called it a real barn burner and the best darned sci fi novel I ve read in years Look for the sequel FARSIDE available now
Stranded in orbit with no way home before the air runs out A veteran pilot flying a revolutionary spaceplane A media mogul
on an urgent mission halfway around the world And an aerospace legend fighting to save his legacy in the face of a
government that would stand aside to let it be destroyed At hypersonic speed Arthur Hammond s fleet of Clipper spaceplanes
has become the premium choice for high flying travel placing every corner of the globe within a few hours reach But when
the line s flagship is marooned in space with its VIP clients the crew must fight to keep everyone alive while knowing that
help may never arrive As they struggle with failing life support and increasingly desperate passengers their colleagues back
on Earth scramble to mount an audacious rescue A contentious mix of old airline hands and NASA veterans they will face
shocking betrayals in a battle to save their friends In this race against time Hammond must confront an onslaught of
horrendous press nitpicking bureaucrats and dubious financiers all of them pawns in a larger game with his business empire
as the prize Amid a spreading web of industrial espionage he may find the truth to be worse than imagined And in space one
man will discover that escape may demand a terrible sacrifice At the publisher s request this title is sold without DRM Digital
