Growing Up Grizzly The True Story Of Baylee And Her Cubs:

Growing Up Grizzly Amy Shapira, Douglas Chadwick, 2011-09-13 The True Story of a Big Hearted Bear is a factual story of a mother grizzly bear named Baylee her three cubs and a two year old grizzly who Baylee adopts into their family Grizzly bears are extremely protective of their young and generally do not tolerate other bears However Baylee raised her adopted son Emmett along with her three cubs until he was ready to live on his own What happens next in the wilds of Alaska reveals that just like people every grizzly bear is a little different from every other one each with its own personality The story is told with words and photographs exactly as it happened The authors pledge to donate a portion of the proceeds from the sale of this book to Vital Ground Vital Ground a non profit conservation organization works with private landowners to protect essential habitat in the last ecosystems where grizzlies roam Together with its many partners the group has helped conserve more than a quarter of a million acres in Alaska and the heart of the Rocky Mountains For more information visit www.vitalground.org

Grizzly Bears Sandra Markle, 2009-01-01 Introduces the physical characteristics habitat and predatory behavior of grizzly bears

Grizzly Bear, The Lisa Owings, 2009-08-01 Deep in the forest hikers must watch where they step Fresh tracks could mean a run in with a grizzly This aggressive bear is fiercely protective of its cubs and always ready to stand its ground After reading this book the roar of a grizzly will send shivers down your spine

Lonesome for Bears Linda Jo Hunter, 2008-03-18 In *Lonesome for Bears* author Linda Hunter weaves information about wild bear management and habitat conservation with compelling anecdotes and recollections from her years living among a particular population of bears in Alaska She relates how she went from being terrified of bears to missing their company Entertaining and informative the author is able to debunk popular myths about bears and offer startling new insight into their behavior gleaned from her interaction with them over the years Illustrated with amazing full color photos of the bears discussed in the text

Bears (Growing Up Wild) Sandra Markle, 2001 Describes different kinds of bear cubs and the changes they go through in their appearance and behavior as they grow up and become successful adult bears

Down from the Mountain Bryce Andrews, 2019 Andrews wonderful *Down from the Mountain* is deeply informed by personal experience and made all the stronger by his compassion and measured thoughts Welcome and impressive work Barry Lopez Winner of the Banff Mountain Book Competition s Mountain Environment Natural History Award The story of a grizzly bear named Millie her life death and cubs and what they reveal about the changing character of the American West The grizzly is one of North

America's few remaining large predators. Their range is diminished but they're spreading across the West again. Descending into valleys where once they were king, bears find the landscape they'd known for eons utterly changed by the new most dominant animal, humans. As the grizzlies approach, the people of the region are wary at best of their return. In searing detail, award-winning writer Montana rancher and conservationist Bryce Andrews tells us about one such grizzly. Millie is a typical mother, strong, cunning, fiercely protective of her cubs. But raising those cubs, a challenging task in the best of times, becomes ever harder as the mountains change, the climate warms, and people crowd the valleys. There are obvious dangers like poachers, and subtle ones as well, like the corn field that draws her out of the foothills and sets her on a path toward trouble and ruin. That trouble is where Bryce's story intersects with Millie's. It is the heart of *Down from the Mountain*, a singular drama evoking a much larger one, an entangled, bloody collision between two species in the modern-day West where the shrinking wilds force man and bear into ever closer proximity.

Penelope the Grizzly Bear Cub Who Learns She is Her Own Best Friend Robin Leigh Bushmiller, 2021-11 Penelope is a young grizzly bear cub growing up in Yellowstone National Park with her 3 siblings Zachary, Elliott, Beanie, and her mom Nancy. She loves her family but wants time to herself as well as to find a new friend. This book explores family, life, friendship, being your own best friend, and teaches young readers about grizzly bear cubs and their way of life before the age of two years. There are many pictures of grizzly bears, black bears, and grizzly bear cubs taken in Yellowstone.

How Bears Grow Up Heather Moore Niver, 2018-07-15 Bear cubs are super cute when they tumble and play, but this play with each other and their mothers actually teaches them how to survive on their own one day. Fun facts round out their story, and vibrant photographs show baby bears as they grow up, learning to forage, hunt, and defend themselves. Readers will learn all about the lives of bear cubs as they grow from helpless, hairless babies into adults ready to face the wild world.

Grizzly Bear Lynne Cherry, 1998 Popular nature books for the very young, now in a new sturdy board book format. Toddlers will love to look at the wild animal babies in these board books, and the new sturdy board format will stand up to many readings. Each features an endangered species: grizzly bear, orangutan, harp seal, and snow leopard. The beautiful, detailed artwork is by beloved illustrator Lynne Cherry, known for her concern for nature and the environment. The brief, rhythmic text in each book provides factual information about these wild animals that are facing extinction. First Wonders of Nature Board Books are a special way to begin fostering in children an appreciation for all living creatures and for the fascinating natural world we share.

Chocolate Peggy Christian, 1997-06-01 A young grizzly growing up in Glacier National Park begins to become too curious about hikers; can he be safely helicoptered to a wild part of the park? Emmy-winning musician Tom Chapin narrates with original music so younger children can follow along in the book.
