Grandmas Piles Of Love:

Grandma's Piles of Love Cindy Noorda, 2015-08-18 Grandma's Piles of Love was written as a tribute to the author's own mother who cherished the memories of her life by collecting all sorts of seemingly odd things Grandma has such wonderful memories because she is always serving others and her love has piled up everywhere for all to see At first all of these things seem to have no organization or serve any useful purpose But now as her life is nearly complete they have become treasured heirlooms that generations to come will hold dear This book is the story of those treasures and is in turn really a tribute to wonderful mothers and grandmothers the world over Grandma's Piles of Love will be treasured by families both young and old who love the funny and quirky memories of their own grandmothers These memories are things that bind strong families together and knit generations together within any family The book is meant to be read with grandma as a gift to grandma or even as a gift from grandma The book may be a cherished possession even after grandma has passed on It inspires families to remember all the good about their grandparents and especially their grandmothers We hope that you will feel the love for grandma that is piled up and stacked neatly all over these pages *See Under: LOVE* David Grossman, 1989-04 Momik is the only child of two Holocaust survivors Something in Momik pushes him into strange perilous confrontations with the world of pain and love he is determined to avoid By listening to a relative's special stories for and about children Momik becomes infected with humanity and with the intense loving kindness that exists alongside the horrors of his ancestry **Living Through Loss** Nancy R. Liberation at Long Last M. Mallia, 2014-04-02 Now that Amy has committed suicide just five days before Christmas and four days before her eldest daughter's engagement she is hoping to rest in peace forever Having been an avid Catholic churchgoer for more than twenty years she believed that her soul would go straight to heaven especially since she had punished herself so much on Earth for her sins and her soul had been purged through penance guilt and self-punishing for many years on Earth On the other side she will have the respite that she had yearned for all her life and be one with her Creator and lover of her soul There all her sins would be wiped out her soul would be made pure It would be like lying in green pastures lacking nothing in a land where milk and honey flowed and manna falls from above all her needs and desires satiated She hadn't bargained for what actually awaits her and asks herself amongst other endless questions Where does one run to and what does one do when one despairs in the afterlife She finds herself caught up in a state of being from which there is no escape There she is forced to see what she had chosen not to see for more than twenty years of her embodied life In this stage of being she has to wait and see and watch and wait for a long time Was her misery ever going to end Would she be able to sustain this waiting looking and seeing When will this self-judging self-condemnation and self-criticising ever stop And what can she do to make it go away Does it depend entirely on her as to how long she would have to be here for or will other people have the power to delay or hasten her release others still on the physical realm of existence It would be the very special link she had had with her eldest daughter Marie when still a mortal in a living body a link she would use and abuse before which now would be the lifeline which would liberate her and allow her to move on if not to her Promised Land maybe to a place closer to it than she had ever been
