Official History (naval and Military) of the Russo-Japanese War Great Britain. Committee of Imperial Defence, 1910

Soviet Films of the 1970s and Early 1980s Marina Rojavin, Tim Harte, 2021-05-30 This book explores a new character archetype that permeated Soviet film during what became known as the era of Stagnation a stark period of loneliness disappointment and individual despair This new type of character was neither negative nor positive but nevertheless systematically undermined Soviet norms of behaviour hairstyle dress lifestyle and perspective in stark contrast to Socialist Realism's traditional positive hero who fought for Soviet values and who vanquished the enemies of socialism The book discusses a wide range of films from the period showing how the new antiheroic archetype of Stagnation resonated through a multitude of characters mostly male and vividly reflected the realities of Soviet life The book thereby provides great insight into the lives outlook and psychology of citizens in the late Soviet period

The Tide at Sunrise Denis Warner, Peggy Warner, 2002 The Russo Japanese War was fought in the waters of the Yellow Sea and the Straits of Tsushima that divide Japan from Korea and in the mountains of Manchuria borrowed without permission from China It was the first war to be fought with modern weapons The Japanese had fought the Chinese at sea in 1894 and had gained a foothold in Manchuria by taking control of Port Arthur In 1895 however Japan was forced to abandon its claims by the Russian fleet's presence in the Straits of Tsushima Tsar Nicholas had obtained a window to the East for his empire and Japan had been humiliated Tensions between the two countries would rise inexorably over the next decade Around the world no one doubted that little Japan would be no match for the mighty armies of Tsar Nicholas II Yet Russia was in an advanced state of decay the government corrupt and its troops inept and demoralized Japan meanwhile was emerging from centuries of feudal isolation and becoming an industrial power led by zealous nationalist warlords keen to lead the Orient to victory over the oppressive West From the opening surprise attack on the Russian fleet at Port Arthur in 1904 the Japanese out fought and out thought the Russians This is a definitive account of one of the pivotal conflicts of the twentieth century whose impact was felt around the world
