Grand Central Terminal and Penn Station David D. Morrison, 2019-07-15 Opened in 1913 Grand Central Terminal is a world famous landmark building with a magnificent 48 foot high 1 500 ton statuary group on top of the main facade Designed by sculptor Jules Felix Coutan a 13 foot wide Tiffany clock serves as the centerpiece The figure above the clock is Mercury with Hercules to the left and Minerva to the right In the late 1990s a historic restoration was performed on the terminal after which two cast iron eagle statues were placed over entrances at Lexington Avenue and Forty Second Street Vanderbilt Avenue These eagles were from the 1898 Grand Central Station building that was demolished in 1910 to make room for the construction of the new Grand Central Terminal structure Penn Station which opened in 1910 covered two full city blocks and had statuary groups designed by sculptor Adolph Weinman on all four sides of the building After Penn Station was demolished in the mid 1960s the statuary was dispersed throughout various locations mainly in the Northeast

The Masterpiece Fiona Davis, 2018-08-07 In this captivating novel New York Times bestselling author Fiona Davis takes readers into the glamorous lost art school within Grand Central Terminal where two very different women fifty years apart strive to make their mark on a world set against them For most New Yorkers Grand Central Terminal is a crown jewel a masterpiece of design But for Clara Darden and Virginia Clay it represents something quite different For Clara the terminal is the stepping stone to her future It is 1928 and Clara is teaching at the lauded Grand Central School of Art Though not even

the prestige of the school can override the public's disdain for a woman artist fiery Clara is single minded in her quest to achieve every creative success even while juggling the affections of two very different men But she and her bohemian friends have no idea that they'll soon be blindsided by the looming Great Depression and that even poverty and hunger will do little to prepare Clara for the greater tragedy yet to come By 1974 the terminal has declined almost as sharply as Virginia Clay's life Dilapidated and dangerous Grand Central is at the center of a fierce lawsuit Is the once grand building a landmark to be preserved or a cancer to be demolished For Virginia it is simply her last resort Recently divorced she has just accepted a job in the information booth in order to support herself and her college age daughter Ruby But when Virginia stumbles upon an abandoned art school within the terminal and discovers a striking watercolor her eyes are opened to the elegance beneath the decay She embarks on a quest to find the artist of the unsigned masterpiece an impassioned chase that draws Virginia not only into the battle to save Grand Central but deep into the mystery of Clara Darden the famed 1920s illustrator who disappeared from history in 1931

Second-Order Preservation Erica Avrami, 2024-12-17 An urgent appeal to rethink the heritage enterprise A critical reassessment of historic preservation policies in the United States Second Order

Preservation brings needed attention to the hierarchical underpinnings and effects of established preservation frameworks. Questioning the criteria by which value is ascribed to historic buildings and neighborhoods, Erica Avrami works to elucidate and transform how and which claims to place become codified in and reinforced through public policy. As she eschews dominant case study approaches that center the individual object of preservation such as a discrete building or site, Avrami develops the concept of second order preservation as a means of integrating broader considerations around social justice, equitable land use planning and environmental sustainability. Ranging from municipal to state to national and international levels of governance, her critique of the origins and evolution of heritage policy reveals how this conventional emphasis on the object has contributed to policy tensions and systemic exclusion. Stressing the need to reform current preservation practices to serve more diverse publics, Avrami encourages a turn to an approach that substantively considers contexts and implications of preservation in the scheme of climate and justice. Second Order Preservation maintains the interrelation between theory and practice, serving as both a critical reflection and a provocation aimed at advancing a more just set of urban policy agendas.

A Century of Subways Brian J. Cudahy, 2009-08-25. The transit historian and author of *Under the Sidewalks of New York* delivers a lively and authoritative history of New York City's fabled subway. On the afternoon of October 27, 1904, ordinary New Yorkers descended beneath the sidewalks for the first time to ride the electric powered trains of the newly inaugurated Interborough Rapid Transit System. More than a century later, the subway has expanded greatly, weaving its way into the fabric of New York's unique and diverse urban life. In *A Century of Subways*, transit historian Brian J. Cudahy offers a fascinating tribute to New York's storied and historic subway system from its earliest beginnings and many architectural achievements to the ways it helped shape today's modern metropolis. Taking a fresh look at one of the marvels of the twentieth century, Cudahy creates a vivid sense of this extraordinary system and the myriad ways the city was transformed once New Yorkers started riding below the ground.

Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. Grand Central Terminal 100 Years Of A New York Landmark : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
