly had to leave Emmonak to attend high school in Anchorage That traumatic departure set off a series of events leading to a class action lawsuit against the State of Alaska Department of Education called the Molly Hootch Case The court case settlement resulted in the construction of high schools in Native villages It made Molly Hootch a household name in Alaska during the last half of the 1970s She was selected as the most influential person of the decade of the 1970s She was also honored as the fifteenth most important person since Alaska statehood **Damn You, Entropy!** Guy P. Harrison,2024-06-04 Science fiction has hosted some of the

greatest minds and most innovative thinkers in human history From H G Wells to Octavia Butler *Star Trek* to *Star Wars* in books on television and at the movies science fiction has shaped our future pushed the limits of human imagination and guided us within ourselves to examine universal truths of life In this smartly curated book author Guy P Harrison collects 1 001 of the most influential and transformative quotations spanning four centuries of sci fi such as Better to make a good

X That Ex Kristin E. Carmichael, LISW, 2013-01-03 Hell no It s over I am done Saying it to him felt so damned good God knows he deserved it Still deserves it So why is it that only a few weeks later I doubt if I can stand by what I said X That Ex is the long awaited answer for women who have left a bad relationship and don t want to go back It is incredibly common for women to leave partners who are emotionally unavailable disrespectful immature selfish or even abusive but then struggle to stay away Women might be tripped up by their exes schemes to get them back their own self sabotaging ways or even by our society which seems to glorify a just give him one more chance philosophy To their family and friends dismay huge numbers of women go back to toxic relationships wasting years and the possibility of happier lives on men who can t give them what they deserve If the post breakup world for most people were logical fair regulated and well defined there would be no need for X That Ex As most of us know however the time after a breakup is emotionally messy sometimes chaotic and filled with conflicting feelings motivations hopes temptations and realities that must be dealt with X That Ex focuses on this confusing time demystifying why it is so difficult to stay away from a problematic ex and distinguishing itself by making personalized predictions for readers about what to expect from their exes and themselves in the tumultuous time right after a relationship ends This book is a unique roadmap that guides readers through the sometimes perilous time when a woman s ex might try time tested tactics to tempt her back when self sabotage may make a woman her own worst enemy and when even our culture gets in on the action by making reunification seem reasonable

Mission Transition Janet I. Farley, 2017-10-27 Change is a given in the United States military but the soon to be applied Blended Retirement System is a financial change like no other the military has ever experienced It is a huge deal that will not only affect the wallets of many active duty service members today and certainly 100% of them beginning in 2018 but it could also have a significant impact on future recruiting and retention of our volunteer military force Mission Transition Managing Your Career and Your Retirement is a needed introduction of the military s new Blended Retirement System representing the big shift in how the DoD manages military retirements In the process it encourages service members to adopt the new concept of retirement in the military improve their own financial literacy and assume

responsibility for their own retirement planning Finally it provides new civilian job survival tips and strategies for service members in the process of leaving the military for civilian life For those who are contemplating joining the armed forces and who wish to better understand the myriad of changes to the overall military retirement system this is the ideal guide

Strength for Your Future William J. Bennett, John T. E. Cribb, 2016-05-01 We live in times when many Americans feel uncertain about the future We worry about jobs the economy and whether the country is on the right path Strength for Your Future is a reminder that despite the confusion of our times there are solid unshakable principles on which this country and our futures can rest We need to remind ourselves of these principles so we can use them as a compass for our nation and our own lives Bestselling authors of The Book of Virtues Bill Bennett and John Cribb believe each generation has the responsibility to explain these vital principles to the next generation to help them understand where the strength of America lies That conversation will help ensure a promising future for all Strength for Your Future is the perfect gift to remind us where our true strength rests Our futures can be bright
