The Vietnam War in American Memory Christian Goodwillie,Jane F. Crosthwaite,2009 From the very beginning in the 1770s singing was an important part of the worship services of the Shakers formally known as the United Society of Believers in Christ's Second Appearing Yet until the early nineteenth century nearly all Shaker songs were wordless expressed in unknown tongues or as enthusiastic vocalizations Only when Shaker missionaries moved west into Ohio and Kentucky did they begin composing hymn texts chiefly as a means of conveying the sect's unconventional religious ideas to new converts In 1812-13 the Shakers published their first hymnal This venture titled Millennial Praises included the texts without music for one hundred and forty hymns and elucidated the radical and feminist theology of the Shakers neatly distilled in verse This

scholarly edition of the hymnal joins the texts to original Shaker tunes for the first time One hundred and twenty six of the tunes preserved in the Society s manuscript hymnals have been transcribed from Shaker musical notation into modern standard notation thus opening this important religious and folk repertoire to modern scholars Many texts are presented with a wide range of variant tunes from Shaker communities in New England New York Ohio and Kentucky Introductory essays by volume editors Christian Goodwillie and Jane F Crosthwaite place Millennial Praises in the context of Shaker history and offer a thorough explication of the Society s theology They track the use of the hymnal from the point of publication up to the present day beginning with the use of the hymns by both Shaker missionaries and anti Shaker apostates and ending with the current use of the hymns by the last remaining Shaker family at Sabbathday Lake Maine The volume includes a CD of historical recordings of six Shaker songs by Brother Ricardo Belden the last member of the Society at Hancock Shaker Village

American Art Posters of the 1980's Bader Antart,Tariq Faiz,Gaurav Tyagi,Dr Tareq Burezq,Divyansh Tomar,Sameer Shaikh,2021-07-05 **American Art Posters of 1980 s** by Bader Artist **Thinking through Graphic Design History** Aggie Toppins,2025-01-23 Graphic design has a paradoxical relationship to history While it claims to promote originality and innovation ideas that emphasize the new and unique design practice is deeply embedded in previous ideals Too often design students encounter the past in brief visual impressions which seduce them to imitate form rather than engage with historical contexts Even though it has claimed to be objective and even comprehensive graphic design history has focused largely on individual careers and Eurocentric achievements Yet the past swells with untapped potential Graphic design history can serve the field of today and tomorrow but its narratives require updates History like design is always changing and like design history is driven by present day questions This book shows how students and practicing designers can enrich their work by thinking historically about design With thoughtful analyses stimulating creative prompts inspiring case studies and perspectives from designers all over the world this book challenges our traditional understanding of graphic design history and the very notion of the design canon offering ways to shape socially engaged critical practices **American Art Posters of the 1890s in the Metropolitan Museum of Art, Including the Leonard A. Lauder Collection** Metropolitan Museum of Art (New York, N.Y.),David W. Kiehl,Phillip Dennis Cate,Nancy Finlay,1987 **The Best in Covers & Posters** ,1996 **Japanische Plakate Sechziger Jahre bis heute** WICHMANN,2013-12-01 *The People Shall Govern!* Antawan I. Byrd,2020-10-13 A revelatory and informative presentation of the anti apartheid posters created by Medu Art Ensemble Formed in the late 1970s Medu Art Ensemble forcefully articulated a call to end the apartheid system s racial segregation and violent injustice through posters that combined revolutionary imagery with bold slogans Advocating for decolonization and majority nonwhite rule in South Africa and neighboring countries Medu members were persecuted by the South African Defense Force and operated in exile across the border in Botswana The People Shall Govern features nearly all the surviving posters that Medu created between 1979 and 1985 These objects are exceedingly rare as they were originally smuggled into South Africa and mounted in public places where they were regularly confiscated or torn down on sight Offering new insight into the conceptual framework of Medu s working practice and featuring a beautiful silkscreened cover this volume examines the

continuing relevance and impact of its poster production
