friend decided to push their hayforks into the pile and climb down for a cool drink On the way down the ladder Hank heard a noise from above He looked up to see a pitchfork falling straight at him He pressed himself tightly against the ladder ducked his head under one arm and screamed Watch out below The falling pitchfork whizzed past Hank but his friend now on the ground didn't have time to step back out of harm's way The pitchfork slammed into his skull and knocked him to his knees It was the hardest thing Hank had ever done but with his heart hammering he grabbed the fork with two hands and yanked it from his friend's head Helping his friend lay out on the ground he ran to get help This fearful accident that might have threatened his own life caused Hank to question What if that happened to me Why did God spare my life Read and find the answer to God's plan for Hank Note to layout If possible I would like to use a picture from the book the picture of a boy coming down the ladder of a silo with another boy at the bottom of the ladder [All the Day Long](#) Millie Dawson,2000-05-01 All The Day Long shows how God uses two ordinary people for His Glory in the Amazon Rain Forest of Venezuela Joe and Millie Dawson meet after World War II when Joe returns from military service They marry and settle down to what they suppose will be an ordinary life Then in a small country church in Virginia they are saved and challenged to give their lives to reach the unreached A new life begins In the rain forest they meet a little Yanomamo shaman who later becomes known to them as Bautista and to the outside world as Chief Shoe Foot Bautista's life intertwines with the Dawsons as they learn the language and culture of the Yanomamo and share the gospel with these tribal people **Lost in the Amazon** David Breithaupt,2024-12-17 What started as just an ordinary day for Pete Wilson turned into an adventure of a lifetime as he tried to survive a plane crash in the Amazon jungle He had to find his way back home but after losing his compass he knew he was in big trouble For the next twelve months he had to live by his wits to survive At eighteen years of age he faced many difficult challenges and disappointments The jungle was full of animals whose main diet is meat and he had several close calls There were also a lot of dangers in the jungle from nature such as quicksand forest fires flooding and major storms The Amazon basin is a huge area with wide fast moving rivers to cross steep cliffs to climb and headhunters It seemed that there was some kind of life threatening difficulty to overcome every day He used his wits to find food when it was scarce to make weapons and to find a way home But more than his own ingenuity he relied on his God and Savior Jesus Christ and this story is a testament to the mercy and power of God to help us when we call upon him [Into a Large Place](#) W.
