**Grapevine** Jerry Camery-Hoggatt,2002 Gossip has always been an integral part of community Sometimes its effects are ruthless leaving the reputations and spirits of individuals ruined But gossip can also be a healthy way of making meaning out of ordinary events teaching values establishing community parameters and creating a sense of belonging Jerry A Camery Hoggatt exposes the destructive power of everyday ordinary talk but also shows the way to healing uplifting grace full gossip

**Coffee Shop Spirituality** Jerry Camery-Hoggatt,2015-10-22 Gossip has always been an integral part of community but in our Christian communities and homes gossip becomes even more important How can seemingly small disagreements end in a painful church split Why does one sibling turn out to be the lost sheep and another the poster child This book shows that more than any one factor our gossip controls the spiritual climate of our churches communities and homes Coffee Shop Spirituality exposes the destructive power of everyday ordinary talk but also shows the way to healing uplifting grace full gossip

**My Mother's Wish** Jerry Camery-Hoggatt,2010-12-08 Something strange is brewing at the Comeback Caf A grandfather s song has turned a diner into hallowed ground A contrary girl with a gypsy heart feels the tug of home And a truck driver named Jedidiah keeps his foot on the gas ready to sweep you into an unforgettable story of belonging and grace It s the 1960s Midwest and Ellee Crumb wants to change the world starting with her mother but she s having trouble even getting her teachers to know her real name So Ellee sits at the Comeback her broken heart lying there on a table when a three armed waitress and a quirky stranger show up and hand her back the pieces An affecting tale My Mother s Wish will remind you of the power of grand hopes and effect of impossible expectations You ll witness the influence every life has on another and you ll find new reasons to believe in the comfort and joy in an everyday American version of the story of Christmas being known and loved just as you are

*Reading the Good Book Well* Jerry Camery-Hoggatt,2010-10-01 The state of teaching biblical interpretation in colleges and seminaries is generally a mess and many conventional approaches can be alarming for religious students The sources of this difficulty are wide ranging but a quick summary would include at least the following jargon that is unnecessarily technical competing and contradictory methodologies and a failure on the part of Biblical scholarship to demonstrate the direct relevance of its methods to the pastoral life of the Church As a consequence biblical scholarship is often opaque at best and distressing at worst to the student and beginning theologian And because pastors and lay people are trained within this cobweb of methods they are often functionally unable to draw clear conclusions from most teaching resources Jerry Camery Hoggatt addresses this problem with several solutions a return to a conscious affirmation of authorial intention as the beginning place for interpretation a careful examination of the actual workings of communication a concept of text to include the assumptions and cultural knowledge upon which the text depends for meaningful communication an examination of the various academic disciplines with an eye toward correlating their conclusions with the necessary activities of reading and easily accessible language that makes sense to the beginning student

and the lay reader alike Here is a single accessible volume that explains the basic vocabulary and logic of biblical interpretation shows how the various methodologies can be fitted together into a seamless interpretive model for exegesis and then reflects carefully on the implications of that method for the various issues of reading teaching reflection and preaching Through common and practical examples Jerry Camery Hoggatt teaches students a way of reading the Bible that replicates the activities the biblical authors expected their readers would perform and he uses a model that is applicable across linguistic boundaries genres and various cultural contexts that is throughout the human experience of language there exists a common set of mental activities that can be identified and studied and these are fundamental to reading and interpreting the Bible The prose style is conversational non technical and is intended to be inviting to the beginning student and refreshing for advanced students and teachers
