Encyclopedia of Murder and Mystery B. Murphy, 1999-12-09 Bruce Murphy's *Encyclopedia of Murder and Mystery* is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories: authors, titles, plots, characters, weapons, methods of killing, movie and theatrical adaptations. What distinguishes this encyclopedia from the others in the field is its critical stance.

Transgressing Women Jamaluddin Aziz, 2012-01-17 *Transgressing Women* focuses on the literary and cinematic representation of female characters in contemporary noir thrillers. The book argues that as the genre has grown, expanded, and been subverted since its initial conception, along with the changing definition of gender, the representation of a female character has also inevitably gone through some dramatic changes. So the book asks some important questions: What links the female characters in canonical noir to their contemporary counterparts? Is gender division still relevant in a text that transgresses gender boundaries? What happens when it is the human body itself that betrays the traditional definition or constitution of a human being? While many have written about the male protagonists and the femmes fatales in the noir genre, little attention has been given to the other female characters who inhabit the noir world and are transgressors themselves. The main concern of the book is to trace the transgressive female characters in contemporary noir thrillers, both novels and films, by engaging itself with some of the most topical debates within both post-feminist and postmodernist theories. The book is structured around two key concepts: space and the body. These temporal and spatial indicators are central in contemporary cultural theories such as postmodernism and post-feminism, along with other theorizations of gender and the noir genre. This means that the analysis is drawn from the classical noir examples and will then arrive at the neo-noir sub-genre and then will move on to the most recent phenomenon in the genre: future noir.

Encyclopedia of London's East End Kevin A. Morrison, 2023-03-06 The East End is an iconic area of London, from the transient street art of Banksy and Pablo Delgado to the exhibitions of Doreen Fletcher and Gilbert and George. Located east of the Tower of London and north of the River Thames, it has experienced a number of developmental stages in its four hundred year history. Originating as a series of scattered villages, the area has been home to Europe's worst slums and served as an affluent nodal point of the British Empire. Through its evolution, the East End has been the birthplace of radical political and social movements and the social center for a variety of diasporic communities. This reference work, with its alphabetically organized, cross-referenced entries and its original and historical photography, serves as a comprehensive guide to the social and cultural history of this global hub.

Holmes and the Ripper Lucyna Krawczyk-Żywko, 2024-03-22 In *versus* narratives, Sherlock Holmes is fighting or otherwise engaging Jack the Ripper. These texts pit the archetypal detective against the archetypal serial killer, using established formulas as well as new narrative and generic features, a combination that results in their mass appeal among authors and audiences alike. The list of primary sources includes 120 titles: novels, short stories, plays, fanfiction, Grand Game studies, movies, TV shows, video, and board games, which are treated as a dialogic network of transfictional and transmedial texts. This study unpacks the *versus* corpus in its

media dispersal by analysing Sherlock Holmes and Jack the Ripper as serial figures and culture texts emphasising the increasing palimpsestousness of the former and the multidirectional polymorphousness of the latter and tracing the overlapping Doylean culture text. It also addresses the way character constellations are represented, negotiated and fed back into the versus network contextualising them within the coalescence of fact and fiction. Gothic and crime fiction frames cultural memory, neo-Victorianism and biofiction.

Forensic Science in Contemporary American Popular Culture Lindsay Steenberg, 2013. This book identifies traces and interrogates contemporary American culture's fascination with forensic science. It looks to the many different sites, genres and media where the forensic has become a cultural commonplace. It turns firstly to the most visible spaces where forensic science has captured the collective imagination: crime films and television programs. In contemporary screen culture, crime is increasingly framed as an area of scientific inquiry and even more frequently as an area of concern for female experts. One of the central concerns of this book is the gendered nature of expert scientific knowledge as embodied by the ubiquitous character of the female investigator. Steenberg argues that our fascination with the forensic depends on our equal fascination with and suspicion of women's bodies with the bodies of the women investigating and with the bodies of the mostly female victims under investigation.

A Hitchcock Reader Marshall Deutelbaum, Leland Poague, 2009-02-24. This new edition of *A Hitchcock Reader* aims to preserve what has been so satisfying and successful in the first edition: a comprehensive anthology that may be used as a critical text in introductory or advanced film courses while also satisfying Hitchcock scholars by representing the rich variety of critical responses to the director's films over the years. A total of 20 of Hitchcock's films are discussed in depth; many others are considered in passing. Section introductions by the editors contextualize the essays and the films; they discuss well-researched bibliographic references which will allow readers to broaden the scope of their study of Alfred Hitchcock.

Wax Museum Movies George Higham, 2020-10-16. Spanning over a century of cinema and comprised of 127 films, this book analyzes the cinematic incarnations of the uncanniest place on earth: wax museums. Nothing is as it seems at a wax museum. It is a place of wonder, horror and mystery. Will the figures come to life at night or are they very much dead, with corpses hidden beneath their waxen shells? Is the genius hand that molded them secretly scarred by a terrible tragedy, longing for revenge? Or is it a sinner's sanctum harboring criminals with countless places to hide in plain sight? This chronological analysis includes essential behind-the-scenes information in addition to authoritative research, comparing the creation of real wax figures to the reel ones seen onscreen. Publicly accessible or hidden away in a maniac's lair, wax museums have provided the perfect settings for films of all genres to thrillingly play out on the big screen since the dawn of cinema.

Interventions Andrew Smith, Anna Barton, 2017-07-31. This book aims to intervene in current critical contexts for the study of nineteenth-century literature within the academy and beyond. Topics discussed include science and technology, poetry and philosophy, the Gothic, anatomical exhibitions, the global spread of liberalism, Anglo-American publishing, Punjabi popular culture and the neo-

Victorian in literature film and performance By bringing together a broad range of intellectually challenging perspectives the book offers an engaging critical overview of the field of nineteenth century literary studies that will appeal both to scholars working within the field and students and teachers encountering this fascinating area of study for the first time **Reality**

Wynand De Beer,2019-09-24 What is reality Most people in the modern world are ignorant of metaphysical realities not to mention the prevalence of semantic confusion and therefore Wynand de Beer aims to counter this ignorance and confusion He employs numerous insights from classical Greek philosophy and traditional Christian theology in order to discuss the various levels of reality ranging from the highest the divine to the lowest the material The author then deals with a range of philosophical and theological themes in the light of the preceding discussion These include well being and love time and eternity good and evil truth and knowledge and the survival of the soul beyond bodily death which is the only kind of immortality that human beings may attain A lengthy chapter also deals with the manifestation of higher levels of consciousness in religion mathematics and music In the later chapters of the book the author subjects salient aspects of the Western sociocultural phenomenon known as political correctness to critical scrutiny In the process these ideologically driven and media promoted isms are contrasted with both Hellenic and Christian thought and the penetrating writings of traditionalist and or anti modernist thinkers from different parts of the world **University of Toronto Quarterly**

University of Toronto,1995 [The Crossroads of Crime Writing](#) Meghan P. Nolan,Rebecca Martin,2024-03-05 This volume argues that we must examine the boundaries in fiction and non fiction crime writing with an awareness of and turn toward the unseen structures and spatial uncertainties that so often lead to and reflect collective fears and anxieties Drawing upon the insights and expertise of an international array of scholars the chapters within explore the interplay of the literary historical social and cultural in various modes of crime writing from the 1890s to as recent as 2017 They examine unseen structures and uncertain spaces and simultaneously provide new insights into the works of iconic authors such as Christie and iconic fictional figures like Holmes as well as underexplored subjects including Ukrainian detective fiction of the Soviet period and crime writing by a Bengali police detective at the turn of the twentieth century The breadth of coverage of both time and place is an indicator of a text in which seasoned readers advanced students and academics will find new perspectives on crime writing employing theories of cultural memory and deep mapping **The Mammoth Book of Best New Horror 12**
