Innocent Bystanders Developing Countries And The War On Drugs:

Innocent Bystanders Philip Keefer, Norman Loayza, 2010-03-24 This book presents evidence that drug policies impose high costs on poor transit and producer countries It argues that in the face of great uncertainty about the benefits of alternative drug policies those with lower social costs should receive greater emphasis **Research Handbook on**

International Drug Policy David R. Bewley-Taylor, Khalid Tinasti, 2020-09-25 Analysing arguably one of the most controversial areas in public policy this pioneering Research Handbook brings together contributions from expert researchers to provide a global overview of the shifting dynamics of drug policy Emphasising connections between the domestic and the international contributors illustrate the intersections between drug policy human rights obligations and the 2030 Sustainable Development Agenda offering an insightful analysis of the regional dynamics of drug control and the contemporary and emerging problems it is facing *Africa and the War on Drugs* Neil Carrier, Gernot

Klantschnig, 2012-10-11 Nigerian drug lords in UK prisons khat chewing Somali pirates hijacking Western ships crystal meth smoking gangs controlling South Africa's streets and narco traffickers corrupting the state in Guinea Bissau these are some of the vivid images surrounding drugs in Africa which have alarmed policymakers academics and the general public in recent years In this revealing and original book the authors weave these aspects into a provocative argument about Africa's role in the global trade and control of drugs In doing so they show how foreign inspired policies have failed to help African drug users but have strengthened the role of corrupt and brutal law enforcement officers who are tasked with halting the export of heroin and cocaine to European and American consumer markets A vital book on an overlooked front of the so called war on drugs **Suppressing Illicit Opium Production** James Windle, 2016-02-03 Conventional analysis of the illicit opium

market suggests that source country interventions have at best achieved minimal results Yet there are countries that have eliminated or significantly reduced the illicit production of opium from their territory Drawing on a wide range of academic official and non governmental sources including previously unidentified records James Windle provides detailed narratives of countries that have achieved national success including China Iran Turkey the People's Republic of China the Islamic Republic of Iran Thailand Pakistan Vietnam and Laos and identifies key factors necessary for successful intervention Suppressing Illicit Opium Production makes a valuable contribution to our scarce knowledge of source country drug policy and draws out important lessons to be learned for improving the effectiveness of future interventions It will be essential reference for all practitioners policy makers and academics concerned with a subject of significant contemporary relevance

Militarised Responses to Transnational Organised Crime Tuesday Reitano, Sasha Jespersen, Lucia Bird Ruiz-Benitez de Lugo, 2017-10-06 This edited volume examines the use of militarised responses to different forms of criminal activity discussing the outcomes and unintended consequences Politicians and policymakers frequently use militarised responses to look tough on crime The deployment of armies navies military assets and militarised approaches can send a powerful

message but have produced mixed results While they generate the perception that governments are actively engaged on issues of concern to the public and in some cases have resulted in notable successes on the downside they have frequently also increased the loss of life exacerbated the humanitarian consequences of a particular crime and entrenched divides between security and state institutions and the criminal proponents narrowing the possibilities for future negotiated solutions By focusing on four different areas of criminality wildlife crime piracy migration and drug trafficking the book allows context and evidence based conclusions to be drawn on the strategic value and commonality of responses and their outcomes

A State Built on Sand David Mansfield,2016-05-01 Mansfield s book examines why drug control particularly opium bans have been imposed in Afghanistan he documents the actors involved and he scrutinizes how prohibition served divergent and competing interests Above all this book challenges how we have come to understand political power in rural Afghanistan

World War-D Jeffrey Dhywood,2011-10-24 World War D revolves around the simple but fundamental question Can organized societies do a better job than organized crime of managing and controlling psychoactive substances Jeffrey Dhywood obviously thinks they can and explains why and how World War D clearly demonstrates that prohibition is the worst possible form of control The so called controlled substances are effectively controlled by the underworld at a staggering and ever growing human social economic and geopolitical cost to the world World War D lays out a concrete pragmatic and realistic roadmap to global re legalization under a multi tiered legalize tax control prevent treat and educate regime with practical and efficient mechanisms to manage and minimize societal costs

Global Health Watch 5 Bloomsbury Publishing,2017-12-15 For over a decade Global Health Watch has been the definitive source for alternative analysis on health This new edition addresses the key challenges facing governments and health practitioners today within the context of rapid shifts in global governance mechanisms and the UN s Sustainable Development Goals Like its predecessors it challenges conventional wisdom while pioneering innovative new approaches to the field Collaboratively written by academics and activists drawn from a variety of movements research institutions and civil society groups it covers some of the most pressing issues in world health from the resurgence of epidemic diseases such as Ebola to the crisis in the WHO climate change and the war on drugs Combining rigorous analysis with practical policy suggestions Global Health Watch 5 offers an accessible and compelling case for a radical new approach to health and healthcare across the world

Drug Policies and the Politics of Drugs in the Americas Beatriz Caiuby Labate,Clancy Cavnar,Thiago Rodrigues,2016-07-30 This book is a collection of studies of drug policies in several Latin American countries The chapters analyze the specific histories of drug policies in each country as well as related phenomena and case studies throughout the region It presents conceptual reflections on the origins of prohibition and the War on Drugs including the topic of human rights and cognitive freedom Further the collection reflects on the pioneering role of some Latin American countries in changing paradigms of international drug policy Each case study provides an analysis of where each state is now in terms of

policy reform within the context of its history and current socio political circumstances Concurrently local movements initiatives and backlash against the reformist debate within the hemisphere are examined The recent changes regarding the regulation of marijuana in the United States and their possible impact on Latin America are also addressed This work is an important up to date and well researched reference for all who are interested in drug policy from a Latin American perspective

World War-D - Ebook version Jeffrey Dhywood,2011-10-24 World War D revolves around the simple but fundamental question Can organized societies do a better job than organized crime of managing and controlling psychoactive substances Jeffrey Dhywood obviously thinks they can and explains why and how World War D clearly demonstrates that prohibition is the worst possible form of control The so called controlled substances are effectively controlled by the underworld at a staggering and ever growing human social economic and geopolitical cost to the world World War D lays out a concrete pragmatic and realistic roadmap to global re legalization under a multi tiered legalize tax control prevent treat and educate regime with practical and efficient mechanisms to manage and minimize societal costs

The Informal Regulation of Criminal Markets in Latin America Hernán Flom,2022-08-25 This book explains how states informally regulate drug markets in Latin America It shows how and why state actors specifically police and politicians confront negotiate with or protect drug dealers to extract illicit rents or prevent criminal violence The book highlights how in countries with weak institutions police act as interlocutors between criminals and politicians It shows that whether and how politicians control their police forces explains the prevalence of different informal regulatory arrangements to control drug markets Using detailed case studies built on 180 interviews in four cities in Argentina and Brazil the book reconstructs how these informal regulatory arrangements emerged and changed over time

Drug Policies and Development ,2020-08-31 The 12th volume of International Development Policy explores the relationship between international drug policy and development goals both current and within a historical perspective Contributions address the drugs and development nexus from a range of critical viewpoints highlighting gaps and contradictions as well as exploring strategies and opportunities for enhanced linkages between drug control and development programming Criminalisation and coercive law enforcement based responses in international and national level drug control are shown to undermine peace security and development objectives Contributors include Kenza Afsahi Damon Barrett David Bewley Taylor Daniel Brombacher Julia Buxton Mary Chinery Hesse John Collins Joanne Csete Sarah David Ann Fordham Corina Giacomello Martin Jelsma Sylvia Kay Diederik Lohman David Mansfield Jos Ramos Horta Tuesday Reitano Andrew Scheibe Shaun Shelly Khalid Tinasti and Anna Versfeld

Shared Prosperity and Poverty Eradication in Latin America and the Caribbean Louise Cord,MarÃa Genoni,Carlos RodrÃguez-CastelÃn,2015-06-18 Over the last decade Latin America and the Caribbean region has achieved important progress towards the World Bank Group s goals of eradicating extreme poverty and boosting income growth of the bottom 40 percent propelled by remarkable economic growth and falling income inequality Despite this impressive performance social

progress has not been uniform over this period and certain countries subregions and even socioeconomic groups participated less in the growth process As of today more than 75 million people still live in extreme poverty in the region using 2 50 day capita half of them in Brazil and Mexico and extreme poverty rates top 40 percent in Guatemala and reach nearly 60 percent in Haiti This means that extreme poverty is still an important issue in both low and middle income countries in the region As growth wanes and progress in reducing the still high levels of inequality in the region slows it will be more important than ever for governments to focus policies on inclusive growth The book includes an overview that highlights progress towards the goals of poverty eradication and shared prosperity between 2003 and 2012 unpacks recent gains at the household level using an income based asset model and examines some of the policy levers used to affect social outcomes in the region It draws on 13 country studies eight of which are featured in this volume Argentina Brazil Colombia El Salvador Mexico Paraguay Peru and Uruguay The other case studies include Bolivia Chile Dominican Republic Ecuador and Honduras which will be included in the web version of the book

Run for the Border Steven W. Bender, 2012-05-13 Mexico and the United States exist in a symbiotic relationship Mexico frequently provides the United States with cheap labor illegal goods and for criminal offenders a refuge from the law In turn the U S offers Mexican laborers the American dream the possibility of a better livelihood through hard work To supply each other s demands Americans and Mexicans have to cross their shared border from both sides Despite this relationship U S immigration reform debates tend to be security focused and center on the idea of menacing Mexicans heading north to steal abundant American resources Further Congress tends to approach reform unilaterally without engaging with Mexico or other feeder countries and disturbingly without acknowledging problematic southern crossings that Americans routinely make into Mexico In *Run for the Border* Steven W Bender offers a framework for a more comprehensive border policy through a historical analysis of border crossings both Mexico to U S and U S to Mexico In contrast to recent reform proposals this book urges reform as the product of negotiation and implementation by cross border accord reform that honors the shared economic and cultural legacy of the U S and Mexico Covering everything from the history of Anglo crossings into Mexico to escape law authorities to vice tourism and retirement in Mexico to today s focus on Mexican border crossing immigrants and drug traffickers Bender takes lessons from the past 150 years to argue for more explicit and compassionate cross border cooperation Steeped in several disciplines *Run for the Border* is a blend of historical cultural and legal perspectives as well as those from literature and cinema that reflect Bender s cultural background and legal expertise

Routledge Handbook of South Asian Criminology K. Jaishankar, 2019-08-01 Although the literature and cultural practices of the South Asian region demonstrate a rich understanding of criminology this handbook is the first to focus on crime criminal justice and victimization in Afghanistan Bangladesh Bhutan India Maldives Nepal Pakistan and Sri Lanka South Asia s rapid growth in population and economy continues to introduce transformations in social behaviors including those related to criminality and victimization Readers of this handbook will gain a comprehensive

look at criminology criminal justice and victimology in the South Asian region including processes historical perspectives politics policies and victimization This collection of chapters penned by scholars from all eight of the South Asian nations as well as the US UK Australia and Belgium will advance the study and practice of criminology in the South Asian region and carry implications for other regions The Routledge Handbook of South Asian Criminology provides a wealth of information on criminological issues and their effect on the countries and governments efforts to mitigate them It is essential reading for students and scholars of South Asian criminology criminal justice and politics *Encyclopedia of Social Deviance* Craig J. Forsyth,Heith Copes,2014-01-21 Social deviance any behavior that violates a cultural norm can involve something as major as crime or as minor as consistently and deliberately wearing lively mismatched socks Whether a crime a sin or simply unique taste what s considered deviant at one time and place can change as when extensive tattooing and body art evolved from a sideshow carnival spectacle to a nearly universal rite of passage within U S culture Drawing contributions from across the social and behavioral sciences including sociology anthropology criminology politics psychology and religion the Encyclopedia of Social Deviance introduces readers to the lively field of rule making and rebellion that strikes at the core of what it means to be an individual living in a social world Key Features More than 300 articles authored by key figures in the field are organized A to Z in two volumes Each article concludes with cross references to related entries and further readings A thematic Reader s Guide groups related articles by broad areas e g Concepts Theories Research Methodologies Individual Deviance Organizational Deviance etc as one handy search feature on the e Reference platform which also includes a comprehensive index of search terms Available in both electronic and print formats this two volume A to Z encyclopedia set is a must have resource for students and researchers who seek to understand social deviance Key Themes Crime Property Crime Sex Crime Violent Crime White Collar Corporate Defining Deviance Deviance in Social Institutions Deviant Subcultures Discrimination Drug Use and Abuse Marriage and Family Deviance Measuring Deviance Mental and Physical Disabilities Methodology for Studying Deviance Self Destructive Deviance Sexual Deviance Social and Political Protest Social Control and Deviance Studying Deviant Subcultures Technology and Deviance Theories of Deviance Macro Theories of Deviance Micro Transitional Deviance **The Oxford Handbook of Global Drug History** Paul Gootenberg,2022 This landmark collection of essays by thirty five historians working on a global scale brings together the latest knowledge and perspectives about the long origins and transformations of today s illicit drugs such as cannabis heroin and cocaine **The Politics of Narcotic Drugs** Julia Buxton,2011-04-06 The Politics of Narcotic Drugs brings together leading experts on the drugs trade to provide an accessible yet detailed analysis of the multiple challenges that the contemporary trade in narcotic drugs and its prohibition pose from the local to the international community Through the use of country and regional case studies that include Afghanistan Mexico Colombia and the Middle East the drivers of the drugs trade and the security and development dilemmas created by the prohibition of narcotic substances are explored Contributions that assess the

international drug control regime British anti drug enforcement organizations narcoterrorism and options for drug policy reform engage readers in current debates and the narrative frameworks that shape discussion of the drugs issue The book is an invaluable guide to the dynamic and far reaching issue of narcotic drugs and the impact of their prohibition on our countries and communities The chapters are followed by an A Z glossary of key terms issues and organizations and a section of maps and statistics

The Politics of Drugs Susanne MacGregor, 2017-07-19 This book explores the complexities of drugs policy in Britain contradicting the over simplified representation found in the public sphere It focuses on developments in Britain since the Misuse of Drugs Act of 1971 covering debates at national level and local experiences set in international and European context emphasizing the interconnectivity between people and countries in this global age Several institutions and networks are examined to illustrate how they shape the policy process as vessels for ideas and interests and as spaces for individual action MacGregor discusses arguments around drug policy reform in particular the role of politicians the media and advocacy organizations Her aim is to encourage a more open and intelligent conversation on drugs policy and to question whether the institutional architecture in place is fit for purpose given the great increase of substances available and the underlying variety of conditions and interests currently competing for attention and resources The is a must read for all scholars of Politics Medicine and Social Science interested in the current debate raging around British Drug Policy

Medieval and Modern Civil Wars, 2021-08-16 Most medieval historians have explained the civil wars in Scandinavia in the 12th and 13th centuries as internal conflicts within a predominantly national and implicitly state centered politico constitutional framework This book argues that the conflicts during this period should be viewed as less disruptive less internal and less state centered than in previous research It does so through six articles comparing the civil wars in Scandinavia with civil wars in Afghanistan and Guinea Bissau in the last decades applying theories and perspectives from anthropology and political science Finally four articles discuss civil wars in a broader perspective Contributors are Ebrahim Afsah Gerd Althoff Jenny Benham John Comaroff Hans Jacob Orning Frederik Ros n J n Vi ar Sigur sson Henrik Vigh Helle Vogt Stephen D White and yvind sterud
