Diet Books: Anti Inflammatory Foods and Detox Recipes Anna James, Margaret Torres, 2013-10-27

Diet Books: Anti Inflammatory Foods and Detox Recipes Have you gotten tired of being on diet after diet without losing weight or experiencing better health? This book is designed to help you fight the problems associated with most diet and weight loss plans while improving your overall health and wellbeing. The world is full of dieting books for people interested in weight loss, but many of them don't support good health. They focus only on getting rid of the weight and not on making sure your body stays in good condition. That can cause real problems later on when you see yourself losing muscle mass or when you continue to suffer from the tiredness and other problems brought on by toxic inflammatory foods. Conventional diet books pay attention to factors like fat content, carbohydrate levels, or calorie percentages. These are all an important part of successful dieting, but they're not sufficient to help you lose weight and reclaim your health. That's because these diet cookbooks ignore the role of toxins and inflammation in weight gain and physical problems. This book provides the recipes and resources you need to get your systems back under your control and start taking off unhealthy fat. You'll enjoy great meals featuring fruit smoothies, crisp salads, risottos, and homemade chips and dips. You'll also get the chance to try out anti-inflammatory foods based on lean protein and plenty of health-boosting fresh vegetables. These foods are designed to support good health without losing out on flavor. Once you've tried them, you'll never go back to the way you used to eat. Great health and a beautiful body are compatible goals. You just need to choose a diet that includes beneficial foods. Decrease toxin and inflammation levels, slim down, and boost your health by enjoying these simple recipes. It won't take long until you're amazed that you ever ate any other way.

Fed Up with Lettuce Plant-Based Recipes: A Simple and Delicious Vegetarian and Gluten-Free Vegan Cookbook for Herbivores Tired of Eating Salad ARANDANA MAYOR, 2023-05-26
