Hades Andrews Russell:

Hades Russell Andrews, 2008-02-01 Police Chief Justin Westwood is content to escape his big city past in sleepy East End Harbor but the brutal murder of a Wall Street shark is about to change all that not least because Westwood was in bed with the victim's wife at the time National bestselling author Russell Andrews returns with an intricately layered novel of suspense as Justin Westwood tries to clear himself of involvement in murder while a multinational financial conspiracy brings destruction in its wake Westwood is willing to do whatever it takes to solve this crime even if it means teaming up with an FBI agent who once broke his heart A trail of dead bodies draws him back home to Providence RI where he must deal with his own personal demons as well as reconnect with troubling memories of the past Here he will discover a complex corporate scam with unimaginably murky depths and at the heart of it an evil scheming intelligence and a deadly temptress whose greatest joy lies in human suffering and death **HADES** is a dark and atmospheric tale of obscene wealth and sadistic violence opposed by one flawed but honorable man

My Mother's Kitchen Peter Gethers, 2017-04-04 My Mother's Kitchen is a funny moving memoir about a son's discovery that his mother has a genius for understanding the intimate connections between cooking people and love Peter Gethers wants to give his aging mother a very personal and perhaps final gift a spectacular feast featuring all her favorite dishes The problem is although he was raised to love food and wine he doesn't really know how to cook So he embarks upon an often hilarious and always touching culinary journey that will ultimately allow him to bring his mother's friends and loved ones to the table one last time The daughter of a restaurateur the restaurant was New York's legendary Ratner's Judy Gethers discovered a passion for cooking in her 50s In time she became a mentor and friend to several of the most famous chefs in America including Wolfgang Puck Nancy Silverton and Jonathan Waxman she also wrote many cookbooks and taught cooking alongside Julia Child In her 80s she was robbed of her ability to cook by a debilitating stroke But illness has brought her closer than ever to her son Peter regularly visits her so they can share meals and he can ask questions about her colorful past while learning her kitchen secrets Gradually his ambition becomes manifest he decides to learn how to cook his mother the meal of her dreams and thereby tell the story of her life to all those who have loved her With his trademark wit and knowing eye Peter Gethers has written an unforgettable memoir about how food and family can do much more than feed us they can nourish our souls

Ask Bob Peter Gethers, 2013-08-06 A wise witty sometimes heartbreaking love story about a pet doctor who discovers that the best relationships are often the most surprising Dr Robert Heller is one of New York City's leading veterinarians and his Ask Dr Bob advice column is hugely popular among pet lovers Yet Dr Bob understands animals a lot better than people and he

definitely could use some advice of his own especially when it comes to his family His father is angry and controlling his mother is nearly invisible and his brother seems bent on destroying not just his own life but the lives of everyone around him As for Bob s wife Anna she is all but perfect assuming one can ignore her own colorful but deeply dysfunctional clan And then just when Bob thinks he s figured out what it takes to thrive in the human world as comfortably as he does among cats dogs and hamsters tragedy strikes How can he go on living when he is suddenly soul killing alone In previous books Peter Gethers has written charming true tales about what a man can learn from a beloved cat Now he ventures into new territory with a funny touching novel about a pet doctor who finds out what it means to be human and what a family must do to truly become a family Full of unforgettable characters Ask Bob will remind everyone that sometimes we need a lot more than love to make the world go around but that love is an awfully good place to start **The Publishers Weekly** ,1902 **Jeff Herman's Guide to Book Publishers, Editors & Literary Agents 2007** Jeff Herman,2006-12 Presents a guide to the names and specialties of American and Canadian publishers editors and literary agents including information on the acquisition process and on choosing literary agents **The New York City Directory, for ...** ,1842 **The British National Bibliography** Arthur James Wells,1998 **The Saturday Review of Politics, Literature, Science and Art** ,1884 **Notes on books** Longmans, Green and co,1885 *Champlain* Kimberly J.
