## **Guardians Of Honor The Yearlings:**

**Guardians of Honor: the Yearlings** J.E. Bandy Jr.,2014-12-12 J E Bandy Jr has written an engrossing exciting sequel to Cadet Casey Sullivans first year at West Point I highly recommend this book and am anxiously awaiting volume III John Raymond USMA 1964 Attorney at Law When old enemies form alliances with new and more treacherous adversaries Casey Sullivans undercover assignment becomes more complicated and more dangerous in part two of this exciting Christian Thriller With Caseys help the United States Military Academy scored a major victory against right wing extremists attempting to infiltrate West Point during the previous academic year However unknown to the academys leadership its victory only strengthened the enemys resolve In Guardians of Honor the Yearlings the US Intelligence Community and the Israeli Mossad become increasingly aware of a larger and deadlier plot against the American homeland a plot with deep roots and international implications a plot that Casey learns has a name Operation Patriot Once more Casey finds herself engaged in a delicate dance between her Christian values and operational necessity and between the high standards of West Points Honor Code and the murky chasm of moral relativism Casey gains mentors in unexpected places and on opposite sides of critical ethical issues edging her closer and closer towards a dark night of the soul The Guardians of Honor series is a groundbreaking exploration of West Point and the Intelligence Community seen through the eyes of female officers and cadets on the firing line

**Guardians of Honor:The Plebes** J. E. Bandy Jr.,2013-10-08 In the fight against terrorism there is a thin line between what is criminal and what is necessary After discovering through clandestine informants that a group of home grown extremists is attempting to use West Point as a training ground for its future leaders the army fights back To do so the Academy recruits an unlikely heroinea shy but strong willed female cadet named Casey Sullivan Throughout the operation Casey negotiates an ethical minefield between the high standards of the West Point Honor Code her Christian convictions and the demands of serving undercover in the morally ambiguous world of intelligence operations Under the tutelage of Myra Washington a West Point Tactical Officer Casey assists the U S Intelligence Community and the Israeli Mossad in their race to stop the extremists The Guardians of Honor series takes the reader on a walk down the moral tightrope between honorable service to the nation and the tragedy of losing ones moral compass for all the right reasons The fictional series is unique because it is the first to explore the U S Military Academy through the eyes of the female cadets and officers serving there and because the underlying Christian message of hope is a positive one Guardians of Honor The Plebes is the first book in this groundbreaking series
