

Geometric Gravel Garden

Tina, Andrea, Joel, and Luis are designing a meditation area for school called Geometric Gardens. The garden is a joint project between the student council and the PTO. The plot for the garden is rectangular. The students will use white, yellow, green, and blue gravel to create pathways and geometric designs in the garden. The students plan to use approximately five tons of gravel to fill the garden.

- Shade each region of the gravel garden the color indicated in the diagram below.
