Competitive Debate Richard Edwards,2008-06-03 The bible for debaters and their coaches Nearly every high school and college in America has a debate club and or a debate team There are hundreds of competitions at the county and state level culminating in heated national competitions Yet at many high schools and colleges coaches are drawn from the history or English departments with little or no experience in the highly structured procedures of this popular discipline And while competitive debate has been growing each year as a prime academic activity there have been no popular handbooks to help students and coaches prepare for contests effectively and efficiently Practical and authoritative this guide includes not only tips and guidelines for effective preparation and delivery but full length actual transcripts of successful competitions in each format Endorsed by the two national governing bodies for competitive debate the National Federation of State High School Associations and the National Forensic League and priced for the budget conscious student and high school teacher alike *Competitive Debate The Official Guide* is set to become the instructional bible for tens of thousands of present and future debaters and their coaches Inside Dr Richard Edwards award winning debate coach professor former competitive debate judge and author leads readers through the three popular formats of competitive debate Policy Debate Lincoln Douglas Debate Public Forum Debate *Fostering Culture Through Film* Elda Buonanno Foley,Patrizia Comello Perry,2016-05-11 The perceived lack of understanding of cultural diversity in the American learning community has led instructors to challenge assumptions and stereotypes while addressing misconceptions Teachers of foreign languages and cultural studies in particular feel the need to redesign curricula and lesson plans to better serve the learning community of the twenty first century The common starting point resides in the paradox that exists in today s connected world while global access to information makes learners aware of the infinite variety of cultural diversity it does not however make them critical thinkers

For this reason there is opportunity to reshape critical thinking within a more global perspective while enhancing the tools to identify interpret and compare the different cultural models that learners encounter The book demonstrates the theories and practical applications by which instructors use contemporary film to provide insightful readings on diverse local communities communities that form the basis of global culture This collection of essays will serve as a pedagogical tool and resource offering methods and examples of a communicative approach to analyze and integrate cultural diversities similarities and problems in the second language curricula methods that expose students to different cultural models while scaffolding their critical approach to multiple layers of common and specific values This work will encourage a dialogue and long lasting conversation on methodologies and teaching strategies rethought reapplied and remolded to the new learning environments
