Six Emergent Math Guided Reading Books
 Linda Nelson, 2013 Strengthen the math literacy connection with this set of 6 guided reading books that address K-1 Common Core math standards. Starring Maddy and Matt the Math Stars. Here's a great way to bridge reading and math with your early readers. This set of six emergent level guided reading books will support your math teaching in these topics: One More, K-CC-7, K-OA-2 Addition Strategies Adding Doubles, 1-OA-3 Missing Addends Complements of Ten, K-OA-4 Geometric Shapes, K-G-2 Data Collection, 1-MD-4 Sums of Ten, K-OA-4. The pages of each book are printed two to each sheet making them very easy to assemble as books. 0-3 just print collated pages, make one horizontal cut and staple the books together. You'll find these books useful for small group teaching in both reading and math and also to include in your students' book boxes for frequent rereading. The books feature simple patterned text with small variations in pattern to promote careful attention to print. For each book, there's also a full page teaching poster in both color and b/w to reinforce the math topic and to set the text pattern for reading. Use these pages with your document camera or in a small group setting. Maddy and Matt clipart by Krista Wallden at Creative Clips Digital Clipart. Guided Reading Michael Ford, 2015-11-27 In an era of change in education, the time is right to refocus attention on guided reading practices. Guided reading remains an anchor in small group literacy instruction, but how has it changed with the new shifts? In this book, Michael Ford provides a practical resource for guided reading. He explains how it has evolved, why it's important, how to fit it into a comprehensive literacy program, how to select texts, how to position it for intervention, and how to assess students. Also included is an appendix with a listing of guided reading books.

The New Balanced Literacy School Margaret Mary Policastro, 2014-06-01 Create a new approach to balanced literacy grounded in research-based best practices. This book infuses best practices of the new balanced literacy model through the lens of Common Core with support on read-alouds, guided reading, language and literacy centers, word walls to language walls, independent reading and writing, and classroom libraries. It also provides the how-for novice and veteran K-8 teachers, administrators, school literacy teams. With the daily routine 110 Minutes of Literacy, the Common Core State Standards will be easy to implement in instruction. By design, these books are not printable from a reading device. The One-on-One Reading and Writing Conference
 Jennifer C. Berne, Sophie C. Degener, 2015 Personal interactions are the single most effective way for teachers to understand and evaluate their student as learners. Responding specifically to new Common Core State Standards in reading and writing, this book introduces pre- and inservice teachers to a method of one-on-one interaction the authors refer to as the stretch conference. This book provides detailed practical advice on the logistics of implementing these conferences during the busy

school day including tips on how and when to schedule conferences and how to successfully manage the classroom during conference time The authors argue that rather than using valuable conference time for word level concerns and editing teachers should focus on more ambitious goals that will deepen or stretch students skills in comprehension and writing This resource suggests where conferences fit in with other important pieces of literacy instruction introduces a variety of high quality cues to use during conferences and shows how conferences can function as formative assessment for reading and writing skills This book was written by two veteran teacher educators who conduct frequent workshops and professional development with teachers helps teachers adjust their instruction for the demands of Common Core Standards and includes many detailed examples of effective conferences taken from real classrooms *Reading Without Limits* Maddie
