Wojahn, 1986-06-01 **Growing Up with Roy** Galen Conrardy, 2006-04-19 What was it like growing up in rural America in the 40s and 50s Life was simple then but there were many ways for two little boys to get into trouble and many lessons to be learned From bullfighting to outhouses to Catholic nuns Galen recounts humorous and heart warming anecdotes of life on the farm and life with his brother Roy **Roy Rogers** Robert W. Phillips, 1995-05-01 This is the definitive work on Roy Rogers the King of the Cowboys The lives and careers of Rogers and his wife Dale Evans are thoroughly covered particularly their work on radio and television The merchandising history of Roy Rogers reveals that his marketing of character related products was second only to that of Walt Disney Roy Rogers memorabilia are still among the most popular items Includes a comprehensive discography filmography and comicography Heavily illustrated Music of the Swamp Lewis Nordan, 1992-01-09 This is not merely a stellar book It is absolute ballad put to page Southern Living Lewis Nordan s fiction invents its own world always populated by madly heroic misfits In Music of the Swamp he focuses his magic and imagination on a boy s utterly helpless love for his utterly hopeless father a man who attracts bad luck like a magnet Nordan evokes ten year old Sugar Mecklin s world with dazzling clarity the smells the tastes and most surely the sounds of life in this peculiar somewhat bizarre Delta town Sugar discovers that what his daddy says is true The Delta is filled up with death but he also finds an endless supply of hope An ALA Notable Book Mississippi Institute of Arts and Letters Fiction Award Growing Up on the Set Tom Goldrup, Jim Goldrup, 2015-10-06 Former child actor Paul Petersen once said Fame is a dangerous drug and should be kept out of the reach of children It is certainly true that many child actors have fallen prey to the dangers of fame and suffered for it later in life but others have used fame to their advantage and gone on to even more successful careers in adulthood This work is a compilation of interviews with 39 men and women who as children worked in the motion picture industry in Hollywood They all handled their childhood celebrity differently Lee Aaker Mary Badham Baby Peggy Sonny Bupp Ted Donaldson Edith Fellows Gary Gray Jimmy Hunt Eilene Janssen Marcia Mae Jones Sammy McKim Roger Mobley Gigi Perreau Jeanne Russell Frankie Thomas Beverly Washburn Johnny Whitaker and Jane Withers are among those interviewed They talk candidly about their experiences on and off the set the people they worked with and what they did after their careers ended The pros and cons of being a child actor and the effects that it had on them later in life are discussed at great length *New Stories from the South*, 1990 **The Little Way of Ruthie Leming** Rod Dreher, 2025-05-01 The Little Way of Ruthie Leming follows Rod Dreher a Philadelphia journalist back to his hometown of St Francisville Louisiana pop 1 700 in the wake of his younger sister Ruthie s death When she was diagnosed at age 40 with a virulent form of cancer in 2010 Dreher was moved by the way the community he had left behind rallied around his dying

sister a schoolteacher He was also struck by the grace and courage with which his sister dealt with the disease that eventually took her life In Louisiana for Ruthie s funeral in the fall of 2011 Dreher began to wonder whether the ordinary life Ruthie led in their country town was in fact a path of hidden grandeur even spiritual greatness concealed within the modest life of a mother and teacher In order to explore this revelation Dreher and his wife decided to leave Philadelphia move home to help with family responsibilities and have their three children grow up amidst the rituals that had defined his family for five generations Mardi Gras L S U football games and deer hunting As David Brooks poignantly described Dreher s journey homeward in a recent New York Times column Dreher and his wife Julie decided to accept the limitations of small town life in exchange for the privilege of being part of a community

The Southern Review ,1989 *Awfully Devoted Women* Cameron Duder,2011-01-01 The lives of many lesbians prior to 1965 remain cloaked in mystery Historians have turned the spotlight on upper middle class romantic friends and on working class butch and femme women but the lives of the lower middle class majority remain in the shadows *Awfully Devoted Women* offers a portrait of middle class lesbianism in the decades before the gay rights movement in English Canada This intimate study of the lives of women who were forced to love in secret not only challenges the idea that lesbian relationships in the past were asexual it also reveals the courage it took to explore desire in an era when women were supposed to know little about sexuality

Growing Up Country Charlie Daniels,2007-04-03 From *Growing Up Country* I learned early in life that country is not a place on a map Country is a place in your heart In your soul In the very depth of your being Bill Anderson One of the things I like most about country life is that nothing much has really changed My grandchildren and I are still walking and hunting in the same woods and fishing in the same creeks as I did with my father President Jimmy Carter Food was at the heart of our home And other than those troublesome vegetables I loved all of it We fried everything we d have even fried water if we could ve Keith Anderson I can t imagine what my life would have been without peaceful days mountain streams homegrown and home cooked food country church and all day singing with dinner on the grounds with family and friends Dolly Parton Growing up country there s nothing like it It s growing up with your grandmother and granddaddy around it s a lot of love when you need it great cooking in the kitchen and always being real Eddie Montgomery Blackberry pie on the window ledge The Grand Ole Opry on the radio Sunday dinners on the table Families swinging on the front porch after a hard day s work It s all part of the country way of life Here legendary country music singer Charlie Daniels introduces and edits a collection of heartfelt essays from an all star cast of contributors on what it means to grow up country United by a love of music these notables show us that country means more than just the twang of a guitar They share a belief in hard work integrity strength of character and having the courage not to quit The stories here tell of rustic upbringings and rich spirits of parents who believed in tough love and old fashioned common sense and of a strong sense of community pride in your country and a love of the natural world You ll get an intimate glimpse into the lives of Country music royalty and all time greats such as Dolly Parton Barbara Mandrell Brenda Lee Dobie Gray and Lee Greenwood Southern rock gods such as Gary Rossington and Donnie Van Zant The newest crop of stars such as Sara Evans Toby Keith and Clint Black Special guests such as former president Jimmy Carter and seven time all around rodeo champion Ty Murray These snapshots show how living country has allowed our favorite singers songwriters and stage performers to

Race Mixing Suzanne W. Jones, 2006-02-15 In the southern United States there remains a deep need among both black and white writers to examine the topic of race relations whether they grew up during segregation or belong to the younger generation that graduated from integrated schools In *Race Mixing* Suzanne Jones offers insightful and provocative readings of contemporary novels the work of a wide range of writers black and white established and emerging Their stories explore the possibilities of cross racial friendships examine the repressed history of interracial love reimagine the Civil Rights era through children's eyes herald the reemergence of the racially mixed character investigate acts of racial violence and interrogate both rural and urban racial dynamics Employing a dynamic model of the relationship between text and context Jones shows how more than thirty relevant writers including Madison Smartt Bell Larry Brown Bebe Moore Campbell Thulani Davis Ellen Douglas Ernest Gaines Josephine Humphreys Randall Kenan Reynolds Price Alice Walker and Tom Wolfe illuminate the complexities of the color line and the problems in defining racial identity today While an earlier generation of

black and white southern writers challenged the mythic unity of southern communities in order to lay bare racial divisions Jones finds in the novels of contemporary writers a challenge to the mythic sameness within racial communities and a broader definition of community and identity Closely reading these stories about race in America Race Mixing ultimately points to new ways of thinking about race relations We need these fictions Jones writes to help us imagine our way out of the social structures and mind sets that mythologize the past fragment individuals prejudice people and divide communities
