Jack the Ripper the Secret of Mary Jane K. Philippe Welté, 2015-07-21 Forget FROM HELL with Johnny DEPP or a recent story about DNA found on a shawl never listed by the police in a murder case JACK THE RIPPER THE SECRET OF MARY JANE K strictly sticks to the facts about THE WHITECHAPEL MONSTER including some disturbing ones occulted by the police London november 9 1888 Some time after 8 00 AM Caroline Maxwell spots her pretty neighbor at the corner of Miller's Court She's a bit surprised to meet her at that time for the young woman doesn't usually get up that early She seems to be waiting for someone Caroline decides to go and greet her The two women speak for a couple of minutes then Caroline leaves the Court This would be quite a banal story if the young woman Caroline Maxwell talked to wasn't Mary Jane Kelly Jack the Ripper's last victim When he arrived on the crime scene at 2 00PM Dr Bond estimated the time of death between 1 00 AM and 2 00 AM In other words the victim was already dead for at least six hours at the time Caroline Maxwell met Mary Jane Puzzled Inspector Frederick Abberline will try to convince Mrs Maxwell that she made a confusion about the date But the witness sticks on her positions unaware that two other persons claim to have seen Mary Jane in the morning of the same day In his memoirs fifty years later Walter Dew will comment If Mrs Maxwell had been a sensation seeker one of those women who live for the limelight it would have been easy to discredit her story She was not She seemed a sane and sensible woman and her reputation was excellent In one way at least her version fitted into the facts as known We knew that Marie had been drinking the previous night and as this was not a habit of hers illness the next morning was just what might have been expected First part of JACK THE RIPPER THE SECRET OF MARY JANE K The untold story focuses on the fascinating mystery

about Mary Jane Kelly *Jack the Ripper - The Secret of Mary Jane K.* Philippe R. Welte, 2016-07-04 London November 1888

The affidavits of three witnesses results of an autopsy in total contradiction with major testimonies and many other unequivocal details suggest that the mutilated body found in Miller's Court on the morning of November 9 1888 was not Mary Jane Kelly's. Forget a theory based on a DNA analysis made on a providential shawl never registered as an evidence from a crime scene the results of the tests have since been refuted by the very best leading specialists Philippe R WELTE only focuses on serious facts and registered evidences including the most disturbing ones concealed by the police. In addition his theory the first and only one to bring a personal motive for each murder proves that the victims were not killed coincidentally. Prefaced by French writer and television producer Pierre BELLEMARE this book unveils a fascinating theory until then never explored which delivers the only possible answers about the man behind the mask of the Ripper **Jack the Ripper the Secret of Mary Jane K. Vol.2** Philippe R. Wellte, 2015-11-15 Forget FROM HELL with Johnny DEPP or a recent story about DNA found on a shawl never listed by the police in a murder case Jack the Ripper The secret of Mary Jane K strictly sticks to the facts to bring you the only possible truth I have learned from a French doctor of a Russian junior surgeon or feldsher who was known to him in Paris about 1885-88. He was suspected of having killed and mutilated a grisette in Montmartre but he left Paris before he could be arrested. This may account for Scotland Yard's search for a Russian surgeon they believed to be in hiding. At last there appears to be a hint as to motive. This surgeon whose name was Konovalov was said to have a violent hatred of prostitutes due to a relative of his having suffered cruelly from a woman of the streets. The description of Konovalov exactly fits that of Pedachenko and the final police assessment of what the Ripper looked like. From *Chronicles of Crime* by Dr Thomas Dutton. This second volume *The Blade and the Rose* demonstrates how and why the Whitechapel Monster was inspired by the murder of a French prostitute 2 years earlier. Are you ready for the truth now 9 years after his first release in France. Philippe R WELTE's first best seller is available in English in a 3 parts Writer's cut edition. This edition is the definitive one with an exclusive chapter added at the end of the book volume 3 **Jack the Ripper the Secret of Mary Jane K.** Philippe Welte, 2016-08-31 The most shocking revelations of the last forty years since Stephen KNIGHT'S JACK THE RIPPER THE FINAL SOLUTION S T KING. When you have eliminated the impossible whatever remains however improbable must be the truth. Sherlock HOLMES in *The sign of the Four* ON NOVEMBER 9 1888 MARY JANE KELLY CHEATED DEATH. You are about to find out all of the evidence why Jack the Ripper never murdered her. But first ask yourself the following question do you believe in ghosts. Would you consider the possibility that Mary Jane KELLY came back from the dead to help solve the case. Whatever your answer how to refute the amazing results of an investigation of 20 years. In his book paranormal investigator Philippe R WELTE focuses on serious facts and evidence especially the most disturbing ones concealed by the police. In addition his theory the first and only one to bring a personal motive for each murder proves that the victims were not randomly selected by the Ripper. Prefaced by French writer and veteran television producer Pierre

A Study In Red Brian L. Porter, 2021-12-06 On the table of psychiatrist Robert Cavendish lay a strange set of papers claimed to be the journal of the infamous Whitechapel murderer whose crimes instilled terror on the streets of Victorian London. Delving deeper into the journal, Robert is convinced of its authenticity and finds that the words of the Ripper have a strange and compelling effect on him. Unable to cast the pages aside, he is drawn into the dark, sinister world of Jack the Ripper. Robert is about to find out just how thin the line between sanity and madness really is. But can he distinguish fact from fantasy? *The Little Book of Jack the Ripper* The Whitechapel Society, 2014-09-01 Did you know Annie Chapman's uterus and Mary Jane Kelly's heart were removed by the killer? A prince of England is amongst the suspects. Some believe the killings were covered up by the Masons. The Jack the Ripper mystery is one of the greatest whodunnits the world has ever known.
