authorities at the time and others were named by later researchers The truth about them and the reasons why they came under suspicion is often lost in a plethora of opinions and misinformation For the first time this book presents the evidence against 333 suspects They include the publican who painted his dog the first woman sentenced to the electric chair the writer of the Red Flag the man with a thousand convictions Britain's oldest Prime Minister and many others People from all walks of nineteenth century life representing many different nationalities and professions United by a link however tenuous to the most famous murderer in history

of the authors Whether you are new to the mystery of Jack the Ripper or an experienced Ripperologist The Complete Jack the Ripper A Z will keep you turning the pages Fascinating and entertaining reading in its own right it is the essential reference to have beside you when you venture into the dark alleys of Victorian Whitechapel *Jack the Ripper?* Philip Jones,2023-01-06 Readers are transported to Victorian London and introduced to Inspector Doyle a modern day detective with eternal life who discovers that he has been wrongly named as Jack the Ripper the Victorian serial killer Nobody wants that label at any time in history so with the aid of time travel he returns to the year 1888 in an attempt to clear his name Another complication for Inspector Doyle is that his modern day daughter Flora who he has left behind to travel back several centuries is becoming increasingly suspicious of her father s identity This is after making her way into his Shrewsbury study that she is forbidden to enter The only good thing about returning to 1888 is that Inspector Doyle is able to rekindle his relationship with daughter Alice and wife Eleanor who he had to leave behind all those centuries ago Alice can then only but marvel at her father s abilities to answer a question that only he knows the answer to because he has travelled into the future and back The story references many Victorian objects that have been meticulously researched and then used to tell a story that is only possible through time travel and a rather clever inventor who may or may not be still alive Many elements of the original Jack the Ripper case are also detailed as are the horrors of Whitechapel Find out whether Inspector Doyle manages to clear his name by discovering who the real Jack the Ripper is and expect a twist at the end that involves both daughters and a Victorian book that unlike the rest of Inspector Doyle s objects is unable to exist in parallel between the two time zones

Jack the Ripper Gavin Baddeley,2022-06-13 Five brutal murders shocked London in the summer and autumn of 1888 They have never been forgotten The Jack the Ripper case has never been solved the killer remains a blood spattered silhouette Although Jack as an entity was almost certainly invented by an unscrupulous journalist he became an archetype decked in the top hat and cloak of a Victorian melodrama villain stalking the fog wreathed streets of the old East End The numerous Ripper theories which emerged at the time tell us more about Victorian attitudes than they do about the killer s true identity In Jack the Ripper the authors follow the grim homicidal trails that have permeated popular culture since the Whitechapel murders of 1888 It tells the victim s stories in all their desperate poignancy and explores the theories and suspects of the burgeoning field of ripperology Conspiracy theories and myths that swirl around the case to this day from black magicians to the royal family are considered as is the modern forensic view of the Ripper murders as sex crimes with reference to disturbing modern cases such as that of the Plumstead Ripper Terrifying and unignorable this is the ultimate book on Jack the Ripper Abberline Peter Thurgood,2013-04-01 The name Frederick George Abberline has become synonymous with that of Jack the Ripper and he has been portrayed as everything from an alcoholic a drug addict a womaniser and a bully In reality Abberline was none of these but instead was a devoted husband and a dedicated policeman in a time of rampant corruption Furthermore the Whitechapel murders were not the only notorious cases he worked on From

his humble origins as a clockmaker through to his rising through the ranks of the Metropolitan Police Abberline tells the story of a man who led some of the most infamous investigations in criminal history Long before the Ripper Abberline infiltrated an Irish terrorist group known as the Fenians before he became embroiled in the Cleveland Street Scandal an incident that almost brought the Government to its knees When he retired from the police at the age of 49 Abberline had received eighty four commendations and awards a testament to his tenacity and ability *Ripperology* Robin Odell,2006

Ripperology a sometimes obsessive interest in studying the crimes of Jack the Ripper is a subject of timeless interest that has suffered from confusion exaggeration and hyperbole for over a century Jack the Ripper was probably the first serial killer to appear in a large metropolis at a time when the general populace was literate and the press was a force for social change The press was also partly responsible for creating many myths surrounding the Ripper **The Jack the Ripper Suspects** Stan Russo,2004-08-05 The legendary Jack the Ripper murdered as many as ten women between the years of 1887 and 1891 in the East End of London The debate over his true identity has never been resolved This unbiased history of the various suspects including two women will give any reader a grounding on which to make an informed decision on the identity Suspects include influential artist Walter Sickert children's author Lewis Carroll Randolph Henry Spencer Churchill father of Winston Churchill and others ranging from doctors and politicians to wandering lunatics The encyclopedic entries provide such features as major events and other biographical data in a suspect's life a complete case chronology for particular suspects and an analysis of the theories The entries describe the research and reasons that have contributed to the suspect's positive or negative candidacy as a viable suspect Within these pages may lie the true Jack the Ripper the author places all the available facts before the reader *The Mysterious Mr Jacob* John Zubrzycki,2017-04-01 It was a scandal that rocked the highest echelons of the British Raj In 1891 a notorious jeweller and curio dealer from Simla offered to sell the world's largest brilliant cut diamond to the fabulously wealthy Nizam of Hyderabad If the audacious deal succeeded it would set the merchant up for life But the transaction went horribly wrong The Nizam accused him of fraud triggering a sensational trial in the Calcutta High Court that made headlines around the world **Ripper Notes** Wolf Vanderlinden,John Hacker,2004-06-15

Ripper Notes America Looks at Jack the Ripper is a collection of essays about the notorious Whitechapel serial killer and related topics It leads off with a newly discovered and never before republished 1892 interview with Assistant Commissioner Robert Anderson of Scotland Yard Anderson was a very important figure in the investigations and made statements later in life that the killer had been identified and put into an asylum This article is accompanied by a short analysis showing why that is unlikely Wolf Vanderlinden then gives an in depth look at the suspects in the 1891 death of prostitute Carrie Brown in New York City a case long connected by many to the earlier string of Ripper killings in the East End of London This is followed by coverage of the 2004 U S Ripper Conference including essays by John Hacker Jack the Ripper and Technology Ripperology in the Twenty First Century and Stan Russo The Strange Case of Dr Hewitt which questions why some suspects

are treated more seriously than they probably should be adapted from their presentations there A number of shorter pieces by various authors follows Ripper Notes is a nonfiction anthology series covering all aspects of the Jack the Ripper murder case

Serial Killers Around the World Dirk C. Gibson, 2014-11-28 *Serial Killers Around the World* The Global Dimensions of Serial Murder compiles serial murder case studies from several countries from Australia to Great Britain and from Japan to Pakistan The author has covered accounts on a wide array of serial killers including some well known felons namely Jack the Ripper The Butcher of Mons Martin Marie Dumollard as well as some of the lesser known serial slayers such as Daisy DeMelker Yoshio Kodaira Javed Iqbal and many more The book highlights six dimensions of each case the killer s the serial murders other crimes communication the investigation and trial and punishment of the accused Readers both general and aspiring criminologists alike will find *Serial Killers Around the World* an interesting resource for critical information on serial murders committed in nations around the world

Jack and the Thames Torso Murders Drew Gray, Andrew Wise, 2019-06-15 Using contemporary sources and modern profiling techniques the authors flag up a hitherto little known suspect as London s most infamous mass murderer

London's Curse Mark Beynon, 2011-10-31 Throughout the 1920s and 1930s London was gripped by the supposed curse of Tutankhamun whose tomb in the Luxor sands was uncovered in February 1923 by the British archaeologist Howard Carter The site was plundered and over the next few years more than twenty of those involved in the exhumation or in handling the contents of the tomb perished in strange and often terrifying circumstances prompting the myth of the Curse of Tutankhamun Nowhere particularly London s West End appeared to be safe for those who had provoked the ire of the Egyptian death gods A blend of meticulous research and educated conjecture historian and screenwriter Mark Beynon turns armchair detective as he uncovers a wealth of hitherto unpublished material that lays bare the truth behind these fatalities Could London s Curse be attributed to the work of a macabre mastermind It soon becomes apparent that these deaths were not only linked by the ominous presence of Tutankhamun himself but also by a murderer hell bent on retribution and dubbed by the press as The Wickedest Man in the World

Jack the Ripper's New Testament Nigel Graddon, 2019-09-12 This book offers evidence for the first time that those responsible for the Whitechapel murders were members of a hit team associated with a centuries old European occult confederacy dedicated to human sacrifice This was first mooted by Jim Keith in his 1993 book *Secret and Suppressed* and then corroborated in the private papers of a Monsignor who carried out intelligence work for Pope Pius X in the run up to the outbreak of global conflict in 1914 The priest told of the existence of a Vatican based cabal of assassins known to its members by the maxim Dead Men Carry No Tales formed by the infamous Borgias that is in alliance with a Teuton occult group formed in the 9th century It was from within this unholy alliance that assassins travelled to London to carry out the Ripper murders to solve a sticky problem for the British Royal Family Keith s Vatican informant Part of the substantiation for this evidence derives from Joseph Farrell in his recent *Hess and the Penguins* book for AUP The evidence also substantiates Keith s informant s

astounding claim that the assassins came together in a conference in Basle in 1897 to put the building blocks together for National Socialism and to prepare the blueprint for the Holocaust For the first time also the book substantiates a new line of research that suggests that the work of key figures from America and Britain within the nineteenth century's highly influential and richly funded Bible Revision movement was associated with the grisly events in London's East End during 1888's Autumn of Terror Topics include Mr Splitfoot Whitechapel Martha HPB Polly The Occult Underground Dark Annie The Occult Establishment Long Liz The Lady with the Lilacs From Lilacs to Violets Mary Kelly Baconalia Rothschild's Bible Basle 1897 Through the Looking Glass more

Riptide Michael Prescott, From New York Times and USA Today bestseller Michael Prescott author of *Final Sins* and *Cold Around the Heart* comes *Riptide* a dark unsettling descent into old crimes and new madness Jennifer Silence reads between the lines A psycholinguistic analyst she studies documents written by murderers teasing out hidden clues But nothing in her life has prepared her for the document that is now in her hands A leather bound diary from a crumbling crypt The diary of Jack the Ripper If it is genuine it suggests a troubling connection between Jennifer's family and history's most infamous serial killer A connection that may explain her father's suicide and her brother's mental illness A connection that may implicate her brother in a new rash of killings and prove that the Ripper's spirit still prowls dark streets and alleys taking lives And the next victim may be Jennifer herself

[White-Collar Crime in Late Nineteenth and Early Twentieth-Century Britain](#) John Benson, 2019-12-06 This book throws new light on white collar crime criminals and criminality in late nineteenth and early twentieth century Britain It does so by considering the life of one man Jesse Varley 1869-1929 who embezzled more than 80 000 from Wolverhampton Corporation and for a decade and more enjoyed an ostentatiously extravagant lifestyle He was discovered and despite serving a period of penal servitude he turned again to white collar crime this time in Sheffield Sentenced again to penal servitude he died a few years later in Liverpool in what were said to be very poor circumstances
