Grayfox The Journals Of Corrie Belle Hollister 8:

A Home for the Heart (The Journals of Corrie Belle Hollister Book #8) Michael Phillips, 2018-01-02 The Civil War is finally over and it has been more than two years since Corrie Belle Hollister left her home and family in Miracle Springs California to travel across the country at President Lincoln's invitation. Her writing skills and reporting experience have made their own contribution to the Union's success and now she is on her way home back to the community where she grew to maturity back to the family she loves. But Corrie is returning a different young woman than the one who left with her journal tucked into her suitcase and the dream of being a writer tucked into her heart. She feels restless as she tries to settle back into the pace of a small town and the latest letter from Christopher only creates more questions. Perhaps the most relentless among them: Where will she find a home for her heart.
