yourself I can't do this Or are you confused on how to begin Or are you someone who makes a New Year's resolution to get fit and drops out after a while Don't get bogged down This book is meant just for you because the pre-requisite of getting fit and leading a healthy lifestyle has got nothing to do with what you do but it's got everything to do with what's in your mind In this book you will go through the FOUR STAGES to a complete health transformation and help you formulate your own fitness blueprint to easily make fitness a part of the minutiae of your everyday life The 4 stages are Stage 1 Setting your Identity Blueprint that will help you get the right mindset in place Stage 2 Lock n load your mental arsenal that will give you tools to keep you mentally fit Stage 3 Unlock Yourself here you will get to know how to take charge of your life by gaining control of your excuses habits and dreams Stage 4 Get down to brass tacks this is the real deal to get you physically fit As there is a frantic rush to get fit by sporting six pack abs this book nudges that notion aside and focuses on the long term benefits of having the right mindset and consciously working towards a healthy lifestyle *It's Not about the Bike* Lance
