Its All B S Kid Dont Worry About It:

Who Cares What You Think? It's All BS Anyway! James Sibley,2021-02-10 We all create stories to explain what we experience Every shared experience is not necessarily equally shared The stories we create about our experiences are uniquely our own So what follows is a little flavor of what s contained within In the beginning sensations were scattered like seeds Selectively planting thoughts that reflected our needs These thoughts organically blossomed and grew Subtly taking root in our evolving point of view Interest and focused meditation caused us to think Creating ever more imaginative and complex links These mental links eventually formed the foundation For the beliefs that would drive future story creation Fertile minds became active laboratories Quickly transforming thoughts into elaborate stories Thoughts and preferences became the proverbial clay Molding and shaping each story in a very special way Biases became silent contributors to story creation Leading us to share less fact and more interpretation Soon it didn t matter whether stories were true Only that they had personal value to you When later we revisit the stories we created We find some are still fresh and others outdated But no matter what we feel or others might say The reality remains that it s all BS anyway The end 100 **Children of The Fire** Marcus Shields,2015-02-14 Children of The Fire Book 4 final volume of The Angel Brings Fire series As her two adopted families of friends and acquaintances fight an unequal last ditch battle for survival deep underground in a distant secret prison facility Kar in Mayr ij streaks across America s skies recruiting a new group of super human followers along the way She s desperate to rescue her loved ones but distractions like street gangsters rogue nuclear weapons double crossing Presidents and the U S Air Force have a bad habit of getting in the way Time s running out on all fronts especially for the United States of 2040 which risks annihilation at the hands of an angry guilt ridden Angel *PEOPLE 15 Seasons of The Voice* The Editors of PEOPLE,2018-09-28 PEOPLE Magazine presents PEOPLE 15 Seasons of The Voice *May Day Murder* Jennifer David Hesse,2019-03-26 Spring is in the air but for Edindale Illinois attorney Keli Milanni murder is the only thing blooming Keli s looking forward to Beltane the time honored Wiccan holiday that celebrates life with feasting ceremonial dancing and ancient Celtic rituals But since recently leaving her law firm and opening her own practice Keli has more on her plate than simple abundance Still she always has time for a friend Erik a Druid from a neighboring town has had a run of bad luck he blames on a curse cast by his ex girlfriend Denise a practicing witch whose expertise in the dark arts can t save her from her own deadly end When Keli finds herself a person of interest in the investigation she begins to wonder if she herself might be cursed With a little help from her friends including her devoted boyfriend Wes Keli aims to find out who poisoned Denise What she uncovers is a witch s brew of spells hexes and black magic that raises questions about her own Wiccan worldview As the community gathers for the May Day festivities it s up to Keli to stop a killer from springing ahead to another murder Praise for the Wiccan Wheel Mysteries A perfect read Library Journal on Yuletide Homicide Enjoyable A wintry woodsy setting Kirkus Reviews on Bell Book Candlemas A good atmospheric read for fall Parkersburg News Sentinel
