The Myth of King Midas

King Midas is a wealthy ruler who wants to become even wealthier. He makes a wish to the gods: "If I touch gold, it should turn into gold!" The gods grant his wish, but he soon realizes that everything he touches turns to gold, including his food, his clothing, and even his loved ones. He tries to undo the curse by washing himself in a nearby river, but it only makes him even more miserable. In the end, he learns that true wealth is not just about material possessions, but also about the people and things he loves.

Allusions

King Midas is often mentioned in literature and art, particularly in works by Ovid and William Shakespeare. The story of King Midas is used to teach children about the importance of being grateful and not taking things for granted. It is also used to teach them about the dangers of greed and the importance of moderation.
