Grace Upon Grace Spirituality For Today:

Grace Upon Grace John W. Kleinig, 2008 Christian spirituality is quite simply following Jesus It is the ordinary life of faith in which we receive Baptism attend the Divine Service participate in the Holy Supper read the Scriptures pray for ourselves and others resist temptation and work with Jesus in our given location here on earth from the Introduction The longing for spiritual fulfillment inevitably paired with spiritual frustration is common among Christians Do we read and study the Bible enough Do we worship often and in the right way Do we pray enough in the correct way and for the right things How do we become truly spiritual And the answers from numerous self help spirituality books only lead to confusion and the fear of missing key steps on the road to becoming spiritual In response John W Kleinig clarifies that there is no process for becoming spiritual Instead God graciously gives to us every spiritual gift that we need beginning with the very gift of faith in Christ our Savior Because God has joined us to Christ He continually comes to give us life The Sword and the Mask Jon C.

Furgeson, 2022-08-12 Is spiritual warfare real Is it just a metaphor for social justice Do territorial spirits have a stranglehold on the planet What does the Christian do with the rising fascination with the supernatural in Western culture Does any of this matter for daily life With meticulous care Jon Furgeson dives into the sea of perspectives and voices in the church and Western culture bringing the reader on a journey to gain perspective After clearing the clutter and the confusion he presents a bold new yet faithful way to understand spiritual warfare to see how it affects every person to the foundations of who they are and how the Spirit of God in Christ acts in the midst of the fallen powers to take broken sinners and turn them into antifragile saints **Ragged** Gretchen Ronnevik, Elyse Fitzpatrick, 2021-05-11 When we mistake spiritual disciplines for to do time slots on our schedule or Instagram able moments we miss the benefits of Christ's continual and constant work for us

In **Ragged** Gretchen Ronnevik aims to reclaim spiritual disciplines as good gifts given by our good Father instead of heavy burdens of performance carried by the Christian Only when we recognize our failures to maintain God's commands do we also realize the benefit of our dependence on his promises Gretchen uses this distinction on law and gospel presented throughout Scripture to guide readers through spiritual disciplines including prayer meditation Scripture reading and discipleship among others Despite our best efforts the good news is that spiritual disciplines have less to do with what we bring before God and more about who Christ is for us not only as the author but also as the perfecter of our faith **Of**

Good Comfort Stephen Pietsch, 2016-09-16 This is a feast for theologians historians and Christian counselors Pietsch examines 21 of Luther's letters of comfort to explore Luther's pastoral care for souls suffering with depression Pietsch uses interdisciplinary tools of inquiry artfully to examine the letters Luther's pastoral care approaches and the history of the melancholy tradition The practice of seelsorge emerges as an amalgam of art spiritual gift and understanding of affliction all resting comfortably within the authority of scripture and the Lutheran Confessions Pietsch's volume is a significant contribution to spiritual care literature underscoring the conviction of the early church that individual soul care is an

essential response to serve those who despair Offering pivotal pastoral care insights that are often lost discredited or entirely absent in the work of caring for those who suffer with depression Pietsch concludes that Luther has given us excellent tools to examine learn and to teach as we assist souls to find hope strength and healing in the gospel of Jesus Christ Professor Beverly Yahnke Concordia University Wisconsin Executive Director of Christian Counsel Doxology Lutheran Centre for Spiritual Care and Counsel

Imitating Christ Luke Timothy Johnson, 2024-08-06 Is discipleship about personal sanctification or social reform Believers are divided on a question central to Christian identity what does it mean to follow Jesus For centuries imitating Christ meant the pursuit of holiness conforming the self to Jesus through self sacrifice in order to join him in eternal life But some Christians today consider this model to be self centered Instead they say true disciples ought to imitate Jesus in confronting corrupt social systems on behalf of the oppressed In *Imitating Christ* esteemed New Testament scholar Luke Timothy Johnson seeks the origin of this fissure Surveying the New Testament medieval mysticism modern theology and more Johnson shows how twentieth century social gospel and liberation theologies created a new model of discipleship He then evaluates the theological implications of the two models and asks what we can learn from each Inspired by Dietrich Bonhoeffer and Thomas Merton Johnson puts forward a vision of discipleship that can revitalize Christian witness in the world today Replete with keen exegesis and spiritual insight *Imitating Christ* reorients Christian living toward pursuing sainthood Pastors and interested lay readers alike will rediscover a rich heritage in these pages

My First Exorcism Harold Ristau, 2016-04-14 What the scientific community dismisses as a mental disorder Christians have often labeled demon possession While classifications may offer limited help in explanation the Reverend Dr Harold Ristau explores the nature and meaning of demonic activity by drawing from his own experiences with exorcism Ristau shares life lessons spiritual applications and religious wisdom from his personal encounters with the dark realm Primarily intended for clergy his reflections offer a springboard intended to stimulate critical thinking challenge metaphysical presuppositions and inspire a belated conversation on a topic that has traditionally been avoided not because of a lack of empirical evidence but due to the fear that it incites inside of us Yet if the claims of the historic Church are true that demons do in fact exist and seek our destruction then an honest examination of the phenomenon and its impact on the ways in which we live and reason is an essential endeavor for any practitioner of the ministry of deliverance

Spiritual Warfare Harold Ristau, 2023-01-25 Jesus Christ is the light that no darkness can overcome Spiritual warfare isn't always obvious It's normally not scary or spooky it's usually rather mundane Yet it's real and always miraculous In *Spiritual Warfare* Harold Ristau shows how faithful spiritual warfare isn't about secret methods and rituals Rather for the care of souls pastors already have all they need in God's word The Spirit's gifts equip Christians for whatever challenges await them in ministry even fighting against the wiles of the devil *Spiritual Warfare* helps pastors inform prepare and equip the saints for the battle The good fight is fought in prayer and worship As the church preaches the forgiveness of sins the darkness is pierced with the light of Christ

and those in bondage are freed **Take Courage** Timothy J. Pauls, Mark A. Pierson, Timothy J Pauls, 2021-03-23 Take Courage is a collection of essays written by pastors and professors about the care and cure of souls in the 21st century As spiritual physicians pastors are called to diagnose and treat all those suffering with the disease of sin This noble task requires much from these undershepherds who are placed over Christ s flock Yet the Good Shepherd himself has provided the effective tools of this healing art the life giving word and sacraments Pastors then specialize in applying the medicine of forgiveness and bringing comfort to broken consciences Collectively these essays teach and expound upon this theme This helpful book honors the 45 years of faithful service given by one such undershepherd Harold L Senkbeil As a pastor seminary professor author speaker husband father and the executive director of DOXOLOGY Senkbeil has consistently provided competent treatment for both laity and pastors by distributing the forgiveness won by Jesus on the cross *Pastoral Visitation* Tyler C. Arnold, 2023-01-25 Christ comes to and through his people Many consider pastoral visitation antiquated and impractical People seem busier than ever and technology appears to trivialize personal contact As a result personal visits are often reserved only for the gravest of situations Tyler C Arnold argues that pastoral visitation is essential to the pastoral role In Scripture God visits his people to show his personal interest and concern This is seen most clearly in the incarnation Christ s ministry is one of presence But Jesus is not only an example of visitation ministry he is the embodiment of it And in visitation pastors and laypeople continue Jesus s ministry by bringing Christ to the individual in their very place of need Established in strong theological foundations and sensitive to contemporary concerns Pastoral Visitation exhorts pastors to return to this classic method of individual soul care *Great Commission, Great Confusion, or Great Confession?* Lucas V. Woodford, 2012-04-26 There is a great debate going on in the church today It centers on one question What is the mission of the church From culturally relevant emerging congregations to strategic methods of organization and outreach many claim they have the answer They say the mission must become missional Yet the churches of North America continue to struggle Uncertainty is growing What does it really mean to be missional Competing claims abound Get the message out Get the message right Great confusion has set in particularly in the postmodern North American church The Gospel is getting lost Yet throughout the ages the creedal confession of the Holy Christian Church has carried her through uncertainty and struggle The Apostles Creed has steadied and stayed the mission of the church for centuries It centers on the Gospel of Jesus Christ and the work of the Holy Spirit the communion of saints the forgiveness of sins the resurrection of the body and the life everlasting This book celebrates the historic mission of the Holy Christian Church and it invites the North American church to do the same **Being Shaped by Freedom** Brett James Muhlhan, 2012-10-24 Did Luther get Christian freedom right The answer to this question contains two elements What is Luther s understanding of Christian freedom How did his understanding stand up under the pressure of reformation Muhlhan examines both of these elements and contends that the sublime beauty of Luther s early understanding of Christian freedom an understanding that empowered the German

reformation is consistently the same understanding he used to undermine papal heteronomy and refute radical legalism The relational character cruciform substance and complex structure of Luther s concept of freedom enabled him to speak both polemically and catechetically with a clear and authoritative communicative clarity that reinvoked the magnificence of Christ and him crucified for sinners The impact both positive and negative of Luther s appraisal of Christian freedom finds its focus of impact in the small world of Wittenberg in the sixteenth century yet resonated throughout the church of his day as a powerful theologically laden response to legalism and antinomianism Therefore in light of this impact and its correlation to biblical freedom Muhlhan contents that we can confidently affirm that Luther did indeed get Christian freedom right and that he did not fail to live by the implications of this radical theology

From Glory to Glory Rea McDonnell,2011 From Glory to Glory encourages scriptural communal prayer as a path not only to personal holiness but to helping the community achieve its mission of reaching out to others It offers abundant practical advice about starting a prayer group based on biblical readings and provocative discussion questions Texts are selected from the Gospel of John and the Letters of Paul Woven like a fine tapestry of historical context theological reflection and practical advice for guided prayer and reflection From Glory to Glory is a wonderful resource for anyone seeking to deepen their friendship with God Sr Rea is a teacher for our time revealing the ways in which Paul and John connect us to the Spirit keeping us in loving union with Christ which is exactly what makes us Church today This book makes Paul and John our friends along the spiritual journey Mary McGinnity Executive Director Ignatian Volunteer Corps This book brings together solid theology scriptural exegesis and expert spiritual guidance with selected passages keen questions and helpful suggestions for individual and group prayer An excellent way based on Paul and John into our own experience of Jesus and His Spirit Jean Marc Laporte S J Jesuit Center of Spirituality Halifax NS

Pastor, Jesus Is Enough Jeremy Writebol,2023-03-15 In Pastor Jesus Is Enough Jeremy Writebol invites pastors to hear the words of the risen Jesus in the seven letters within Revelation 2 3 Pastors love Jesus most Pastors suffer Pastors teach and tell the truth Pastors become like Jesus Pastors abide in Jesus Pastors find their value in Jesus Pastors repent The exhortations in Revelation 2 3 are directed to churches But they also exhort pastors In these letters Jesus draws near to pastors whether hurting or straying and reminds them of his sufficiency In these warnings and promises Jesus has hard words for pastors But they are words of life Most of all Jesus urges pastors to keep their focus on him Being enough is exhausting But pastor the good news is that you cannot be enough Because only Jesus is enough

Imagination Redeemed Gene Edward Veith Jr.,Matthew P. Ristuccia,2014-11-30 Your imagination matters Contrary to popular perception it s not just for kids artists or fans of science fiction Rather the imagination is what bridges our thinking and feeling allowing us to do everything from planning a weekend getaway to remembering what we ate for breakfast In Imagination Redeemed Gene Veith and Matthew Ristuccia uncover the imagination s importance for Christians helping us understand who God is what his Word teaches and how we should live in the world today Here is a call to embrace this forgotten part of the mind as a gift
