This book offers a meticulously researched, comprehensive chronology of the Congressional Page system from the late 1700s to modern day. From the origins of the page system in 1774 to the period in the 1940s when Congress demonstrated an indifference towards the needs of providing the boys with supervised living arrangements, congressional pages have a storied past. It's a topic that can be amusing for years; pages simply treated the Capitol as a their private playground to subject adults to their mischief and sobering as Congress continued to employ boys as young as eight years old even after passing labor laws that prohibited it and was reluctant to provide supervised living arrangements for decades. Unlike many dry and lifeless books about Congressional history, *The Children Who Ran For Congress: A History of Congressional Pages* provides a lively and engaging look at the history of the page system, a topic that has largely been ignored. Based on a thorough investigation of historical documents and personal interviews, Darryl Gonzalez now tells the complete story of the young boys and girls who have served Congress for more than 200 years. *Miss Manners' Guide to Rearing Perfect Children* Judith Martin, 2002-05-17. Provides advice on etiquette from prekindergarten to post graduate status for parents and children. *If You're Gonna Be Stupid, You've Gotta Be Tough!* Bob Cole, 2011-12-05. The Cleburne County Search and Rescue Team recently found and saved a man lost on Mt Cheaha in Alabama. The man had set out with his wife and kids on the difficult Pinhoti Trail but once the wife and kids headed back, the man continued on. When he didn't return, his wife panicked and called in the search squad who eventually found a man in his fifties weighing about three hundred pounds wearing leg braces and using crutches. This story just goes to show that if you're gonna be stupid, you've gotta be tough. Author Bob Cole knows all

about it He grew up on a farm in rural Georgia and used to have to chase cows before getting on the bus for school Smelling like manure in front of the other kids certainly added a bit of toughness Since those days he has worked married and seen the world but through it all the old adage about toughness and stupidity still holds true This collection of true short stories follows Bob as he travels along the bumpy road of life Follow him through a midlife crisis family hijinks meeting a new son in law and on a mission trip to foreign lands after all stupidity is worldwide Despite some hard times and some tough decisions Bob Cole has never lost his sense of humor and its apparent in this collection that will keep readers laughing crying and actin tough

Assembly West Point Association of Graduates (Organization), 1990 **LETTER FROM HELL** DR. PAUL CRAWFORD, 2025-09-01 A Letter from Hell Some stories are whispered across pulpits tucked away in sermons and passed along like cautionary tales They unsettle us because they strike too close to home This is one of those stories not of strangers in some faraway land but of neighbors friends family People we laugh with share meals with wave to across the fence People whose eternity hangs in the balance while we say nothing This book is not written to entertain but to awaken It is a parable wrapped in flesh a reminder that the greatest tragedy is not what happens in life but what happens after it Eternity is real Heaven is real And so is hell The words you are about to read are framed around a fictional letter but its cry is real the eternal regret of a soul lost without Christ It echoes the truth of Scripture the rich man

who lifted up his eyes in torment and begged that someone warn his brothers Luke 16 27 28 It is a story of friendship silence and the terrible cost of missed opportunities But more than that it is a story of redemption It is about one man who chose to let his regret become fuel for obedience It is about how God can take even our greatest failures and turn them into a testimony of grace Perhaps you will see yourself in these pages Perhaps you too have a neighbor a coworker a family member you ve never spoken to about Christ Perhaps you ve convinced yourself there will always be time This story is here to shake that illusion A Letter from Hell is more than a novel it is a plea A plea not from the author but from eternity itself Do all you can for the souls of men lest they be cast in hell with me The letter has been written The cry has been heard The question is what will you do with it
