Its All About Light 2016:

Clark Hulings and the Art of Work James D. Balestrieri, 2024-11-01 This book is a backpack manifesto It tells the story of a realist painter at a time when realism was not in vogue If you know Clark Hulings 1922 2011 this book presents him anew highlighting the beauty of his paintings and the thought and empathy behind them If you re new to Hulings this book introduces you to a working artist whose subject was work agricultural village and market work daily life in ancient places grappling with modernity in unique ways For artists this book will invigorate your practice as it discusses the education and process of a painter whose effort and work ethic took him to the summit of realist technique For the art historian this book secures Hulings s place in the continuum of European and American realism as portrait painter illustrator and fine artist and in light of key aspects of modernism that he adapted to his art

When It All Burns Jordan Thomas, 2025-05-27 2025 NATIONAL BOOK AWARD FINALIST Exceptional When It All Burns is one of those books that immerses the reader in the nuances of a world most of us know only through the lens of tragedy and destruction Thomas visceral crystalline prose only adds fuel to the fire Los Angeles Times A hotshot firefighter s gripping firsthand account of a record setting fire season Eighteen of California s largest wildfires on record have burned in the past two decades Scientists recently invented the term megafire to describe wildfires that behave in ways that would have been nearly impossible just a generation ago burning through winter exploding in the night and devastating landscapes historically impervious to incendiary destruction In When It All Burns wildland firefighter and anthropologist Jordan Thomas recounts a single brutal six month fire season with the Los Padres Hotshots the special forces of America s firefighters Being a hotshot is among the most difficult jobs on earth Thomas viscerally renders his crew s attempts to battle flames that are often too destructive to contain He uncovers the hidden cultural history of megafires revealing how humanity s symbiotic relationship with wildfire became a war and what can be done to change it back Thomas weaves ecology and the history of Indigenous peoples oppression federal forestry and the growth of the fire industrial complex into a riveting narrative about a new phase in the climate crisis It s an immersive story of community in the most perilous of circumstances told with humor humility and affection

Transfigurations John Kadela Ph.D., 2018-09-19 These books are about listening It addresses the wisdom already within you It was there before you were born and it will be there after you leave It is beyond the distractions of the body conflicts with the emotions and the contradictions of the mind It is about who you are and listening to who you are It is to help you find your own direct knowledge with your energy and the truth in creating abundance and balance in your life It is about the stillness of your soul and all its inner harmonies which are your spiritual expression It brings forth your innocence truth blessings miracles consecration grace and living love You are a creative being whose keys to emergence lies deep within This emergence is beyond space and time and it plays as your inner verse You are poetry of being It is time for you to claim it and to love yourself and all the other sources within you It is your soul awareness

Behind it All Lesley Achilles, 2020-10-20 That call

that was everything and nothing A call that ripped gravity out from under me He had died Nothing prepares you for that call but you take it anyway I hate that call and wish time and time again that the call could be taken back But it's done and that bell that horrible loud gonging bell will never be unrung I am about to share the darkest time of my life with you What you are going to read is my most intimate thoughts during an exceptionally vulnerable time A time in which I had my first taste of loss Death Heartbreak The stuff movies are made of By no measure am I a writer but in putting words out there I found release

Leadership, Popular Culture and Social Change Kristin M.S. Bezio, Kimberly Yost, 2018-01-26 The newest generation of leaders was raised on a steady diet of popular culture artifacts mediated through technology such as film television and online gaming As technology expands access to cultural production popular culture continues to play an important role as an egalitarian vehicle for promoting ideological dissent and social change The chapters in this book examine works and creators of popular culture from literature to film and music to digital culture in order to address the ways in which popular culture shapes and is shaped by leaders around the globe as they strive to change their social systems for the better
