K Morrison

Grèce Syriza Contre l'Europe Néolibérale:

La Grèce, Syriza et l'Europe néolibérale, 2015-10-15 Un événement politique majeur vient de se produire en Europe la victoire de la coalition de la gauche radicale Syriza aux élections législatives du 17 juin 2012 en Grèce. Il s'agit d'une première contre-attaque politique contre l'Europe de la finance et du néolibéralisme. Le peuple grec en votant massivement pour Syriza et d'autres partis gauchistes opposés aux politiques antidémocratiques et d'austérité imposées par la Troïka et l'Union européenne a ouvert des perspectives en vue d'une rupture de gauche radicale et internationaliste en Europe. Après cinq ans de thérapie de choc austéritaire en Grèce le gouvernement conduit par Alexis Tsipras cherche à mettre en œuvre un programme de lutte contre la pauvreté, la fraude fiscale et la corruption pour la justice sociale, la défense de l'environnement, le droit des travailleurs et des migrants suscitant un soutien massif du peuple grec et un soutien international d'une ampleur inégalée ces dernières décennies. Face à ce mouvement démocratique et anti-austéritaire l'Union européenne et la Troïka (BCE, FMI, Commission européenne) font front commun. Il s'agit d'empêcher la remise en cause de la cage d'acier de l'austérité et la mise en œuvre du programme de rupture choisi par le peuple grec mais aussi d'éviter tout prix qu'en Espagne et en Irlande demain en Allemagne et en France peut-être après demain des forces sociales et politiques alternatives au néolibéralisme et au fascisme ne changent la donne en Europe. Ce livre d'entretiens avec Stathis Kouvelakis, membre du Comité central de Syriza, philosophe, analyste et acteur des récentes évolutions politiques de la gauche en Grèce et en France, donne les clés pour comprendre cette aventure politique qui constitue déjà une référence majeure pour toutes les gauches et qui fera date dans l'histoire de l'Europe. Il est composé de trois entretiens successifs en janvier 2015 juste avant les élections et la victoire de Syriza en février 2015 après un mois d'exercice du pouvoir et au moment du premier bras de fer entre la Grèce et l'Union européenne en juin 2015 lors des réunions préalables à une échéance décisive au cœur de cette confrontation. Il raconte et explique en détail et de manière vivante la situation sociale et politique en Grèce, l'histoire, la composition et l'ascension de Syriza, son programme et les raisons de son succès, les premières mesures et les batailles du gouvernement mais aussi ses difficultés et ses faiblesses, les enjeux de la négociation et de la confrontation avec la BCE, l'Eurogroupe et l'Union européenne. Cet ouvrage clarifie également les nouvelles questions et les enseignements stratégiques de cette situation inédite pour la France et pour l'avenir de l'Europe. Il n'y a pas d'alternative. Autour des enjeux de la dette publique grecque et européenne des réformes structurelles pour dépasser la crise de 2008, du renouvellement des pratiques politiques de la gauche radicale se joue une confrontation politique de cruciale importance. L'avenir de l'Europe sera-t-il toujours celui du néolibéralisme et de l'accroissement des inégalités, nouveau celui de l'extrême droite et de la haine ou bien enfin celui d'une politique de gauche renouvelée capable de répondre de manière juste et radicale aux défis du temps présent.

This is likewise one of the factors by obtaining the soft documents of this **Gr Ce Syriza Contre Leurope N Olib Rale** by online. You might not require more period to spend to go to the books initiation as well as search for them.
