Great Expectations: Baby's First Year
Sandy Jones, Marcie Jones Brennan, Michael Crocetti, 2010-11-22 Expectant mothers snapped up *Great Expectations Your All in One Resource for Pregnancy* clear cut contemporary styling and sensitive drawings of babies as they develop month by month. The text too continues that same friendly supportive parent to parent tone of the earlier book but now with dads playing an integral role. Inside there's a plethora of information on the nuts and bolts of feeding, diaper changing and immunizations as well as cutting edge research on baby intelligence and development, nutrition and medical care and insights into the dynamics of the parenting process. Checklists, bulleted sidebars and quick reference tables speed up the process of finding needed information. Unique tables in the extensive medical reference section will present the gamut of symptoms so parents will have help distinguishing between common baby ailments and more serious emergencies that may require immediate attention. Includes a foreword by Dr. Michael Crocetti, Assistant Professor and Director of Clinical Pediatrics, Johns Hopkins Bayview Medical Center and also an extended resource guide and parent's dictionary.

Greater Expectations
William Damon, 2010-06-15 *Greater Expectations* is the book that exposed the low standards that children are confronted with in our homes, our schools and throughout our culture. It exploded many of the misconceptions about children and how to raise them including the cult of self-esteem, child-centered learning and other overly indulgent practices that have been watering down the education and guidance that we are providing our young people. It disclosed how the self-centered ethic is damaging our youth. *Greater Expectations* started America talking about these issues and about how young people need to be provided with challenges and a sense of purpose if we want them to survive and thrive in life. Provocative and challenging, *Greater Expectations* was a wake up call, a must read for anyone concerned about the growing youth crisis in America and what we can do about it.

The *Managing Your Pregnancy* section includes strategies for planning maternity leave, exercise guidelines, what to eat and what to avoid, safe and unsafe medications and how to locate the best childcare and pediatricians.
