*The Working Classes and Higher Education* Amy E. Stich,Carrie Freie,2015-12-22 Within the broader context of the global knowledge economy wherein the college for all discourse grows more and more pervasive and systems of higher education become increasingly stratified by social class important and timely questions emerge regarding the future social location and mobility of the working classes Though the working classes look very different from the working classes of previous generations the weight of a universal working class identity background amounts to much of the same economic vulnerability and negative cultural stereotypes all of which continue to present obstacles for new generations of working class youth many of whom pursue higher education as a necessity rather than a choice Using a sociological lens contributors examine the complicated relationship between the working classes and higher education through students distinct experiences challenges and triumphs during three moments on a transitional continuum the transition from secondary to

higher education experiences within higher education and the transition from higher education to the workforce In doing so this volume challenges the popular notion of higher education as a means to equality of opportunity and social mobility for working class students Orange Coast Magazine ,1981-07 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County s most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County s only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county s luxe lifestyle Greater Expectations Jan Gothard,2011-03-01 Based on more than 60 personal interviews and supported by scholarly research this book shows the varied attitudes and approaches that make up the rich experience of living with disability in a changing society Covering Down syndrome from conception to old age this historical analysis touches upon a variety of themes including education friendship health recreation sexuality employment and independence This moving partly autobiographical account is a must read for all parents teachers health professionals and policy makers who make choices that affect people with disabilities

The Manifesto E. Paul Torrance,2002-08-30 More than 40 years ago E Paul Torrance undertook to study creativity in students and study whether it would predict their creative achievements as adults He and his colleagues wanted to determine what other factors influence predict encourage or sustain their creativity over time There has never been a longitudinal study of creativity of this magnitude Its findings will be useful to and have implications for several audiences parents teachers counselors especially vocational counselors university and college instructors and educational administrators The Manifesto for Children was developed on the basis of the responses of 215 young adults who had attended two elementary schools in Minnesota from 1958 to 1964 They had been administered some creativity tests each year and they were followed up in 1980 On the basis of their questionnaire responses the Manifesto was developed to describe their ongoing struggle to maintain their creativity and use their strengths to create their careers and to provide guidance to children In 1998 they were followed up to assess their creative achievements and to validate the Manifesto Some of the participants had attained eminence while others had attained only mediocre careers Romance Linguistics 2006 José Camacho,Nydia Flores-Ferrán,Liliana Sánchez,Viviane Déprez,María José Cabrera,2007-11-21 This volume presents selected papers from the 36th LSRL conference held at Rutgers University in 2006 It contains twenty two articles of current approaches to the study of Romance linguistics Well known researchers present their findings in areas such as of syntax and semantics phonology psycholinguistics sociolinguistics The volume contains scholarly research in areas such as parenthetical null topic construction expletives number and language change performative verbs in colonial court Spanish aspect shift palatilization in Romanian melodic contours in Majorcan Catalan variation in verb type and position and deviance in early
