GYMNASTICS & ATHLETICS

WELCOME TO PARENT/TOT GYMNASTICS!

Dear Parents,

You are about to participate in a fun bonding activity with your toddler. Our lessons are created to provide developmentally appropriate stations and circuits to keep you and your toddler entertained and active. Here are a few safety reminders for a successful class:

- 1 Parent Per Tot. If you have 2 students in the same class – there will need to be a parent for each child.
- Please stay within arms reach of your child. This is a hands on class!
- Do not use any equipment that has not been instructed by the teacher
- The teacher will explain ways for you to help your child succeed. Please watch the demonstrations
- Dress comfortably and be ready to move around with your child
- Every now and then a toddler will not want to conform to the situation at hand –and that is completely normal! Feel free if there is a 'melt down' to take a step away from the class to recoup!
- We expect that the children will wander at first from the group and activities – this is okay but please immediately go and retrieve them for safety reasons.
- You will see a variance in the ability levels of children in class. Try not to compare your child with another. They may be older, have been in class longer, have an older sibling that they have been watching, or many other reasons.
- Cheer the children on! This is a fun time together for you and your child!
- Please ask if you have any questions.
- ***I understand as an active participant in this class I am here to guide my child and am not permitted to go onto any of the equipment.***

Thank you and have a great class!

Gymnastics Welcome Letter:

Letters to a Young Gymnast Nadia Comaneci, 2009-04-28 If there were such a thing as an elder stateswoman in women's gymnastics today Nadia Comaneci would win that title as readily as she once won gold medals Olga Korbut came before her and many other medalists would follow but none has ever been as dominant in winning the hearts of millions around the world With grit and determination Nadia Comaneci ushered in a new era for women's sports one where young girls could vault into the arena of superstardom Even today almost thirty years after her greatest triumphs you need only mention the name Nadia and gymnastics fans know instantly whom you are talking about In *Letters to a Young Gymnast* Nadia shows what it takes to achieve athletic perfection and become the best With inspiring and dramatic stories from her own experience she tells us how the young girl that Bela Karolyi discovered in a Romanian elementary school found the inner strength to become a world class athlete at such a young age This collection of Nadia's memories anecdotes and advice grants unique insights into the mind of a top competitor From how to live after you've realized your dream to the necessity of a spirit forged with mettle Nadia's thoughts on athleticism and sacrifice are eye opening and surprisingly challenging

Journal ..., 1902 **Student-Athlete's College Recruitment Guide** Ashley B. Benjamin, 2009 *The Student Athlete's College Recruitment Guide* explores this behind the scenes information giving students and their families an insightful look at the world of college athletics This in depth resource examines the many aspects of the college athletic recruitment process

including what to look for when choosing a program to best fit a student's abilities and needs both athletically and academically. Expert interviews with top coaches reveal what they believe student athletes need to make it in this ultracompetitive realm and how to avoid the common pitfalls that can hinder a student athlete's performance. This new book is a valuable tool for high school students navigating the recruiting process. Chapters include Why Play? Considering a University? Getting Seen? Scholarship Negotiation? Unsafe Practices? Gender Issues? Racial Issues? [Gymnastics for Fun!](#) Beth Gruber, 2003-07 Describes the sport of gymnastics and presents information on the basic equipment, practice, coaching and competition. [Report of the Secretary of the Interior; Being Part of the Message and Documents Communicated to the Two Houses of Congress at the Beginning of the Second Session of the Fifty-second Congress](#), 1895 [Gymnastics, a Transatlantic Movement](#) Gertrud Pfister, 2013-10-18 This book explores, analyses and explains divergent ideologies and practices of gymnastics in selected European nations. It reconstructs the export and import processes from Europe to America and determines the processes, interrelationships and transformations of these transatlantic movements in their new home country. The book offers a more complete understanding of the role of gymnastics and expressive movements in cultural and ideological transmission over time and identifies the impact of these concepts on American physical education, sports systems and sports cultures. The main focus of the book lies in the two decades before and after World War I. This concentration on a specific historical epoch allows us to identify parallel but also different developments of the various forms of gymnastics and of the transfer and implementation processes. The volume covers the transfer and impact of German Turnen, Czech Sokol and the Delsarte system in North America. In addition, it traces the influences of French gymnastics in South America and describes the tours of the world-renowned Danish gymnastic reformer Nils Bukh in both Americas. A focus will be the import of gymnastics but also on the adaptation processes of these different concepts and their integration into the American culture. This book was previously published as a special issue of the *International Journal of the History of Sport*. [Introduction to Teaching Physical Education](#) Jane M.
