Havana Revisited An Architectural Heritage:

Havana Revisited Cathryn Griffith, 2010-03-30 This beautifully illustrated book documents the history preservation and present uses of Havana's most important buildings and urban spaces Interpreting the present in light of the past eleven renowned architects historians scholars preservationists and urban planners in Cuba and the United States provide a rigorous examination of Havana old and new that provokes exploration of the ways we look at all cities These authoritative policy makers and thinkers raise issues of how the most important city in Spanish colonial America developed and changed over several centuries and the extent to which it is being restored and preserved today More than 350 illustrations juxtapose historical colored postcard images of Havana with recent digital color photographs of the same views The imagery based on years of exhaustive research and investigation draws from Cathryn Griffith's collection of more than 600 postcards of Havana from 1900 to 1930 over 3 000 photographs made there during multiple trips since April 2003 and extensive interviews with experts in Havana and the United States

Great Houses of Havana Hermes Mallea, 2011-11-08 Great Houses of Havana celebrates one hundred years of creativity design and style that made the city the Paris of the Caribbean For four hundred years Havana was the center of Spanish trade in the western hemisphere With the expansion of the sugar industry independence from Spain and North American investment Havana became a city of great wealth great style and great houses in a vocabulary that was a unique amalgam of European American and Caribbean elements Great Houses of Havana traces the evolution of the Cuban home from the classic Spanish colonial courtyard house to the Tropical Modernist villas of the 1950s houses reflecting international architecture trends while remaining true to the Cuban tradition Cuba's social history is woven throughout the book Vintage photographs illustrate Havana's sophisticated lifestyle the masked balls yacht club picnics and dynastic weddings of fashionable Cubans and their international guests Popular cafes hotels theaters and weekend resorts are also featured creating a view of the privileged life inside the gated mansions of the city's grandest neighborhoods

Havana Mark Kurlansky, 2018-03-06 A city of tropical heat ramshackle beauty and its very own cadence a city that always surprises Havana is brought to pulsing life by New York Times bestselling author Mark Kurlansky Award winning author Mark Kurlansky presents an insider's view of Havana the elegant tattered city he has come to know over more than thirty years Part cultural history part travelogue with recipes historic engravings photographs and Kurlansky's own pen and ink drawings throughout Havana celebrates the city's singular music literature baseball and food its five centuries of outstanding neglected architecture and its extraordinary blend of cultures Like all great cities Havana has a rich history that informs the vibrant place it is today from the native Taino to Columbus's landing from Cuba's status as a U S protectorate to Batista's dictatorship and Castro's revolution from Soviet presence to the welcoming of capitalist tourism Havana is a place of extremes a beautifully restored colonial city whose cobblestone streets pass through areas that have not been painted or repaired since long before the revolution Kurlansky shows Havana through the eyes of Cuban writers such as

Alejo Carpentier and Jos Mart and foreigners including Graham Greene and Hemingway He introduces us to Cuban baseball and its highly opinionated fans the city s music scene alive with the rhythm of son its culinary legacy Through Mark Kurlansky s multilayered and electrifying portrait the long elusive city of Havana comes stirringly to life American Colonisation and the City Beautiful Ian Morley,2019-10-30 Winner of the 2020 IPHS Koos Bosma Prize American Colonisation and the City Beautiful explores the history of city planning and the evolution of the built environment in the Philippines between 1916 and 1935 In so doing it highlights the activities of the Bureau of Public Works Division of Architecture as part of Philippine national development and decolonisation Morley provides new archival materials which deliver significant insight into the dynamics associated with both governance and city planning during the American colonial era in the Philippines with links between prominent American university educators and Filipino architecture students The book discusses the two cities of Tayabas and Iloilo which highlight the significant role in the urban design of places beyond the typical historiographical focus of Manila and Baguio These examples will aid in further understanding the appearance and meaning of Philippine cities during an important era in the nation s history Including numerous black and white images this book is essential for academics researchers and students of city and urban planning the history and development of Southeast Asia and those interested in colonial relations **Development Design** Erica Morawski,2025-11-04 Underneath picturesque views of palm trees fruity cocktails in hotel lounges and day trips to preserved colonial zones lies a history of tourism design that intersects with larger projects of development and national and cultural identity formation Locating modernity and coloniality as the key framework within which tourism development takes place Development Design focuses on hotel design and its relation to larger urban and rural landscapes to uncover the way these seemingly carefree spaces are bound to local politics and international relations Focusing on three sites in the Hispanic Caribbean San Juan Ciudad Trujillo and Havana Morawski traces different attitudes and approaches to tourism and its material design through five hotels that serve as case studies Through examination of wicker chairs and lobby interiors architecture and landscaping public works and urban planning Development Design illustrates the integral role hotel design played in negotiated and contested histories of development in Puerto Rico the Dominican Republic and Cuba **Havana Chronicles** Logan Bell,AI,2025-02-20 Havana Chronicles explores the vibrant and complex history of Cuba s capital revealing how the Cuban Revolution colonial influences and a rich cultural spirit have shaped its identity The book delves into Havana s architectural styles showcasing how political ideologies materialized in the city s urban planning and public spaces The Chronicles also highlights the irrepressible rhythms of Cuban music viewing it as a lens through which to understand Havana s cultural resilience and the everyday lives of Habaneros The book unfolds in three parts tracing Havana s evolution from its colonial origins to the revolutionary era and then examining the city s urban landscape It analyzes specific architectural styles and explores the role of vintage cars as symbols of both resistance and resourcefulness By drawing on archival documents historical maps and

ethnographic interviews Havana Chronicles offers a nuanced perspective on Havana's past and present The book uniquely presents Havana as a case study in urban adaptation and cultural preservation showing how the city maintains its character amidst economic hardship and political isolation This exploration of Havana's ability to negotiate its past and present provides valuable insights for travelers history enthusiasts and anyone interested in understanding the forces that have shaped this captivating city

The Havana Project Peter Noever, 1996 The city of Havana represents a real challenge to contemporary architects Havana has a rich and diverse heritage with its cultural roots in Andalusia Africa the Caribbean the United States and Soviet Russia yet many of its historic 16th 19th century buildings are in need of conservation and restoration It has slums and a great need for housing urban infrastructure sewerage system transportation and it must cater

for its growing tourist industry In 1982 Havana was designated a Monument of World Heritage by UNESCO In 1992 a team of international architects met in Vienna for a small visionary conference to discuss the future of architecture The influential findings of this conference were published by Prestel under the provocative title *The End of Architecture* For The Havana Project Architecture Again many of the same team assembled once again in January 1995 This time they met to examine the specific and urgent project of Havana as a model that epitomized many of the problems that are facing and will face architects in cities all over the world in the later 20th and the 21st century The team members were originally chosen for their differing perspectives on the artistic social and political issues in contemporary architecture and the broad spectrum of experience they could contribute For The Havana Project the conference delegates each designed a project to be in harmony with the many faceted cultural background of Havana and to endeavour to provide new architectural impetus and direction for the city In the book the contributors discuss the many cultural political and artistic forces they considered and how they combined and integrated each of them within their designs This book enables students of architecture design theory and city planning to see how they combined and integrated each of them within their designs This book enables students of architecture design theory and city planning to see how prominent international experts tackle the contemporary problems of their art It is illustrated with detailed drawings plans and perspective sketches of each design
