Jeremy Taylor, 1807 **Prayer in John's Farewell Discourse** Scott Adams, 2020-03-12 It was reported that a doctoral student at Princeton once asked Albert Einstein What is there left in the world for original dissertation research He replied by saying Find out about prayer Somebody must find out about prayer Since Einstein s day a great deal has been written on the topic of prayer in general However relatively little has been written about prayer in John s Farewell Discourse in particular Therefore this analysis not only seeks to understand the relationship between Johannine and Jewish Greco Roman and Christian prayer traditions but also seeks to discern the unique function and application of prayer as it is prescribed in the Farewell Discourse Miscellany Saint Alphonsus de Liguori, Aeterna Press, Whoever enters the novitiate enters the service of the King of heaven who is accustomed to try the fidelity of those he accepts as his servants by crosses and temptations with which he allows hell to assail them Thus it was said to Tobias And because thou wast agreeable to God it was necessary that temptation should prove thee And the Holy Ghost says to each one who leaves the world to give himself to God Son when thou comest to the service of God prepare thy soul for temptation So then the novice on entering the house of God ought to prepare himself not for consolations but for temptations and combats with which hell assails those who give themselves to God **Beholding Violence in Medieval and Early Modern Europe** Allie Terry-Fritsch, Erin Felicia Labbie, 2012 Interrogating how medieval and early modern communities have acted as participants observers and interpreters of events and how they ascribed meaning to them the essays in this collection explore the experience of

[A Nonviolent Theology of Love](#) Sharon L. Baker Putt, 2021-02-02 The impetus behind the ease with which the church has periodically justified violent behavior lies in its conceptual image of God as a violent deity This book emerges out of a passion to think differently albeit biblically about the character of God and articulates a theological construction of a nonviolent God an alternative to any image of God that seems to condone human violence It calls the church to rethink theology as something other than what might be termed redemptive violence and encourages Christians to reinterpret Scripture and traditional theological beliefs in ways that are more faithful to the God disclosed in Jesus of Nazareth Students of theology need a fresh glimpse of the love mercy and redemptive power of God through Jesus As it follows the structure of the Apostles Creed through the various theological topics this book reminds Christians to share in God s desires for peace and love and to recommit themselves to the call of God to be ministers of reconciliation and lovers of both neighbors and enemies even while at times responding to violence with nonviolent resistance
