Innocent Blood Challenging The Powers Of Death With The Gospel Of Life:

Innocent Blood John Ensor, 2011-09 The gospel of Christ is the gospel of life and the Christian's defining reality Yet the shedding of innocent blood primarily through abortion has now marked an entire generation *Innocent Blood* explores a series of questions so as to reveal vital connections between the gospel and the call to defend the unborn These questions include What does the Bible mean when it says that life is in the blood What does the Bible say about blood guilt How is it that we are all stained by it and accountable for it even though few of us have taken a human life What remedy does God provide for the guilt of shedding innocent blood What are we to do when confronted with the shedding of innocent blood and where does our courage to take action come from What is the link between protecting the innocent and proclaiming good news to the guilty Not a book on social issues per se nor a book on missions *Innocent Blood* integrates the two and calls us to courageously challenge the powers of death with the gospel of life

Education Or Imitation Curtis Allen, 2012 To interpret Scripture rightly imitate Jesus The earthly ministry of Jesus was all about rightly interpreting and applying God's Word We can do the same No special training required In fact right interpretation of Scripture followed by right application is the primary way that Christians are to be like God This is not an issue of education It's an issue of imitation The example of Jesus' life shows us how

Who Am I? Jerry Bridges, 2012-03-15 Best selling author Jerry Bridges' *The Pursuit of Holiness The Discipline of Grace The Bookends of the Christian Life* and many other books asks perhaps the most fundamental question of existence Who am I He then turns to Scripture to unpack for the Christian eight clear interlocking illuminating answers I Am a Creature I Am in Christ I Am Justified I Am an Adopted Son of God I Am a New Creation I Am a Saint I Am a Servant of Jesus Christ I Am Not Yet Perfect A direct honest presentation of biblical truth and all new material from Jerry Bridges' *Who Am I?* demonstrates for believers that they can and should rightfully claim for themselves an unshakeable lifelong personal foundation of confidence in one thing and one thing alone the gospel of a victorious resurrected Savior

Friends and Lovers Joel R. Beeke, 2012-02 Marriage aims at the glory of God through intimate companionship God meant husband and wife to walk together talk together work together and sleep together As the Puritans said God did not make the woman out of man's head to control him or out of his feet for him to trample on her but out of his side to be embraced near to his heart Here is a book of practical encouragements for two key aspects of marriage companionship and sex Dr Joel Beeke draws upon the wisdom of the Holy Scriptures and over three decades of pastoral ministry to present a dozen practical principles for fanning into flame the fire of love between husband and wife The Bible has a higher aim than a satisfying marriage namely glorying in God forever Marriage will one day be done made obsolete by the magnificent relationship between Christ and His people Even now marriage is neither the chief purpose nor the highest joy of man But the Scriptures do call wedded people to glorify God here and now through their marriages Dr Beeke's book aims to assist them in this In Part I *Friends* the book explores the meaning cultivation and threats to friendship in marriage Friendship is that personal bond of shared life that brings people together in

delightful harmony It is rooted God's created order of making men and women in His image We broke this harmonious order when our first parents sinned against God simultaneously turning against each other But Christ is the great peacemaker and friendship restorer Cultivating friendship with your spouse is hard work but profoundly rewarding It revolves around sharing life together The book gives guidance in how to share yourself with your spouse through the gifts of time discussing decisions listening to each other's feelings talking about how God is at work in your lives praying together building trust laughing together giving thanks pleasing your spouse and finding shared interests It also walks the reader through the minefields of giving and receiving correction honoring in laws having balanced friendship with others and supporting one another in crises Above all we must remember that our most important friendship is with our Lord Jesus Christ who alone can walk with us through life death and eternity In Part II Lovers Dr Beeke sets forth several ways in which the gospel energizes married Christians to enjoy sex in holy delight The words gospel sex and holy may not seem to go together This book shows that in reality sexual love between husband and wife is both a holy duty pleasing to God and blessed privilege empowered by Christ's grace Rather than splitting our lives into different compartments such as sex and religion God calls us to respond to Christ's mercies by offering our whole existence to Him as a living sacrifice The Bible teaches us doctrines like the image of God in man the creation mandate God laid upon the human race the moral law for marriage forgiveness of sins by faith in Christ sanctification by divine grace Christ's call to take up our cross adoption by God and turning from idols to give thanks to God All these doctrines have massive implications for our sexual relationship with our spouses However these doctrines must do more than sit in our minds they must sink into our hearts In Reformed experiential fashion Dr Beeke leads the reader to know believe feel and act based upon God's Word applied by God's Spirit

Answering the Call John Ensor, 2021-04-18 A life affirming message for those who counsel couples facing an unplanned pregnancy Encouraging readers to reach out with compassion and sensitivity Ensor offers updated scientific knowledge practical applications and theological insights to help you gently guide women to choose life and prospective fathers to protect and provide for their children especially those in the womb

Stand for Life John Ensor, Scott Klusendorf, 2022-05-03 Of the 1.2 million abortions performed annually in the U.S. more than 500,000 are performed on college-aged women They make up 44% of all abortions in the country So it is not surprising that there is a large thriving network of pro-life groups on college campuses These groups serve to advocate for pro-life and educate other young people about the physical emotional psychological and spiritual effects that abortion has on women While there are online guides and booklets on the topic there are currently very few if any books that are specifically geared for use by young advocates for this cause Now there is *Stand for Life* a manual that addresses tough questions in a format that is concise and straightforward Topics include Defending your pro-life views in five minutes or less Understanding the sanctity of human life Simplifying the abortion debate Developing a Christian response to abortion Debate keeping cool under fire Q&As about such thorny issues as unsafe abortions abortion when mothers' lives are at risk my body my choice and

more **Abolishing Abortion** Frank Pavone,2015-08-18 The struggle against abortion in our nation has been going on a long time Sometimes it seems like an evil that will never go away People want to get involved in the fight but it feels futile and increasingly the culture tells Christians to stay out of politics Longtime activist Rev Frank Pavone counters this frustrated mindset with challenge encouragement plain facts and a healthy dose of strategy He explores biblical moral historical and legal reasons Christians belong in the public square and challenges both churches and individual Christians to full engagement Pavone argues convincingly that the battle against abortion not only can be won but must be won The soul of our nation depends on it *Awaiting a Savior* Aaron Armstrong,2011-10 Where does poverty come from What am I supposed to do about it These questions are driving a new generation of Christians to take action on behalf of the poor through social and political action global partnerships and financial generosity as they desire to become the generation that ends poverty forever But in pursuit of this goal they risk losing sight of a fundamental reality the root cause of poverty isn't found in material or external circumstances The root cause of poverty is sin and sin is not a problem we can solve But Jesus can In *Awaiting a Savior* Aaron Armstrong reminds readers that even as we are responsible for pursuing biblical solutions to poverty our hope for truly resolving it comes not from the good we do but from the return of Christ who will once and for all put an end to sin suffering and death as he brings about the new creation Life, Marriage, and Religious Liberty David S. Dockery ,John Stonestreet,2019-06-04 Ten years after over half a million Christians signed their names to a statement of conscience clarifying where they stood the three issues dealt with in the Manhattan Declaration are of more cultural importance than ever The main difference now as opposed to then is the state has since claimed authority not only over life but also over marriage and religious liberty In *Life Marriage and Religious Liberty* Christian scholars and authors writing from various Evangelical Protestant Orthodox and Catholic traditions evaluate the current cultural landscape and update the Manhattan Declaration call to Christian conviction Healing His Wounded Church John Black,2004-08 *Healing His Wounded Church* exposes the roots of the problems in the Catholic Church and brings fresh thinking to bear for laying the axe to those roots It is plainspoken authentically Catholic and rich in content Having a vision of healing come from the spiritual journey of a common layman provides new and innovative thinking It serves a pressing need in today's Church Couples have been led into sinful practices in their marriages Two generations no longer know their Faith Few understand the spiritual life and how to pray This formation is presented with practical simplicity for clergy and lay apostles as well as for couples and families It leans heavily on John Paul II's Theology of The Body and teachings on family and spiritual life There are several deeply personal surprises included which are an inspiration According to the author Catholic Culture has run aground and must rise from the ashes of Pagan Modernism spawned in a camp of death The book calls for fidelity to Christ and to the teachings of his Church Only the salve of Truth will Heal His Wounded Church setting us free from sin and error Herald of Gospel Liberty ,1908 **The Gospel Truth** Clinton Bezan,2023-01-05 Where does a new believer turn to

find truth The Christian narrative today has morphed into a fluid and philosophical commentary centered around social injustices and motivational messages that rarely align with the gospel that Jesus preached Sin is ignored and repentance is avoided by those who over exaggerate grace and diminish the holiness of God by suggesting he accepts us whether we are faithful to him or not In a knee jerk response to the strict religious shackles of the early church many of today s preachers bask in the hyper sensitivity that accompanies the cancel culture that proclaims it will not be judged In The Gospel Truth Bezan has endeavored to dissect prominent Christian religious denominations in order to expose their internal theologies and scrutinize the details of their doctrine under the litmus test of scripture He offers legitimate discernment to differentiate between truth and almost truth and conveys an intelligible recognition of the genuine vs the counterfeit in a detailed and comprehensive assessment that leaves the reader judiciously satisfied We have an opportunity in this life to sincerely contemplate the things of God We are provided with a window in time to question the hidden mysteries of scripture and truly discover who God is The good news is that God has provided a path to salvation through Jesus Christ and the gospel contains the truths that solve the mysteries that have eluded men for millennia *Herald of Gospel Liberty* Elias Smith,1908
