Gringo Nightmare A Young American Framed For Murder In Nicaragua:

Gringo Nightmare Eric Volz, 2011-05-10 Featured on Fox News and Univision and selected as Larry King's Book of the Week this is the harrowing true story of an American held in a Nicaraguan prison for a murder he didn't commit. In 2005 Eric Volz moved from California to Nicaragua. Volz met Doris Jimenez, a beauty from a small beach town, and they began a passionate relationship. The relationship ended amicably less than a year later, and Volz moved to the capital city of Managua. In 2006 Doris was found murdered in her seaside boutique. He rushed from Managua to be with her family, but before he knew it, he found himself accused of the crime. Decried in the press and vilified by his onetime friends, Volz suffered horrific prison conditions, deadly inmates, sadistic guards, an angry lynch mob, and the merciless treatment of government officials. He soon found himself a pawn in an international arms deal. It was only through his persistence, the tireless support of friends and family, and the assistance of a former intelligence operative that Eric was released after more than a year in prison. A story that made national and international headlines, this is the only book to tell Eric's absorbing moving account in his own words. Visit the companion Exhibit Hall at the Gringo Nightmare website for additional photos, audio clips, video, case file, and more.
