The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.      America: Pathways to the Present, 1995      **A Guided Reader to Early Years and Primary English** Margaret Mallett, 2015-10-23 A Guided Reader to Early Years and Primary English draws on extracts from the published work of some of the most influential education writers to provide insight, guidance, and clarity about key issues affecting early years practitioners and primary English teachers. The book brings together key extracts from classic and contemporary writing and contextualises these in both theoretical and practical terms. The extracts are accompanied by a summary of the key ideas and issues, raised questions to promote discussion and reflective practice, and annotated further reading lists to extend thinking. Taking a thematic approach and including a short introduction to each theme, the chapters cover: Models of and approaches to early years and primary English; Speaking and listening in English lessons; story telling; drama; booktalk and debate; Reading and responding to texts in English lessons; Writing in English lessons; finding a voice; Knowledge about language; grammar; spelling; punctuation and handwriting; The rich landscape of children's literature; Non-fiction in English lessons; Planning, assessing, and recording children's progress; the learning cycle. Aimed at trainee and newly qualified teachers, those working towards

Masters level qualifications and all those involved in the teaching of early years and primary English this accessible but critically provocative text will be an essential resource for those that wish to deepen their understanding of early years and primary English education      **Faith, Life, and Learning Online** Brant M. Himes, John W. Washatka, 2022-04-08 Faith Life and Learning Online is an invitation for faith based institutions to take bold steps toward integrating a holistic mission of spiritual formation into the online learning environment For Christian higher education faith integration is a matter of mission not modality Regardless of whether learning happens in the traditional classroom through hybrid models or exclusively online Christian universities have a missional mandate to continue their long legacy of forming students of competence and character While traditional campuses continue to provide unique and meaningful opportunities for students to grow in their faith online learning has opened new avenues for engagement and development of spiritual formation As such all Christian higher education institutions are now called to take advantage of this unique technological moment to continue to offer transformative opportunities for the holistic integration of faith life and learning in the online environment
