Making Jack Falcone An Undercover Fbi Agent Takes Down A Mafia Family:

Making Jack Falcone Joaquin 'Jack' Garcia, 2012-12-11 At 6'4" and 375 pounds Jack Garcia looked the part of a mobster and he played his part so perfectly that his Mafia bosses never suspected he was an undercover agent for the FBI. Jack Falcone, as he was known inside La Cosa Nostra, learned all the inside dirt about the Gambino organized crime syndicate and its illegal activities from extortion and loan sharking to assault and murder. The result was a string of busts and a quarter of a million dollar contract put out on his life. A fascinating inside look at the struggle between law enforcement and organized crime. **MAKING JACK FALCONE** sheds new light on two organizational cultures that continue to exert an unparalleled grip on our imagination. **The ^AOxford Handbook of Criminal Process** Darryl K. Brown, Jenia Iontcheva Turner, Bettina

Weisser, 2019-02-22 The criminal process begins with arrests or investigations and concludes with adjudication and appeal. Across more than 40 chapters this Handbook provides a comprehensive introduction to both common law and civil law approaches to the criminal process including history, procedure, investigation, prosecution, evidence, adjudication, and appeal.

Broken Shield Ray A. Morrow, 2020-07-15 Ray's story as an Undercover Agent is legendary. Joaquin Jack Garcia, NYT Bestselling Author of *Making Jack Falcone: An Undercover FBI Agent Takes Down a Mafia Family*, *Broken Shield* is the remarkable narrative of a young, inexperienced agent who became the primary undercover agent of one of the FBI's largest police corruption investigations. Ray Morrow's fascination with justice and the FBI started as a young boy and was the catalyst for being a major part of the historic undercover operation SHIRON. The physical and emotional toll that it took upon him and his new family brings to light the devastation that comes with the corruption living inside our justice system. After years as the primary undercover agent in the Cleveland Police Department, a city previously unfamiliar to him, he was called to lead his biggest operation yet: the undercover investigation was the most important look into police corruption in Cleveland's history. While gathering evidence that police officers have been accepting payments from illegal casinos and drug shipments, Morrow battles his own doubts and little experience. He also finds himself surrounded by threats, not only armed with weapons but with the power and technology of modern policing. *Organized Crime: Oxford Bibliographies Online Research Guide* Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear, from books, chapters, and journal articles to online archives, electronic data sets, and blogs.
