Sermons in Zephaniah, Haggai, & Zechariah R. J. Rushdoony, 2023-06-09 We live in an age of practical atheism where men pay lip service to God and then do as they please Our time is marked by a failure to meet our responsibility while believing that nothing will happen that God will not judge His church as He's judged His people throughout history As we know judgment begins at the house of God because the church bears the greater burden of guilt for possessing the greater privileges of God's covenant grace salvation and courage We must take our lesson from Jerusalem of old to whom God sent prophets like Zephaniah Haggai and Zechariah to remind them of their covenant responsibility to provide the standard and word to the wicked nations around them In this volume R J Rushdoony brings out the two edged sword of God's law word through these three minor prophets to both warn and encourage us to greater faithfulness and ministry Like the faithful in ancient Jerusalem we can feel small marginalized and peripheral to history but Rushdoony reminds us that our security and effectiveness are determined by the God who controls history and not the evil machinations of men In this book is the message of hope that we desperately need right now To continue the great work of Christian Reconstruction we must walk by faith and not focus on the smallness of our efforts or our seemingly small results We must set our hearts and minds on the reality of God's promises and know that all power and dominion are in His hands What we cannot do God does not ask us to do What we can do God requires us to do We must stand in obedience to God and fulfill our responsibility to be faithful in our duty and calling as workers parents ministers and churchmen As heirs together of the grace of life 1 Peter 3:7 our obedience helps our prayers to be heard and God's judgment

to be enacted The future belongs to the dedicated minorities who commit themselves to God and His Word while not despising the day of small things This is how we face the world of our day *The Minor Prophets* James L. R. Catron,1991
