Longing for the Lost Caliphate Mona Hassan, 2018-08-14 In the United States and Europe the word caliphate has conjured historically romantic and increasingly pernicious associations Yet the caliphate's significance in Islamic history and Muslim culture remains poorly understood This book explores the myriad meanings of the caliphate for Muslims around the world through the analytical lens of two key moments of loss in the thirteenth and twentieth centuries Through extensive primary source research Mona Hassan explores the rich constellation of interpretations created by religious scholars

historians musicians statesmen poets and intellectuals Hassan fills a scholarly gap regarding Muslim reactions to the destruction of the Abbasid caliphate in Baghdad in 1258 and challenges the notion that the Mongol onslaught signaled an end to the critical engagement of Muslim jurists and intellectuals with the idea of an Islamic caliphate She also situates Muslim responses to the dramatic abolition of the Ottoman caliphate in 1924 as part of a longer trajectory of transregional cultural memory revealing commonalities and differences in how modern Muslims have creatively interpreted and reinterpreted their heritage Hassan examines how poignant memories of the lost caliphate have been evoked in Muslim culture law and politics similar to the losses and repercussions experienced by other religious communities including the destruction of the Second Temple for Jews and the fall of Rome for Christians A global history Longing for the Lost Caliphate delves into why the caliphate has been so important to Muslims in vastly different eras and places No Truth Without Beauty Leena El-Ali, 2021-12-01 In this comprehensive open access book written for readers from any or no religious background Leena El Ali does something remarkable Never before has anyone taken on every last claim relating to Islam and women and countered it not just with Qur'anic evidence to the contrary but with easy to use tools available to all How can a woman's testimony be worth half of a man's How can men divorce their wives unilaterally by uttering three words And what's with the obsession with virgins in Paradise Find the chapter on any of the seventeen topics in this book and you will quickly learn where the myth came from and how to bust it The methodology pursued is simple First the Qur'an is given priority over all other literary or scriptural sources Second the meaning of its verses in the original Arabic is highlighted in contrast to English translations and or widespread misunderstanding or misinterpretation
