Haifa Modern Palestine Laurence Oliphant:

Haifa; or, Life in modern Palestine Laurence Oliphant, 2022-11-22 In *Haifa or Life in modern Palestine* Laurence Oliphant skillfully crafts an autobiographical narrative that captures the rich tapestry of life in Haifa during a time when it was under Ottoman rule. With an intricate blend of personal anecdote and historical insight, Oliphant's work is a valuable contribution to the canon of travel literature, shedding light on the socio-political context of the era. His literary style is marked by a keen observational prowess and an evident affinity for the landscapes and people of Palestine, which infuses the narrative with authenticity and a profound sense of place. This book stands as a testament not only to the cultural and historical significance of the region but also to the idiosyncratic experience of an Englishman abroad in the twilight years of the 19th century. Laurence Oliphant's varied career as a Member of Parliament, a traveller, diplomat, intelligence agent, and mystic greatly influenced the depth and breadth of his writing. His intimate connection with the land of Palestine, his cohabitation with Naftali Herz Imber, and his fervent Christian Zionist beliefs all played into his unique perspective, which is vividly captured within the pages of his memoir. His literary contributions provide an indispensable glimpse into the Levantine culture and the establishment and survival of early Zionist settlements like Rosh Pinna and Zikhron Yaakov, making *Haifa or Life in modern Palestine* a critical work for understanding the dynamics of this pivotal historical region. Readers seeking a nuanced and textured exploration of Palestine in the late 19th century will find *Haifa or Life in modern Palestine* an essential read. The book endows its audience with an immersive journey through the eyes of a man who was not merely a spectator but an engaged participant in the shaping of the land. It is particularly recommended for scholars and enthusiasts of Middle Eastern history, Zionist thought, and colonial literature. Oliphant's memoir is a veritable bridge between worlds, offering a personal yet expansive view of a place and time largely unexplored in modern literature. *Haifa* Laurence Oliphant, 2008-08-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. *The Double Life of Laurence Oliphant* Bart Casey, 2015-12-08 Laurence Oliphant lived one of the most remarkable lives of the Victorian era, dedicated to making a real difference for his fellow man, sometimes in very unconventional ways. At the age of 38, Laurence Oliphant, a successful Victorian writer, diplomat, and Member of Parliament, gave up his glittering career to join an American cult for a life of hard physical labor and sexual mysticism. Then, in his 50s, Oliphant, along with his beautiful wife Alice le Strange, spent their final years working to save refugees by establishing a Jewish homeland in Palestine. Oliphant's obituary in *The Times* said of him: "Seldom has there been a more romantic or amply filled career, never perhaps a stranger or more apparently contradictory personality." **Haifa in the Late Ottoman Period, 1864-1914** Mahmoud Yazbak, 2023-12-28 This volume offers a history

of Haifa during that crucial part of the nineteenth century when Europe's penetration of Palestine combined with Istanbul's centralization efforts to alter irrevocably the social fabric of the country and change its political destiny. After tracing the town's beginnings in the early eighteenth century, the author painstakingly reconstructs from the few sijill volumes that have survived vital aspects of Ottoman Haifa's society and administration. A fresh look at the town's demography is followed by an in-depth discussion of the way intercommunal relations developed after the 1864 Vilayets Law had brought a restructuring of the sources of elite power. The author's findings on the social status of Haifa's Muslim women significantly add to the vibrant picture of economic activities we now know urban Muslim women in the Ottoman Empire were involved in. **Oriental**

Encounters: Palestine and Syria, 1894-6 Marmaduke William Pickthall, 2022-09-16 In *Oriental Encounters: Palestine and Syria 1894-6* Marmaduke William Pickthall presents a vivid and intricate portrayal of the Levant combining personal narrative with keen observations of the socio-political landscape. Written in a lyrical style rich with detail and evocative imagery, Pickthall's work encapsulates the essence of his travels, embodying the era's fascination with the East. His reflections not only delve into the geography and culture but also address the complexities of colonialism and identity, reflecting the tensions of the late 19th-century British Empire and its relationship with the Arab world. Pickthall, a British novelist, journalist, and key figure in early 20th-century Islam, was deeply influenced by his experiences in the Middle East. His travels were not merely physical journeys but also spiritual explorations that ultimately led him to convert to Islam. This background imparts authenticity and depth to his writing as he navigates the delicate interplay between Western perceptions and Eastern realities during a period of significant change. I highly recommend *Oriental Encounters* to both students of literature and those interested in exploring the intricate historical ties between East and West. Pickthall's rich narrative serves as a bridge to understanding the cultural and political dynamics of a world undergoing rapid transformation, making this work both engaging and enlightening.

[New Paths through Old Palestine](#) Margaret Slattery, 2019-11-20 In *New Paths through Old Palestine* Margaret Slattery offers a rich and evocative exploration of her travels in the landscapes of historical and contemporary Palestine. The book intertwines vivid descriptions of the region's geography with Slattery's nuanced reflections on its diverse cultures, peoples, and tumultuous history. Written in an engaging narrative style that merges travel writing with personal memoir, her prose resonates with an artistic lyricism that draws readers deeply into the sights and sounds of each locale. Set against the backdrop of early 20th-century geopolitical complexities, Slattery's work captures both the beauty and the ongoing strife that shape the character of Palestine, making it a profound commentary on resilience and identity. Margaret Slattery, an American writer and journalist, embarked on her journey through Palestine driven by a desire to understand and document the experiences of its inhabitants during a time of significant change. Her background in social work and her commitment to humanitarianism provided her with a unique perspective, allowing her to engage deeply with both the land and its people. Published in 1928, the book serves as both a historical document and a reflection of Slattery's deep empathy.

and ethical concerns regarding the region's struggles. This captivating work is highly recommended for readers interested in travel history and cultural studies. Slattery's insights and poetic descriptions offer a window into the soul of Palestine, capturing a moment in time that continues to resonate today. **New Paths through Old Palestine** is essential for anyone seeking to understand the complexities of identity and history in one of the world's most contested landscapes.

Palestine, or, the Holy Land: From the Earliest Period to the Present Time Michael Russell, 2022-05-29

In **Palestine or the Holy Land: From the Earliest Period to the Present Time**, Michael Russell meticulously chronicles the rich and complicated history of Palestine from antiquity to the then contemporary era. His narrative weaves together historical, cultural, and religious threads, showcasing the land's significance not only to its inhabitants but also to the broader fabric of Western civilization. With a keen analytical eye, Russell employs a descriptive literary style that blends scholarly rigor with an accessible prose, making the text both informative and engaging for a diverse readership seeking to understand the intricate layers of this historically contested region. Michael Russell, a prominent historian and travel writer of the 19th century, brings his extensive explorations and studies to bear in this work. His travels throughout the Middle East and engagement with the region's diverse cultures offered him a nuanced perspective that transcended mere academic inquiry. Russell's commitment to presenting a balanced view of Palestine's multifaceted history reflects his broader goal of fostering understanding among different peoples and their narratives, which were often simplifying in his contemporaries' works. This book is highly recommended for historians, scholars, and general readers alike, as it provides a comprehensive overview of Palestine's complex past. Russell's balanced treatment of the subject makes it a valuable resource for anyone seeking insight into the historical dynamics that continue to shape the Holy Land today.

Fashionable Philosophy, and Other Sketches Laurence Oliphant, 2022-09-16

In **Fashionable Philosophy and Other Sketches**, Laurence Oliphant embarks on a compelling journey through the intellectual and social currents of 19th-century thought. The collection of essays showcases Oliphant's distinctive literary style, characterized by witty observations and a keen engagement with contemporary philosophical discourse. Blending the genres of satire, travel writing, and philosophical inquiry, Oliphant deftly critiques the prevailing ideas of his time while exploring the intersections of belief and social mores, ultimately inviting readers to reflect on the fashionable beliefs that shape society. Laurence Oliphant, a multifaceted writer and traveler, was deeply influenced by his experiences in both the spheres of politics and spirituality. His career spanned various domains, including journalism and diplomacy, and his exposure to diverse cultures and ideologies enriched his outlook. These experiences fueled the philosophical inquiries presented in this work, as he sought to unravel the complexities of human belief systems and their societal implications. **Fashionable Philosophy** is highly recommended for readers interested in the intersection of philosophy, society, and literature. Oliphant's incisive pen and lively prose will engage anyone curious about the intellectual challenges of the past as well as those seeking contemporary relevance in philosophical discourse. This book is not only a reflection of its time but also a

timeless commentary on the ever evolving nature of ideas **A Journey through Persia, Armenia, and Asia Minor, to Constantinople, in the Years 1808 and 1809** James Justinian Morier, 2022-09-16 In *A Journey through Persia Armenia and Asia Minor to Constantinople in the Years 1808 and 1809* James Justinian Morier offers a vivid and meticulously detailed account of his travels across the Middle East. Written in a narrative style characterized by keen observation and rich descriptions, this travelogue positions Morier among the early great chroniclers of the region's sociopolitical fabric. Set against the backdrop of early 19th century imperial interest in the East, the book reflects the European fascination with exotic cultures and landscapes while serving as a critical commentary on the geopolitical dynamics of the era. Morier, a British diplomat and writer, was well acquainted with Persian culture and politics, having spent several years in Iran. His experience as a consul allowed him a unique vantage point to articulate not only the beauty of these regions but also the complex interactions between diverse peoples and nations. This firsthand perspective informs the authenticity of his observations, enriching the text with personal anecdotes and a profound understanding of the local customs and traditions. Readers interested in historical travel literature will find Morier's narrative an indispensable resource. His eloquent prose invites exploration and offers an in-depth understanding of the landscapes, cultures, and tensions of early 19th century Persia and its neighboring territories. This book is not merely a travelogue but a scholarly contribution that remains relevant for both historians and casual readers alike.

Ottoman Haifa Alex Carmel, 2010-11-30 Under Ottoman rule, the city of Haifa, located at the southern point of the largest bay on the coast of what today is Israel, was transformed from a scarcely inhabited fortress town to a major modern city. This book details the history of Haifa under the Ottomans during the period 1516-1918. Alex Carmel uses a variety of original sources to uncover the realities of life in Haifa under Ottoman rule and paints a vivid picture of the development of the city in this era. Carmel's work has become the benchmark of the historiography of Israel's third largest city and remains to this day the best known and most highly regarded survey of Haifa under Ottoman rule. This, the first English edition of *Ottoman Haifa*, will be essential reading for all historians of the Ottoman Empire and the Middle East.

The Making of Eretz Israel in the Modern Era Yehoshua Ben-Arieh, 2020-03-09 Napoleon's invasion of the Middle East marks the beginning of the modern era in the region. This book traces the developments that led to the making of a new and separate geographical political entity in the Middle East known as Eretz Israel and the establishment of the State of Israel within its bounds. Thus, its time frame runs from Napoleon's invasion of Eretz Israel/Palestine in 1799 to the establishment of Israel in 1948. Eretz Israel, as the formal name of a separate entity in the modern era, first appeared in the early translations into Hebrew of the Balfour Declaration, while in the original document the country was referred to as Palestine. During the period of Ottoman rule, the territory that would in time be called Eretz Israel/Palestine was not a separate political unit. Among Jews, use of Eretz Israel increased only after the beginning of Zionist aliyot. Had the Zionist movement not arisen, it is doubtful whether the development to which this study is devoted would have

occurred The motivating force behind that process is without doubt the Zionist element That is why Jews are the major protagonists in this book *Chambers's encyclopædia* Chambers W. and R., ltd,1901 *Chambers's Encyclopaedia* ,1901

The Case for Palestine John B. Quigley,2005 A history of the conflict between Israel and the Palestinians from the perspective of international law that examines the extent to which legitimate interests remain to be fulfilled The Athenaeum ,1887 **Zeal for Zion** Shalom Goldman,2009 The standard histories of Zionism have depicted it almost exclusively as a Jewish political movement one in which Christians do not appear except as antagonists In the highly original *Zeal for Zion* Shalom Goldman makes the case for a wider and m *Notes and Queries* ,1909 **Palestine and Israel in the 19th and 20th Centuries** Elie Kedourie,Sylvia G. Haim,2013-12-19 First Published in 1982 Middle Eastern Studies first appeared in 1964 The purpose of the Journal was the promotion of the study of the Middle East and North Africa since the end of the eighteenth century and that it aimed to take within its ambit the political economic religious and legal history of the area its literature social geography sociology and anthropology That the Journal now in its fourteenth volume has been able to conform to this programme is due to its contributors who over the years have kept it supplied with a constant and abundant flow of articles on the various subjects here enumerated This selection of articles on Palestine and Israel in the nineteenth and twentieth centuries drawn from its first thirteen volumes illustrates the great variety of subjects which authors have thought worth investigating and the diversity of approaches which they have adopted This book also shows that an appreciable part of the Journal in terms simply of volume has been devoted throughout to Palestine and Israel **The History of Galilee, 1538-1949** M. M. Silver,2022-01-28 This study of Galilee in modern times reaches back to the region s Biblical roots and points to future challenges in the Arab Jewish conflict Israel s development and inter faith relations This volume covers an array of subjects including Kabbalah the rise of Palestinian nationalism modern Christian approaches to Galilee s past and present Zionist pioneering the roots of the Arab Jewish dispute and the conflict s eruption in Galilee in 1948 The book shows how the modernization of Galilee intertwined with mystical belief and practice developing in its own grassroots way among Palestinians Orthodox Jews Christians and Druze rather than being a byproduct of Western intervention In doing so *The History of Galilee 1538 1949* *Mysticism Modernization and War* offers fresh challenging perspectives for scholars in the history of religion military history theology world politics middle eastern studies and other disciplines **A History of the Druzes** Kais M. Firro,2023-12-14 A History of the Druzes begins with an introduction to the early history of the Druzes focusing on the religious political and social features that fostered the Druze community as a religious minority with its own particular characteristics facilitating an understanding of the Druzes today Part two examines the period of decline of the Druzes in Lebanon and the emergence of their new center of settlement in Hawr n as well as the socio political significance of the decline against the background of the history of the community Part three studies the situation of the Druze community during the years 1860 1914 when the new settlement in Hawr n took over the role played

by the community in Lebanon in the past It discusses the rise of the Atrash family the type of feudality that existed in Hawr n the interaction of the Druze community with its environment and the community s internal socio political development Part four is concerned with the repercussions of the mandate system on the socio political situation of the Druzes community in the new constellation characterized by the dispute between Britain and France and by the emergence of Arab national movements The post 1946 48 years are dealt with in a short concluding part which surveys the Druze communities in Syria Lebanon and Israel and provides an historical perspective in evaluating the present situation of the Druzes in each of these countries
