# Maid In The Usa 10th Anniversary Edition Perspectives On Gender

**Shira Tarrant**

## **Maid In The Usa 10th Anniversary Edition Perspectives On Gender:**

*Maid in the USA* Mary Romero, 2016-05-13 This is a classic work in the fields of Women's Studies and Sociology. On its 10th Anniversary it is still a vital and moving study of the lives of immigrant domestic workers and is constantly cited in the research. Romero's new introduction will offer a fresh look at the material including more recent events proving that the issues discussed in the book are still very relevant to today's world.

### **New Perspectives on Gender and Migration**

Nicola Piper, 2013-09-13 This book discusses recent theoretical and empirical developments in international migration from a gender perspective. Its main objective is to analyse the diversification and stratification of gendered migratory streams with regard to skill level, labour market integration and legal status. In turn, a migrant's position in relation to these axes influences access to entitlements and rights. Conceptually, the book builds upon the recent shift in scholarly research on migration with women-centred research shifting more toward the analysis of gender. Migration is now viewed as a gendered phenomenon that requires more sophisticated theoretical and analytical tools than sex as a dichotomous variable. Theoretical formulations of gender as relational and as spatially and temporally contextual have begun to inform gendered analyses of migration. The contributions to this book elaborate in more detail the broader social factors that influence migrating women's and men's roles, access to resources, facilities and services. Empirically, all major regions are discussed, pointing to common trends such as the increasing significance of the regionalization of migration flows as well as some noteworthy differences.

When Sex Became Gender Shira Tarrant, 2013-05-13 *When Sex Became Gender* is a study of post-World War II feminist theory from the viewpoint of intellectual history. The key theme is that ideas about the social construction of gender have its origins in the feminist theorists of the postwar period and that these early ideas about gender became a key foundational paradigm for both second and third wave feminist thought. These conceptual foundations were created by a cohort of extraordinarily imaginative and bold academic women. While discussing the famous feminist scholars Simone de Beauvoir, Margaret Mead, the book also hinges on the work of scholars who are lesser known to American audiences: Mirra Komarovsky, Viola Klein and Ruth Herschberger. The postwar years have been an overlooked period in the development of feminist theory and philosophy and Tarrant makes a compelling case for this era being the turning point in the study of gender.

### **Regulating Sex**

Elizabeth Bernstein, Laurie Schaffner, 2005-01-05 *Regulating Sex* is an anthology that presents debates over the role of the state in constructing and controlling erotic practice, intimacy and identity. The purpose of this edited volume is to address sexual dilemmas in law and the state in substantive areas such as same-sex domestic partnerships, sexual economies and childhood sexuality via a series of spirited dialogues between socio-legal scholars from diverse disciplinary, national and political perspectives.

**Home-grown Hate** Abby L. Ferber, 2004 First Published in 2004, Routledge is an imprint of Taylor & Francis, an informal company.

**Rape Work** Patricia Yancey Martin, 2013-01-11 Despite the proliferation of rape crisis centers and other improvements in the treatment of rape victims over the past 20 years, many victims still find themselves the

victims of what has been called a second rape by doctors lawyers judges police and administrators that process them This book takes a critical look at the organizations and officials that process rape victims to see how the structure of their respective organizations often prevent them from providing responsive care     Dust and Dignity Erynn Masi de Casanova,2019-09-15 What makes domestic work a bad job even after efforts to formalize and improve working conditions Erynn Masi de Casanova s case study based partly on collaborative research conducted with Ecuador s pioneer domestic workers organization examines three reasons for persistent exploitation First the tasks of social reproduction are devalued Second informal work arrangements escape regulation And third unequal class relations are built into this type of employment Accessible to advocates and policymakers as well as academics this book provides both theoretical discussions about domestic work and concrete ideas for improving women s lives Drawing on workers stories of *lucha trabajo* and *sacrificio* struggle work and sacrifice *Dust and Dignity* offers a new take on an old occupation From the intimate experience of being a body out of place in an employer s home to the common work histories of Ecuadorian women in different cities to the possibilities for radical collective action at the national level Casanova shows how and why women do this stigmatized and precarious work and how they resist exploitation in the search for dignified employment From these searing stories of workers lives *Dust and Dignity* identifies patterns in domestic workers experiences that will be helpful in understanding the situation of workers elsewhere and offers possible solutions for promoting and ensuring workers rights that have relevance far beyond Ecuador     **Migrant Citizenship from Below** K. Shinozaki,2015-05-06 *Migrant Citizenship from Below* explores the dynamic local and transnational lives of Filipina and Filipino migrant domestic workers living in Sch nberg Germany Shinozaki examines their irregular migrant citizenship status from above which is produced by complex interactions between Germany s welfare care and migration regimes and the Philippines gendered politics of overseas employment Despite the predominant representation of these workers as invisible these spatially immobile migrants maintain sustained transnational engagements through parenting and religious practices Shinozaki studies the reverse gendered process of international reproductive labor migration in which women traveled first and were later joined by men Despite their structural vulnerability participant observations and biographical interviews with the migrants demonstrate that they enact and negotiate migrant citizenship in the workplace transnational households religious practices and through accessing health provisions     **Cultures of Servitude** Raka Ray,Seemin Qayum,2009-02-27 *Employers and servants in Kolkata* reveal through their own stories how their evolving culture of servitude has produced preserved and disrupted ideas of gender and class in India and beyond     **Stepping Out of Line** Cheryl Hercus,2005 At a time when feminist is a label that many young women shun this book offers an insightful account of the struggle of becoming and being a feminist     *Inequalities of Aging* Elana D. Buch,2018-08-28 Elana D Buch s *Inequalities of Aging* Paradoxes of Independence in American Home Care focuses on the topic of American home care and explores various contradictions and points of tension within the industry It also

raises awareness of the problematic inequality that exists in the American home care industry and argues for the creation of a more sustainable system

**Making a Way out of No Way** Lisa Krissoff Boehm, 2010-01-06 The Second Great Migration the movement of African Americans between the South and the North that began in the early 1940s and tapered off in the late 1960s transformed America This migration of approximately five million people helped improve the financial prospects of black Americans who in the next generation moved increasingly into the middle class Over seven years Lisa Krissoff Boehm gathered oral histories with women migrants and their children two groups largely overlooked in the story of this event She also utilized existing oral histories with migrants and southerners in leading archives In extended excerpts from the oral histories and in thoughtful scholarly analysis of the voices this book offers a unique window into African American women's history These rich oral histories reveal much that is surprising Although the Jim Crow South presented persistent dangers the women retained warm memories of southern childhoods Notwithstanding the burgeoning war industry most women found themselves left out of industrial work The North offered its own institutionalized racism the region was not the promised land Additionally these African American women juggled work and family long before such battles became a staple of mainstream discussion In the face of challenges the women who share their tales here crafted lives of great meaning from the limited options available making a way out of no way

*Globalization and Social Exclusion* Ronaldo Munck, 2005 First book to study the intersection of globalization and social exclusion This renowned author has published over 20 books on issues of globalization and development studies Author directed the Globalization and Social Exclusion Unit at the University of Liverpool We inhabit a world of consequences and butterfly effects When global economies integrate what disintegrates as a result The answer Ronaldo Munck contends is social equality This is the first book to view globalization through the lens of social exclusion defined as all the ways in which people are prevented from obtaining the necessities of life To illustrate how globalization deepens the existing inequities of race place gender and class in both the global North and South the author highlights disparities in living conditions the feminization of poverty and the global sex trade the effects of racism migration and multiculturalism and the formation and political manifestations of social class He boldly develops a politics and ethics of transformation to move us beyond social exclusion even beyond mere social inclusion He provides us with the tools to transform society from within creating a more democratic and just global order

**Everyday White People Confront Racial and Social Injustice** Eddie Moore, Marguerite W. Penick-Parks, Ali Michael, 2023-07-03 While we are all familiar with the lives of prominent Black civil rights leaders few of us have a sense of what is entailed in developing a White anti racist identity Few of us can name the White activists who joined the struggle against discrimination let alone understand the complexities stresses and contradictions of doing this work while benefiting from the privileges they enjoyed as Whites This book fills that gap by vividly presenting in their own words the personal stories experiences and reflections of fifteen prominent White anti racists They recount the circumstances that led them to undertake this work describe key moments and

insights along their journeys and frankly admit their continuing lapses and mistakes They make it clear that confronting oppression including their own prejudices whether about race sexual orientation ability or other differences is a lifelong process of learning The chapters in this book are full of inspirational and lesson rich stories about the expanding awareness of White social justice advocates and activists who grappled with their White privilege and their early socialization and decided to work against structural injustice and personal prejudice The authors are also self critical questioning their motivations and commitments and acknowledging that as Whites and possessors of other privileged identities they continue to benefit from White privilege even as they work against it This is an eye opening book for anyone who wants to understand what it means to be White and the reality of what is involved in becoming a White anti racist and social justice advocate is interested in the paths taken by those who have gone before and wants to engage reflectively and critically in this difficult and important work

*Towards a Global History of Domestic and Caregiving Workers*, 2015-05-26 Domestic and caregiving work has been at the core of human existence throughout history Poorly paid or even unpaid this work has been assigned to women in most societies and occasionally to men often as enslaved indentured adopted workers While some use domestic service as training for their own future independent households others are confined to it for life and try to avoid damage to their identities

Part One Employment conditions are even worse in colonizer colonized dichotomies in which the subalternized have to run the households of administrators who believe they are running an empire

Part Two Societies and states set the discriminatory rules those employed develop strategies of resistance or self protection

Part Three A team of international scholars addresses these issues globally with a deep historical background Contributors are Ally Shireen Eileen Boris Dana Cooper Jennifer Fish David R Goodman Mary Gene De Guzman Jaira Harrington Victoria Haskins Dirk Hoerder Elizabeth Hordge Freeman Majda Hr enjak Elizabeth Hutchison Dimitris Kalantzopoulos Bela Kashyap Marta Kindler Anna Kordasiewicz Ms Lokesh Sabrina Marchetti Robyn Pariser Jessica Richter Magaly Rodr guez Garc a Raffaella Sarti Ad la Souralov Yukari Takai and Andrew Urban

**Sourcebook of Family Theories and Methodologies** Kari Adamsons, April L. Few-Demo, Christine Proulx, Kevin Roy, 2022-11-07 This sourcebook is an unparalleled resource in the field of family science It provides a comprehensive overview of both traditional and contemporary theories and methodologies to promote a greater understanding of increasingly complex family realities It focuses on broad developments in research design and conceptualization while also offering a historical perspective on developments in family science over time particularly emerging theories from the past several decades Each chapter summarizes and evaluates a major theory or methodological approach in the field delving into its main principles its debates and challenges how it has evolved over time its practical uses in policy education or further research and links to other

theories and methodologies In highlighting recent research of note chapters emphasize the potential for innovative future applications Key areas of coverage include Risk and resilience family stress feminist critical race and social exchange theories Ambiguous loss intersectionality Queer and family development theory Life course framework Biosocial theory and biomarker methods Symbolic interactionism Ethnography Mixed methods participatory action research and evaluation

**Emerging Intersections** Bonnie Thornton Dill,Ruth Enid Zambrana,2009-01-01 The United States is known as a melting pot yet this mix tends to be volatile and contributes to a long history of oppression racism and bigotry Emerging Intersections an anthology of ten previously unpublished essays looks at the problems of inequality and oppression from new angles and promotes intersectionality as an interpretive tool that can be utilized to better understand the ways in which race class gender ethnicity and other dimensions of difference shape our lives today The book showcases innovative contributions that expand our understanding of how inequality affects people of color demonstrates the ways public policies reinforce existing systems of inequality and shows how research and teaching using an intersectional perspective compels scholars to become agents of change within institutions By offering practical applications for using intersectional knowledge Emerging Intersections will help bring us one step closer to achieving positive institutional change and social justice

#### **Latino Issues**

Rogelio Sáenz,Aurelia Lorena Murga,2011-06-16 This book provides a lively understanding of the growing Latina o population in the United States highlights the problems that confront this ethnic group and discusses proposed solutions to these issues The groups that comprise the Latina o population differ with respect to histories length of residence in the United States mode in which they originally came to this country and trajectory of integration Latinos in America A Reference Handbook provides a comprehensive overview of Latina o experiences in the United States from historical and contemporary perspectives illustrating the diversity of this disparate population The handbook covers numerous aspects of Latino life in the United States engaging readers in current problems and controversies involving the Latino population and suggesting solutions Profiles of prominent Latina os are included as is information on legal illegal immigration bilingual education affirmative action dual citizenship and assimilation all of which will prove invaluable to students as well as to policymakers educators and other community leaders interested in improving the lives of Latinos within our borders

**Caring for a Living** Francesca Degiuli,2016-05-06 The world is aging at a great speed While this is a remarkable achievement aging also brings new challenges among them a growing need for long term care Caring for a Living specifically investigates Italy s employment of home eldercare assistance an arrangement whereby long term care services are bought in the market in the form of private and individualized assistance predominantly female immigrants

#### **SAGE Readings for**

**Social Problems** Benjamin Drury,2021-02-02 SAGE Readings for Social Problems is a convenient and economical option for instructors who want to introduce students to scholarly literature in their social problems courses It contains 16 short readings on topics covered in typical courses including economic inequality race gender crime substance abuse education

health medicine the environment family and the social construction of social problems The articles in this collection were all chosen because they are accessible to undergraduate avoid complicated statistical analysis and demonstrate the range of methodological approaches to studying social problems
