Following another deeply troubled year at Hogwarts described in *Harry Potter and the Half Blood Prince* at the end of which Dumbledore is killed by the ever deceptive Severus Snape Harry begins the final volume of the series in hiding. When the spell that has kept him safe until his seventeenth birthday expires he and his helpers are immediately attacked by Voldemort suffering casualties. Unable to return to Hogwarts Harry is forced to go on the run with Ron and Hermione hunting desperately for the horcruxes that contain fragments of Voldemort's soul and thus maintain his invulnerability. The search for the horcruxes is complicated when Harry learns of the existence of another set of magical objects the deathly hallows which might also be vital to the settlement of the final battle. Voldemort is unable to give his complete attention to the quest to kill Harry because he is searching for one of the hallows an undefeatable wand. Uncertain as to whether to give priority to the remaining horcruxes or the hallows Harry continues to evade death albeit narrowly until he is forced to return to Hogwarts in order to complete his search. The castle housing Hogwarts Academy then becomes the last fortress holding out against Voldemort's rise to power subject to intensive siege and violent bombardment. The remnants of Dumbledore's Army and the Order of the Phoenix mount a heroic defense of Hogwarts in the attempt to win Harry enough time to finish his quest suffering heavy casualties in the process. The conflict reaches the limit of desperation when it becomes evident that Harry harbors one of the fragments of Voldemort's soul in his own flesh. It appears that Harry cannot

kill his enemy without sacrificing himself in the process but that sacrifice might also make Voldemort invincible *The Ultimate Harry Potter and Philosophy* William Irwin, Gregory Bassham, 2010-08-13 A philosophical exploration of the entire seven book Harry Potter series Harry Potter has been heralded as one of the most popular book series of all time and the philosophical nature of Harry Hermione and Ron s quest to rid the world of its ultimate evil is one of the many things that make this series special The Ultimate Harry Potter and Philosophy covers all seven titles in J K Rowling s groundbreaking series and takes fans back to Godric s Hollow to discuss life after death to consider what moral reasoning drove Harry to choose death and to debate whether Sirius Black is a man or a dog With publication timed to coincide with the release of the movie Harry Potter and the Deathly Hallows Part 1 this book will be the definitive guide for all fans looking to appreciate the series on a deeper level Covers a range of intriguing topics such as the redemption of Severus Snape the power of love and destiny in the wizarding world Gives you a new perspective on Harry Potter characters plot lines and themes Makes a perfect companion to the Harry Potter books and movies Packed with interesting ideas and insights The Ultimate Harry Potter and Philosophy is an ideal companion for anyone interested in unraveling the subtext and exploring the greater issues at work in the story *Harry Potter and the Deathly Hallows (SparkNotes Literature Guide)* SparkNotes, 2014-08-12 Harry Potter and the Deathly Hallows SparkNotes Literature Guide by J K Rowling Making the reading experience fun Created by Harvard students for students everywhere SparkNotes is a new breed of study guide smarter better faster Geared to what today s students need to know SparkNotes provides chapter by chapter analysis explanations of key themes motifs and symbols a review quiz and essay topics Lively and accessible these guides are perfect for late night studying and writing papers
