Harvesting The Bay Fathers Sons And The Last Of The Wild Shellfishermen:

Harvesting the Bay Ray Huling, 2012-07-03 If we mean to change our ways how will we do it How will we make our food and our system of food production healthy sustainable and secure How will we make them in a word sane Who will do this work Ray Huling knows the hard realities of shellfishing His father and grandfathers were shellfishermen on Rhode Island s Narragansett Bay laborers in an age old trade Because he grew up surrounded by quahaugers the industry is in his blood and the drive to keep it sustainable is what makes up his family history In *Harvesting the Bay* Huling answers these pressing questions and delivers a moving portrait of the men and women who work the waters of the Atlantic Coast in the harsh environment of the shellfishing industry Huling argues that any successful sustainable food enterprise will likely resemble shellfishing in Rhode Island an industry that has existed sustainably for over 150 years with its complex system of governance its fierce and obsessive workforce and its conflicts within communities and between generations This thought provoking book sets the complexities of sustainable food production against a heartwarming story of one family s enduring years of work on the seas **The New York Times Index** ,2003

Right here, we have countless books **Harvesting The Bay Fathers Sons And The Last Of The Wild Shellfishermen** and collections to check out. We additionally manage to pay for variant types and also type of the books to browse.
