Gruppe On Painting Direct Techniques In Oil:

Gruppé on Painting Emile A. Gruppé, 1976 Dust jacket notes Vibrant fresh immediate The direct oil painting technique is an intense reaction to nature a race with time to capture the color the light and shadow the design and the spirit of a subject in a few short hours And now Emile Gruppe master of the direct oil painting technique shows how you can use the broad strokes and lively colors of this spontaneous approach to infuse your own paintings with vitality vigor and on the spot freshness A firm believer in using the best materials for the best results Gruppe begins with a quick review of his favorite brushes colors easels and painting surfaces Next he covers the basics of good design what to look for and how to orchestrate what you see masses lines values and relationships Turning to color a fundamental element of his painting technique Gruppe discusses complements color harmony color vibration local color reflected color and using color to create atmospheric perspective He explains how color appears on various kinds of days foggy clear cloudy and under different lighting conditions front lighting backlighting sidelighting In subsequent chapters the author focuses on composing seascapes and landscapes he explains how to paint rocks ocean lighthouses boats piers pilings roads trees streams snow mountains valleys Then in full color step by step demonstrations the author shows how he captures a subject in his unique exuberant on the spot style
