Gurus Hired Guns And Warm Bodies Itinerant Experts In A Knowledge Economy:

Gurus, Hired Guns, and Warm Bodies Stephen R. Barley, Gideon Kunda, 2004 Gurus Hired Guns and Warm Bodies tells the story of how the market for temporary professionals operates from the perspective of the contractors who do the work the managers who employ them the permanent employees who work beside them and the staffing agencies who broker deals Based on a year of field work in three staffing agencies life histories with over seventy contractors and studies of workers in some of America s best known firms the book dismantles the myths of temporary employment and offers instead a grounded description of how contracting works Engagingly written it goes beyond rhetoric to examine why contractors leave permanent employment why managers hire them and how staffing agencies operate Gurus, Hired Guns, and Warm Bodies Gideon Kunda, 2006 Annotation Over the last several decades employers have increasingly replaced permanent employees with temporary workers and independent contractors to cut labor costs and enhance flexibility Although commentators have focused largely on low wage temporary work the use of skilled contractors has also grown exponentially especially in high technology areas Yet almost nothing is known about contracting or about the people who do it This book seeks to break the silence Gurus Hired Guns and Warm Bodies tells the story of how the market for temporary professionals operates from the perspective of the contractors who do the work the managers who employ them the permanent employees who work beside them and the staffing agencies who broker deals Based on a year of field work in three staffing agencies life histories with over seventy contractors and studies of workers in some of America s best known firms the book dismantles the myths of temporary employment and offers instead a grounded description of how contracting works Engagingly written it goes beyond rhetoric to examine why contractors leave permanent employment why managers hire them and how staffing agencies operate Barley and Kunda paint a richly layered portrait of contract professionals Readers learn how contractors find jobs how agents negotiate and what it is like to shoulder the risks of managing one s own employability The authors illustrate how the reality of flexibility often differs substantially from its promise Viewing the knowledge economy in terms of organizations and markets is not enough Barley and Kunda conclude Rather occupational communities and networks of skilled experts are what grease the skids of the high tech matrix economy where firms become way stations in the flow of expertise **Gurus, Hired Guns, and Warm Bodies** Reece A. Fitzgerald, 2015-08-17 This updated and expanded second edition of the Gurus Hired Guns and Warm Bodies Itinerant Experts in a Knowledge Economy provides a user friendly introduction to the subject Taking a clear structural framework it guides the reader through the subject s core elements A flowing writing style combines with the use of illustrations and diagrams throughout the text to ensure the reader understands even the most complex of concepts This succinct and enlightening overview is a required reading for all those interested in the subject We hope you find this book useful in shaping your future career Business Feel free to send us your inquiries related to our publications to info@pwpublishers.pw **Sociology of Work** Vicki Smith, 2013-05-16 The simple act

of going to work every day is an integral part of all societies across the globe It is an ingrained social contract we all work to survive But it goes beyond physical survival Psychologists have equated losing a job with the trauma of divorce or a family death and enormous issues arise from financial panic to sinking self esteem Through work we build our self identity our lifestyle and our aspirations How did it come about that work dominates so many parts of our lives and our psyche This multi disciplinary encyclopedia covers curricular subjects that seek to address that question ranging from business and management to anthropology sociology social history psychology politics economics and health Features Benefits International and comparative coverage 335 signed entries A to Z fill 2 volumes in print and electronic formats Cross References and Suggestions for Further Readings guide readers to additional resources A Chronology provides students with historical perspective of the sociology of work In the electronic version the comprehensive Index combines with the Cross References and thematic Reader s Guide themes to provide robust search and browse capabilities

America at Work J. O'Toole,E. Lawler,2008-10-16 A companion to The New American Workplace which is co published with the Society for Human Resource Management and the Centre for Effective Organizations this volume contains original articles and groundbreaking research on workplace issues in America today from leading scholars in the fields of business management and human resources

Working Lives and in-House Outsourcing Jacqueline Zalewski,2018-09-05 This book offers a sociological account of the process by which companies instituted and continue to institute outsourcing in their organization Drawing on qualitative data it examines the ways in which internal outsourcing in the information technologies and human resources professions negatively affects workers their work conditions and working relationships With attention to the deleterious influence of outsourcing on relationships and the strong tendency of market organisations to produce social conflict in interactions itself a considerable transaction cost the author challenges both the ideology that markets rather than hierarchies produce more efficient and less costly economic outcomes for companies and the idea that outsourcing generates benefits for professional workers in the form of greater opportunity A demonstration of the social conflict created between employees working for two separate proprietary companies Working Lives and in House Outsourcing will be of interest to scholars with interests in the sociology of work and organizations and the sociology of professions as well as those working in the fields of business management and human resources

Politics for Hire Stefan Svallfors,2020-12-25 This ground breaking book investigates the work of policy professionals They consist of political actors who although not elected to office are nonetheless employed to affect policy and politics on a partisan basis Through an analysis of the influence and power they wield this book sheds light on how the growth of this group represents a major transformation of the organization of politics and policy making in advanced democracies

The Interloper Michel Anteby,2024-04-09 A stranger enters your world and starts asking questions you would prefer not to answer What do you do Mostly when an interloper appears communities find ways to resist they obstruct investigations and hide evidence shelve complaints and silence dissent even

forget their own past and deny having done so Such resistance that is the social mechanisms deployed by social groups to maintain the status quo is the bane of field researchers everywhere for it often seems to slam the door in their face How can one learn about a community when they resist so very strongly The answer is that sometimes the resistance is itself the key By closing ranks and creating obstacles community members often disclose more than they meant This book shows how such resistance manifests itself how researchers can respond to it and most importantly what it all reveals To do so The Interloper draws insights from diverse stories of resistance and research inquiries everything from Nazi rocket scientists to Disney union busters Harvard professors to those securing cadavers for medical school dissection to draw attention to field resistance and help analyze it Offering a window into such research for readers of many disciplines this book ultimately is intended both as a practical and theoretical guide for field researchers All these stories and more reveal a common truth When any field researcher tries to gain access to a field they are sure to meet resistance to their investigations The Interloper brings together all these instances of resistance that he encountered or witnessed alongside accounts from other published work The book organizes them around ideal forms of resistance and details their unique implications Ultimately The Interloper argues that such resistance contains way more analytical possibilities than most interlopers including field researchers envision

The Ambivalence of Power in the Twenty-First Century Economy Vadim Radaev,Zoya Kotelnikova,2022-07-07 The Ambivalence of Power in the Twenty First Century Economy contributes to the understanding of the ambivalent nature of power oscillating between conflict and cooperation public and private global and local formal and informal and does so from an empirical perspective It offers a collection of country based cases as well as critically assesses the existing conceptions of power from a cross disciplinary perspective The diverse analyses of power at the macro meso or micro levels allow the volume to highlight the complexity of political economy in the twenty first century Each chapter addresses key elements of that political economy from the ambivalence of the cases of former communist countries that do not conform with the grand narratives about democracy and markets to the dual utility of new technologies such as face recognition thus providing mounting evidence for the centrality of an understanding of ambivalence in the analysis of power especially in the modern state power driven capitalism Anchored in economic sociology and political economy this volume aims to make visible the dimensions of power embedded in economic practices The chapters are predominantly based on post communist practices but this divergent experience is relevant to comparative studies of how power and economy are interrelated

Intercultural Knowledge Sharing in MNCs Fabrizio Maimone,2017-11-11 This book provides a systematic view of current and future research perspectives on intercultural knowledge sharing and offers a model for the growth of organizational knowledge in the digital age The author puts forward multidisciplinary and multi paradigmatic approaches to offer an updated view on the best practices towards international management With insights on the opportunities and limitations of the use of digital and social media to facilitate intercultural knowledge sharing in business the book explores

the evolution of research on the topic taking into account the consequence of glocalization as well as technological innovation and the evolution of organizational strategies and structures Intercultural Knowledge Sharing in MNCs will be of use to scholars of management and organizational studies as well as managers of international businesses interested in knowledge sharing as it delivers an invaluable model which aims to conciliate diversity and inclusion global and local knowledge technological innovation and humanism

Enterprise Mobility Rahul C. Basole,2008 Previously published in the journal Information knowledge systems management 7 1 2 2008 ISSN 1389 1995

Gender, Age and Inequality in the Professions Marta Choroszewicz,Tracey L. Adams,2019-03-13 The literature on gender and professions shows that professional careers continue to be impacted by gender albeit with important differences among professions and countries Much less researched is the issue of the significance of gender and age cohort or generation to professional work Gender Age and Inequality in the Professions explores men s and women s experiences of professional work and careers through an intersectional lens by focusing on the intersection of gender and age The chapters explore different professions including Medicine Nursing Law Academia Information Technology and Engineering in different Western countries in the present and over time Through original research and critical re analysis of existing research each of the chapters explores the significance of gender and age cohort or generation to professional work with particular attention to professionals just entering professional careers those building professional careers and comparisons of men and women in professions across generational cohorts The book contributes to literature on inequalities in the professions by demonstrating the ways in which gender and age converge to confer privilege and produce disadvantage and the ways in which gender inequality is reproduced and disrupted through the activities of professionals on the job The book constitutes a departure point for future research in terms of theoretical perspectives and empirical findings on how gendered and age related processes are produced and reproduced in particular organisational professional and socio cultural contexts To enhance generational understanding relationships and collaboration in educational institutions organisations and professions the book ends with a section on policy recommendations for educators professionals professional organisations as well as policy and decision makers This book will also appeal to students and researchers in the fields of Sociology Gender Studies Organisational and Management Studies Law Medicine Engineering and Information Technology as well as related disciplines

White-Collar Blues Mustafa Yavaş,2025-06-24 Consider the lucky few They studied hard and aced high stakes tests survived demanding schooling and extracurriculars graduated from top colleges and immediately landed high pay high

status corporate positions in tall buildings What happens after this middle class dream of fast track careers comes true White Collar Blues follows the Turkish members of the global elite workforce as they are selected into survive within and opt out of coveted employment at transnational corporations State employed doctors lawyers and engineers were long seen as role models until Turkey followed the global tide of neoliberalism and began to embrace freer circulation of capital As world renowned corporations transformed Istanbul into a global city Turkey s best and brightest have increasingly sought employment at brand name firms Despite achieving upward mobility within and beyond Turkey however many Turkish professionals end up feeling disappointed burned out and trapped in their corporate careers Drawing from more than one hundred interviews in Istanbul and New York City Mustafa Yava develops a theory of middle class alienation explaining how so called good jobs fail elite workers Yava shows how educational investments in an increasingly competitive landscape lead to high hopes which then clash with poor work life balance low intrinsic satisfaction and a felt lack of meaning from labor in corporate workplaces Highlighting the trade off between freedom and financial security White Collar Blues reveals the hidden costs of conflating the quest for socioeconomic status with the pursuit of happiness

The Oxford Handbook of Work and Organization Stephen Ackroyd, 2006 Aims to bring together present and discuss what is known about work and organizations and their connection to broader economic change in Europe and America This volume contains a range of theoretically informed essays which give comprehensive coverage of changes in work occupations and organizations

Gurus Hired Guns And Warm Bodies Itinerant Experts In A Knowledge Economy Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Gurus Hired Guns And Warm Bodies Itinerant Experts In A Knowledge Economy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Gurus Hired Guns And Warm Bodies Itinerant Experts In A Knowledge Economy free PDF files of magazines, brochures, and catalogs, Issuu is a popular

choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Gurus Hired Guns And Warm Bodies Itinerant Experts In A Knowledge Economy free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Gurus Hired Guns And Warm Bodies Itinerant Experts In A Knowledge Economy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Gurus Hired Guns And Warm Bodies Itinerant Experts In A Knowledge Economy any PDF files. With these platforms, the world of PDF downloads is just a click away.
