

# INFANT BAPTISM & THE COVENANT OF GRACE

**Paul K. Jewett**

---

**“Paul Jewett has accurately seen that covenant theology, to be consistent with its essential emphasis on personal commitment and faith, must not only practice believer communion (which it does) but also believer baptism (which it does not). Dr. Jewett is judicious in his careful survey of history, responsible in sifting biblical evidence, and perceptive in recognizing the contemporary need for theological guidance on this matter.”**

**—John D. W. Watts**  
*Fuller Theological Seminary*

**“A careful and provocative study of Reformed theology in relationship to one of the most perplexing legacies handed to us by the Reformers. . . . It is based on one of the most careful and comprehensive studies of biblical and theological evidence that I know.”**

**—Robert S. Paul**  
*Austin Presbyterian  
Theological Seminary*

# Infant Baptism And The Covenant Of Grace

**Paul King Jewett**

## **Infant Baptism And The Covenant Of Grace:**

*Infant Baptism and the Covenant of Grace* Paul King Jewett, 1978 This is a print on demand book and is therefore non returnable Paul Jewett author of the creative and highly provocative book *Man As Male and Female* here turns his critical attention to the practice of infant baptism Jewett does not accept the traditional covenant argument for baptizing infants and this book explains why he believes this argument fails Infant baptism is not a subject which can be isolated For as Jewett would have his readers understand one s view on this issue is integrally related to one s view of the sacraments in general and thereby to the whole doctrine of the church and salvation Thus it is understandable that what appears to be a minor theological question has had such divisive effects on the church A discussion of the historical source of infant baptism begins Jewett s critique and introduces such issues as the distinction between infants and children the silence of certain early church fathers on the subject infant communion and catechetical instruction The second and major portion of this book examines the theological issue focusing specifically on the covenant argument which suggests that baptism replaces circumcision as the sign of the covenant and thereby is given to infants This argument Jewett claims fails to take into account the historical character of revelation and contains certain contradictions Jewett concludes with a creative defense of believer baptism one which is theologically responsible and which recognizes the profound truths of covenant theology

**The Biblical Doctrine of Infant Baptism** Pierre Charles Marcel, 1953 The authoritative treatment of the doctrine of baptism within the broad context of the theology of justification and grace yet without losing sight of the essential Biblical background

**Infant Baptism God's Ordinance** Michael Harrison, C. Matthew McMahon, 2016-05-30 Is this just another book on infant baptism No It is possibly the best succinct yet comprehensive work on the subject ever written by a puritan It was originally a longer series of sermons that Harrison preached to his congregation many of whom were Baptist at the time At their request he placed his thoughts into a concise treatise that covers all the main points needful in understanding the biblical position of infant inclusion in the Covenant of Grace and infant baptism Harrison s work is so acute in its biblical presentation of the truth of Scripture that the reader cannot be but left in awe of his masterful exactitude to God s mind on the issue of infant inclusion in the Covenant of Grace and the application of the sign of the covenant to every visible member in the church He gives the reader an introductory lesson on the Covenant of Grace and those parties involved by way of its membership and then proceeds to teach the reader why infants are to be baptized Harrison deals hermeneutically with 9 biblical arguments on the issue two of which are his most important foundational chapters setting the stage for the rest of the book He also shows the danger of shutting infants out of the kingdom of heaven and answers all the main objections to Antipaedobaptist theology on the issue He ends the work with a chapter on the right mode in which baptism should take place along with a chapter on applying the truths of the study to the life of the members of the covenant community Without sounding clichéd this work is among the top works ever written on the subject and in my estimation is irrefutable The

unbiased reader will have no issues with Harrison's biblical exposition and logic driven inference. It is a powerhouse puritan work that every Paedobaptist ought to read for support and every Antipaedobaptist ought to read to untangle their dispensational theology. Harrison says that Antipaedobaptism is to be justly abhorred as false doctrine and proves this to the reader beyond a reasonable doubt. This is not a scan or facsimile; it has been updated in modern English for easy reading and has an active table of contents for electronic versions.     **Infant Baptism and the Covenant of Grace** Paul K. Jewett, 1999

Infant Baptism and the Covenant of Grace Paul King Jewett, 1978     The Biblical Doctrine of Infant Baptism Pierre Marcel, 2000     Infant Baptism and the Silence of the New Testament Bryan Holstrom, 2015-01-24. Since the time of the Reformation, some Christians have argued that the historic church's practice of infant baptism is without proper biblical warrant. The most frequently heard refrain from those in this camp is that because the New Testament contains no explicit command to baptize the infant children of believers, the practice is ultimately based upon an argument from silence. In *Infant Baptism and the Silence of the New Testament*, Bryan Holstrom turns that assertion on its head by demonstrating that far from being an argument against infant baptism, the silence of the New Testament in this regard is actually support for the practice. Moreover, he demonstrates that the New Testament actually has much to say in support of the baptism of infants, albeit in indirect but important ways. The result is a straightforward and non-technical presentation of the biblical case for infant baptism that is designed to help Christians on both sides of the divide better understand the issues involved and appreciate the covenantal basis upon which the Reformed church retained the historic practice.     **The Biblical Doctrine of Infant Baptism** Pierre Ch Marcel, 1953     **Baptism and the Covenant of Grace** Michael Allen Rogers, 2022-08-30. A simple straightforward biblical explanation of why Christian believers should baptize their children. Originally written by a longtime pastor for his congregation, this book connects infant baptism with God's Covenant of Grace.     *Circumcised by Water* William Mann, 2018-08-02. How many times have you thought about your own baptism? If you are one of the many who have been brought up in a church that includes infants, you probably don't even remember the waters running down. In our hurried world, not many stop to question a sacrament performed so long ago. Yet biblically, the sign was meant to signify your personal relationship with the God of the universe. What could be more important than this? At present, we face the reality that the way baptism is practiced has no choice but to portray crucial elements of the cross covenant. Does this arrangement merely offer us salvation, or does it signify our actual participation in the redemptive work of Christ? Down through the centuries, whole denominations have divided sharply over the issue, a situation that still remains with us. But for those caught under the waters, a burning question lingers: where in all of this do I stand with God? On a personal level, if you were unaware of the proceedings on that special day, one might be very surprised to learn how Old Testament circumcision answers this most important question. From its historical origins, spiritual realities, and harsh consequences, the practice of infant baptism must be revealed for what it is and is not. This book serves as a powerful resource for both layman and clergy to take a much

deeper glimpse into the nature of covenant relationships Once inside the reader will come to understand all that has happened to both the Church and the Gospel message ever since infant membership became a cultural norm A comprehensive effort in returning jurisdiction over the baptismal waters back to the priesthood of Christ this work will possess lasting value for anyone who wants to stand upright and true before the King

**Covenantal Dispensationalism** Matthew Stamper, 2010-03-23 Covenantal Dispensationalism reviews the history and development of Covenant Theology and Dispensationalism along the way highlighting the strengths and weaknesses of each hermeneutical system This work illustrates how the two sides have grown apart and seeks to reconcile the two by appealing to common theological concepts the two schools share as well as providing critique where one side has better evidence for a particular point of doctrine

**Infant Baptism of Christ's Appointment** Samuel Petto, 2013-02-28 This work by Samuel Petto is a theological study on baptism demonstrating that infant baptism is of Christ's appointment Petto shows the proof of infant baptism which stems from two arguments the formula that Christ gave to baptize and that infants are visibly in the Covenant He gives solid biblical answers against a variety of objections as well as demonstrating the validity of infant baptism from the biblical Reformed perspective Then he also defends his work against arguments given by a Baptist advocate in his day He explains the biblical concepts of the Covenant of Grace the infants right to the covenant and how objections against these two ideas is biblically unattainable This is a masterful biblical and exegetical work from a renowned covenant theologian This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions

*Infant Baptism and the Covenant of Grace* Jewett Paulk, 1978

**The Doctrine and Practice of Infant Baptism** John Brinsley, C. Matthew McMahon, 2014-11-07 In this masterful work Brinsley demonstrates both the doctrinal and exegetical nature of baptism and the practical side of baptism He says They to whom belongs the kingdom of God who are subjects and members of the kingdom of grace and heirs of the kingdom of glory they have right to this seal of the covenant by which this their interest may be confirmed and sealed up to them Where in this meticulous statement do we find the phrase baptism or infant baptism or for that matter any hint of baptism of any kind This exquisite statement is exactly the same idea that covenant theologians have for centuries biblically demonstrated and expounded upon in order to confirm to the people of Christ's church the nature of the covenant of Christ as well as polemically deter those who would bar young children from the sacrament of baptism Yet this doctrinal statement simply gives the reader all the ammunition needed to defend the Gospel of the covenant of Christ It does this against those who would twist or change such a string of covenant pearls found in the bible which could never be unstrung It is the biblical substance which ushers in a thorough Reformation that only full covenant theologians who are the only thorough Reformers could accomplish for a full exposition of the Bible In reality infant baptism ought to be the last five minutes of a five day conversation of the covenant of God That is the substance of this work and the manner in which Brinsley treats God's covenant and infant inclusion in the Covenant of Grace It would be spiritually

beneficial for the church to consider such a statement in the full orb'd account of God's covenant from Genesis to Revelation This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions      Covenant Holiness and Infant Baptism Thomas Blake,2013-01-27 This work by Blake is a second treatment on covenant theology that was widely circulated during his time outside of his magnum opus work The Covenant of God This book is a combination of two treatises he wrote one concerning the covenant holiness of infants under the ordinance of baptism and a second treatise covering answers to questions surrounding whether there is sufficient ground in scripture to warrant the conscience of a Christian to present his infants to the sacrament of baptism Both are excellent Scriptural treatments of the subject with exegesis surrounding passages such as Galatians 2 15 Genesis 17 1 Corinthians 7 and Ephesians 4 1 3 This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions      The Covenant of Grace and Infant-baptism William Masselink,19??      **The Covenant of Grace Opened** Thomas Hooker,2013-06-12 In this powerful treatise on the covenant of grace Hooker teaches from Genesis 17 23 And Abraham took Ishmael his son and all that were born in his house and circumcised the flesh of their foreskin as God had said unto him He covers 1 What the Covenant of Grace is 2 What the seals of the covenant are and 3 Who the parties and subjects are fit to receive these seals From all these particulars he shows how infant baptism is fully proved and vindicated His explanation is poignant clear practical and eminently biblical He shows what the covenant of grace is the spiritual efficacy of the covenant who are those capable of being in covenant with God the operation of the spirit the importance of federal holiness lawful administration of the covenant seals and he even takes time to refute Anabaptism His section on federal holiness is worth the cost of this volume alone This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions      **Of Infant Baptism and Dipping. MS. notes [by Henry Birch].** John OWEN (D.D.),1839      Adult Baptism and the Salvation of All who Die in Infancy Maintained Isaiah Birt,1821      **Hereditary Claims to the Covenant of Grace, Considered and Rejected ...** Charles Stovel,1842

### **Infant Baptism And The Covenant Of Grace Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Infant Baptism And The Covenant Of Grace has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Infant Baptism And The Covenant Of Grace has opened up a world of possibilities. Downloading Infant Baptism And The Covenant Of Grace provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Infant Baptism And The Covenant Of Grace has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Infant Baptism And The Covenant Of Grace. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Infant Baptism And The Covenant Of Grace. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Infant Baptism And The Covenant Of Grace, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Infant Baptism And The Covenant Of Grace has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Infant Baptism And The Covenant Of Grace Books

1. Where can I buy Infant Baptism And The Covenant Of Grace books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Infant Baptism And The Covenant Of Grace book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Infant Baptism And The Covenant Of Grace books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Infant Baptism And The Covenant Of Grace audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Infant Baptism And The Covenant Of Grace books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
