Grey Seas Under Canada:

Grey Seas Under-Canada Farley Mowat, 1980-01-02 **Grey Seas Under** Farley Mowat, 2023-09-12 The hair raising rescue missions of a deep sea salvage tug that saved hundreds of lives during two decades of service in the North Atlantic

The Grey Seas Under Farley Mowat, 1974 U-Boats Against Canada Michael L. Hadley, 1990-07 The U boats constituted a serious threat to North American security and a major challenge to coastal and convoy defence Hadley reveals the military and political impact on Canada of in shore submarine warfare and vibrantly documents the successful German strategy of deploying daring long range solo sorties to pin down the enemy close to home **Profiles in Canadian**

Literature Jeffrey M. Heath, 1991-09-01 A series of essays on Canadian authors profiling the writers work providing insight into themes and giving a chronology of the authors life **Spindrift** Anita Hadley, Michael L. Hadley, 2017-08-05 an excellent anthology a lovely project Silver Donald Cameron Given that Canada has the longest coastline in the world and its motto is From Sea unto Sea it is not surprising that virtually every Canadian writer has been inspired to write about some aspect of the sea at some point in their work As this book shows those watery passages are some of the very best writing the nation has produced Journeying coast to coast to coast from the picturesque and isolated Vancouver Island village of Ucluelet through the desolate Northwest Passage to historic Signal Hill at the tip of Newfoundland s Avalon Peninsula Spindrift A Canadian Book of the Sea invites the reader on an evocative voyage Reflecting on a myriad of sea related themes including the earliest Indigenous presence the first nautical exploration of Canada the arrival of immigrants on the nation s shores the realities of making a living on the water tragic marine events warfare and celebrated vessels and people Spindrift paints a compelling portrait of Canada Editors Michael and Anita Hadley have distilled the essence from a vast collection of maritime reflection by some of Canada s greatest fiction and non fiction writers including Milton Acorn Pierre Berton Earle Birney M Wylie Blanchet Emily Carr Donald Creighton Michael Crummey Barry Gough Lawrence Hill Edith Iglauer Joy Kogawa Malcolm Lowry Linden MacIntyre Yann Martel L M Montgomery Donna Morrissey Farley Mowat Alice Munro Peter C Newman E J Pratt Al Purdy Nino Ricci Stan Rogers Jane Urquhart and Rudy Wiebe to name but a few Whether yachtsman professional seafarer or simply an admirer of ocean vistas the reader will be moved and delighted by this treasury of Canadian voices Please note that due to licensing concerns selections in the ebook differ slightly from the print book *The Black Joke* Farley Mowat, 2009-01-13 The Black Joke is a rousing sea story in the tradition of the great classic pirate tales The time is the 1930s The loot is bootleg liquor not pirate gold And the ship is the Black Joke the speediest nimblest craft on the Newfoundland coast Jonathon Spence owner and master An unwelcome passenger enmeshes the boat and her crew young Peter and Kye in danger and near destruction until the fiercely independent people of the island of Miquelon are caught up in the fate of the Black Joke and the cargo aboard her **Otherwise** Farley Mowat, 2009-10-13 A Canadian icon gives us his final book a memoir of the events that shaped this beloved writer and activist Farley Mowat has been beguiling readers for

fifty years now creating a body of writing that has thrilled two generations selling literally millions of copies in the process In looking back over his accomplishments we are reminded of his groundbreaking work He single handedly began the rehabilitation of the wolf with *Never Cry Wolf* He was the first to bring advocacy activism on behalf of the Inuit and their northern lands with *People of the Deer* and *The Desperate People* And his was the first populist voice raised in defense of the environment and of the creatures with whom we share our world the ones he has always called *The Others* *Otherwise* is a memoir of the years between 1937 and the autumn of 1948 that tells the story of the events that forged the writer and activist His was an innocent childhood spent free of normal strictures and largely in the company of an assortment of dogs owls squirrels snakes rabbits and other wildlife From this he was catapulted into wartime service as anxious as any other young man of his generation to get to Europe and the fighting The carnage of the Italian campaign shattered his faith in humanity forever and he returned home unable and unwilling to fit into post war Canadian life *Desperate* he accepted a stint on a scientific collecting expedition to the Barrenlands There in the bleak but beautiful landscape he finds his purpose first with the wolves and then with the indomitable but desperately starving *Ihalmiut* Out of these experiences come his first pitched battles with an ignorant and uncaring federal bureaucracy as he tries to get aid for the famine stricken Inuit And out of these experiences too come his first books *Otherwise* goes to the heart of who and what Farley Mowat is a wondrous final achievement from a true titan [Gorillas in the Mist](#) Farley Mowat, 2009-10-13 Originally titled *Virunga* this is the story of Dian Fossey the mountain gorillas greatest champion and martyr Based on Fossey s personal papers and on interviews with her colleagues friends and enemies *Gorillas in the Mist* reveals one woman s passion for life and the creatures who share it with us [Radio History Ship Shore](#) Spurgeon G. Roscoe, 2022-10-21 From flags and pennants to Morse code and complex telecommunications *Radio History Ship to Shore* is a treatise on the navigational aids vessels have used over the centuries Author Spurgeon Spud G Roscoe takes the reader on a journey through the evolution of communication systems globally from the days of Columbus to modern times Roscoe also mines his first hand experience as a radio officer who sailed on a dozen ships including a reproduction of the ill fated HMS *Bounty* Now in his eighties he has been meticulously collecting the content for *Radio History Ship to Shore* for more than five decades The result is a hefty tome in which Roscoe shares his encyclopedic knowledge and unyielding fascination with communications systems The book includes all the vessels in the RCMP marine section and later marine division the RCAF marine squadrons the Royal Canadian Navy the Canadian Government Merchant Marine and the Canadian Coast Guard including the weather ships and icebreakers *Radio History Ship to Shore* is complemented by a wealth of historic photos of everything from warships to Canada s famous *Bluenose* schooner **Creative Canada** , 1972-12-15 Did he ever play *Hamlet* Has she worked in television What was the title of his first novel Under whom did she study How many children has he Answers to such questions about contemporary Canadian artists have often been difficult even impossible to find This series has been created to provide the answers it covers creative

and performing artists who have contributed as individuals to the culture of Canada in the twentieth century Each volume in the series presents a cross section of many different kinds of artists authors of imaginative works artists and sculptors musicians performers composers conductors and directors and performing artists in ballet modern dance radio theatre television and motion pictures directors designers and producers in theatre cinema radio television and the dance choreographers and for cinema cartoonists and animators Within each category of art is included a selection of those who have achieved national and international recognition those who have been recognized locally and some now deceased who markedly influenced their contemporaries locally nationally or internationally This is not a critical compilation rather it is an objective and factual reference work for those interested in contemporary Canadian culture Information was collected by painstaking research in a wide variety of sources and wherever possible it has been verified by the artist to make each entry as accurate and comprehensive as possible

Contributions to Canadian Biology and Fisheries Biological Board of Canada, 1918 *Atlantic Provinces Checklist*, 1957 **Dictionary of Newfoundland English** George Morley Story, W. J. Kirwin, John David Allison Widdowson, 1990-01-01 First published in 1982 to international acclaim the Dictionary of Newfoundland English introduced the world to an incredibly rich dialect with deep roots in Ireland and the English West Country

Owls in the Family Farley Mowat, 2009-01-13 Every child needs to have a pet No one could argue with that But what happens when your pet is an owl and your owl is terrorizing the neighbourhood In Farley Mowat's exciting children's story a young boy's pet menagerie which includes crows magpies gophers and a dog grows out of control with the addition of two cantankerous pet owls The story of how Wol and Weeps turn the whole town upside down is warm funny and bursting with adventure and suspense

The Curse of the Viking Grave Farley Mowat, 2009-01-13 The popular sequel to his award winning *Lost in the Barrens* this is Farley Mowat's suspense filled story of how Awasin Jamie and Peetryuk three adventure prone boys stumble upon a cache of Viking relics in an ancient tomb somewhere in the north of Canada Packed with excitement and with little known information about the customs of Viking explorers this story of survival portrays the bond of youthful friendship and the wonders of a virtually unexplored land
