Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 **The Oxford Guide to the Bantu Languages**

Lutz Marten,Ellen Hurst-Harosh,Nancy C. Kula,Jochen Zeller,2025-08-19 This volume brings together leading scholars from Africa Europe the Americas and beyond to provide a detailed account of the languages of the Bantu family which cover an area from Cameroon and Kenya in the north to South Africa in the south The Bantu family is part of the Niger Congo phylum and one of the world s biggest language groups comprising around 500 languages The family includes major languages with large numbers of speakers such as Zulu Kinyarwanda and Swahili the most widely spoken and taught African language as well as many community languages and several endangered languages Bantu languages feature prominently in the complex and multilingual language ecologies that are characteristic of the linguistic situation in much of Africa and they provide rich evidence for the study of theoretical and comparative linguistics language contact and language change They play an important role in education commerce culture and artistic expression in the media and public discourse in governance and social justice and are central to the future of the continent and the well being of its communities The first part of The Oxford Guide to the Bantu Languages provides background and context with chapters exploring the history of research in the field language and prehistory in Bantu speaking Africa and typology and variation Chapters in the second part offer broad comparative overviews of Bantu phonology morphology syntax semantics and pragmatics socio and applied linguistics before Parts III VII cover more specific topics in Bantu linguistics across a variety of subfields ranging from structural issues such as the augment and melodic tone to historical and sociolinguistic topics such as Bantu languages in the diaspora and language policy and standardization The chapters in the final part offer individual structural overviews of a range of languages from across the Bantu speaking area The book will be an essential resource for students and researchers specializing in the Bantu languages and for typologists and comparative linguists more broadly The African Book Publishing Record ,2009

Children's Books in Print, 2007 ,2006 **Namibian Books in Print** ,2004 *International Guide to Qualifications in Education* National Academic Recognition Information Centre (Great Britain),1987 Namibia National Bibliography ,1993 African Books in Print ,1993 **Catalog of Copyright Entries** Library of Congress. Copyright Office,1967

Language Choices Martin Pütz,1997-01-01 This volume concerns various aspects of the theory and application of language conflict phenomena seen from an interdisciplinary perspective The focus is on linguistic social psychological and educational issues conditions constraints and consequences involved in the status and use of languages in multilingual settings The book is divided into four sections which deal with theoretical issues such as the nature of the concepts of language maintenance language policy and language planning attitudes towards languages and codeswitching and language

choice International Books in Print ,1979 **Masters Abstracts International** ,1991 *Handbook of Research on Acquiring 21st Century Literacy Skills Through Game-Based Learning* Lane, Carol-Ann,2022-01-07 Emerging technologies are becoming more prevalent in global classrooms Traditional literacy pedagogies are shifting toward game based pedagogy addressing 21st century learners Therefore within this context there remains a need to study strategies to engage learners in meaning making with some element of virtual design Technology supports the universal design learning framework because it can increase the access to meaningful engagement in learning and reduce barriers The Handbook of Research on Acquiring 21st Century Literacy Skills Through Game Based Learning provides theoretical frameworks and empirical research findings in digital technology and multimodal ways of acquiring literacy skills in the 21st century This book gains a better understanding of how technology can support learner frameworks and highlights research on discovering new pedagogical boundaries by focusing on ways that the youth learn from digital sources such as video games Covering topics such as elementary literacy learning indigenous games and student worker training this book is an essential resource for educators in K 12 and higher education school administrators academicians pre service teachers game developers researchers and libraries **Whitaker's Cumulative Book List** ,1958 *Title Index, ERIC ED Accessions File* ERIC Processing and Reference Facility,1966 Study Opportunities at Universities and Possible Initial Occupations, 1990/1991 Joan Roodt,1990 This guide contains indexed lists of study opportunities in South African universities that relate to occupations that might be open to persons with various degrees diplomas or certificates In the first of two sections in the guide opportunities for study and employment related to first qualifications are listed as follows index of fields of study for which study opportunities are available particular degree programs by field of study index of occupations available to those with first qualifications index of institutions offering programs of study The second section of the guide concerns advanced qualifications and arranges entries as follows field of study for which advanced degrees are available actual degree programs at particular institutions index of institutions offering advanced degrees For both sections the descriptions of actual degree programs at particular institutions list the name of the institution the language medium English or Afrikaans the duration of the program the entry qualifications subjects required the admissions criteria and the application deadline the descriptions in the first section also list the possible occupations for those completing the program An appendix provides the addresses of institutions mentioned in the guide JB *Re-Envisioning and Restructuring Blended Learning for Underprivileged Communities* Bosch, Chantelle,Laubscher, Dorothy Joy,Kyei-Blankson, Lydia,2021-05-14 Challenges in the educational arena are not new phenomena However with the recent outbreak of the COVID 19 pandemic researchers and educators have been made even more aware of the need for a paradigm shift in education Blended learning as opposed to fully online learning or traditional face to face teaching has been well researched and has been found to have the potential to provide better educational solutions in challenging contexts These contexts range from pandemic situations where social distancing is the

order of the day to financial and time constraints regarding full time study as well as limited physical capacity at institutions Blended learning solutions are often designed for resourceful institutions and cannot be easily implemented in developing countries and in communities where resources are limited Typical issues like connectivity accessibility lack of suitable devices and affordability need to be taken into consideration and in cognizance of blended learning interventions These challenges are often neglected in blended learning research but are critical discussions to be had Re Envisioning and Restructuring Blended Learning for Underprivileged Communities shares how institutions in the developing world and less privileged communities have re imagined and restructured blended education to enhance teaching and learning for underprivileged communities This book aims to address blended learning solutions across institutional program course and activity levels The chapters will cover a variety of learning environments from rural settings to less developed countries and more and explore the programs and courses designed to improve student success and accessibility in diverse student populations This book is ideally intended for teachers administrators teacher educators practitioners stakeholders researchers academicians and students who are interested in blended learning opportunities in less privileged settings and to underserved and marginalized populations
