Make Love, Not War David Allyn, 2016-05-23 When Helen Gurley Brown's *Sex and the Single Girl* hit bookstores in 1962 the sexual revolution was launched and there was no turning back Soon came the pill the end of censorship the advent of feminism and the rise of commercial pornography Our daily lives changed in an unprecedented time of sexual openness and experimentation *Make Love Not War* is the first serious treatment of the complicated events ideas and personalities that drove the sexual revolution forward Based on first hand accounts diaries interviews and period research it traces changes in private lives and public discourse from the fearful fifties to the first tremors of rebellion in the early sixties to the heady heyday of the revolution Bringing a fresh perspective to the turbulence of these decades David Allyn argues that the sexual revolutionaries of the 60s and 70s by telling the truth about their own histories and desires forced all Americans to re-examine the very meaning of freedom Written with a historian's attention to nuance and a novelist's narrative drive *Make Love Not War* is a provocative vivid and thoughtful account of one of the most captivating episodes in American history Also includes an 8 page insert

More Orgasms Please The Hotbed Collective, 2019-07-04 A FRANK FUNNY AND EMPOWERING CELEBRATION OF FEMALE PLEASURE An orgasm will help you sleep and keep you looking younger it doesn't cost money and isn't a scarce resource So why is it that like the pay gap there is an orgasm gap between women and men The Hotbed Collective began life as a podcast with a mission to make life better one orgasm at a time Their debut book *More Orgasms Please* is an open honest and at moments hilarious dive into all aspects of sex for women It covers feminist porn body image menopause and much more Like the podcast that inspired it *More Orgasms Please* is like the best sort of chat between friends punchy and playful normalising and educating It is an eye opening read that puts women's bodies and our right to pleasure firmly on the map Think of it as Couch to 5k for orgasms

The Vagina Business Marina Gerner, 2024-09-17 This tech could change everything for women here's how Women make over 80% of healthcare decisions in everyday life yet only 4% of all medical research and development is focused on women's health issues From periods and childbirth to menopause female pain has been normalized as society shrugs and says Welcome to being a woman instead of coming up with better solutions But it doesn't have to be this way In *The Vagina Business* award winning journalist Marina Gerner PhD takes an eye opening look at the innovators challenging the status quo to deliver the healthcare solutions women need With interviews from 100 entrepreneurs across 15 countries *The Vagina Business* explores the future of women's health where female focused companies are developing products to help women at every stage of life Some of these products include A smart bra with EKG technology that can predict heart attacks early An in-home fertility gadget that uses saliva to track ovulation Apps to help women get access to medical abortions and perform them at home safely A vaginal and pelvic floor dilator that could drastically reduce the rate of vaginal tearing in birth Healthcare apps tailored to LGBTQIA people and their needs without stigma Devices that prevent birth injuries and restore the pelvic floor and vagina during menopause

Gerner also takes the reader inside the boardroom where only 2.1% of venture capital dollars goes toward companies founded by women and issues a rallying cry Women should not be denied solutions to health issues because of embarrassment and ignorance Every woman deserves better

The Ethics of Vulnerability Erinn Gilson,2013-12-17 As concerns about violence war terrorism sexuality and embodiment have garnered attention in philosophy the concept of vulnerability has become a shared reference point in these discussions As a fundamental part of the human condition vulnerability has significant ethical import how one responds to vulnerability matters whom one conceives as vulnerable and which criteria are used to make such demarcations matters how one deals with one s own vulnerability matters and how one understands the meaning of vulnerability matters Yet the meaning of vulnerability is commonly taken for granted and it is assumed that vulnerability is almost exclusively negative equated with weakness dependency powerlessness deficiency and passivity This reductively negative view leads to problematic implications imperiling ethical responsiveness to vulnerability and so prevents the concept from possessing the normative value many

theorists wish it to have When vulnerability is regarded as weakness and concomitantly invulnerability is prized attentiveness to one's own vulnerability and ethical response to vulnerable others remain out of reach goals Thus this book critiques the ideal of invulnerability analyzes the problems that arise from a negative view of vulnerability and articulates in its stead a non dualistic concept of vulnerability that can remedy these problems Grace Meets Grit Daina Middleton, 2016-10-14 There is no mistaking that inequality in the workplace is still prevalent in the form of salary inequity and unequal representation in leadership and board positions Too often conversations about inequality can lead to men and women believing they are alike Women and men are not the same biologically or psychologically and these differences lead to significant dissimilarities in how each approaches leadership situations Grace Meets Grit navigates the previously unexplored subject of gender differences in the workplace specifically applied to critical leadership behaviors Leadership behaviors are what make us all successful in the workplace They are how we are evaluated against our peers and what we use to solve problems when working in teams We also know that the most effective organizations work diligently to optimize these leadership behaviors Through stories of extraordinary courageous women Grace Meets Grit shows how to compensate for your innate style by dialing up leadership qualities you may not naturally possess Middleton empowers women in particular to embrace their innate qualities and anticipate and apply behaviors expected of their male counterparts to help level the playing field The end result is fewer misunderstandings in the workplace and higher performance from both individual leaders and teams Sketchbook Carlos Simpson, 2021-12-30 In the Survivor Guide by Carlos Simpson the author shares some of his raw ideas and thoughts using a wide variety of techniques ranging from pencil drawings to watercolour collage to coloured pencils to pen and ink handwriting colours photography symbols and information that we use every day This sketchbook by Carlos Simpson explores the individual in a social cultural and political context As a specialist communicator and an image maker I always start my first idea on a blank page which can be found always in my sketchbook Orienteering Feminism Catherine Dale, Rosemary Overell, 2018-03-09 This edited collection explores the meaning of feminism in the contemporary moment which is constituted primarily by action but also uncertainty The book focuses on feminist modes of activism as well as media and cultural representation to ask questions about organising representing and articulating feminist politics In particular it tackles the intersections between media technologies and gendered identities with contributions that cover topics such as twerking trigger warnings and trans identities This volume directly addresses topical issues in feminism and is a valuable asset to scholars of gender media and sexuality studies **The Virgin Monologues** Carrie Lloyd, 2014-12-19 An insightful inspirational amusing and honest guide to relationships for the modern single Christian woman How does the single Christian woman maintain her relationships while staying true to herself How can she thrive in a predominately secular culture and keep her faith in a world that doesn't reflect her values The Virgin Monologues teaches how to do healthy relationships what to fight for and what to give up on It gives healthy principles to understand before

looking for a team mate **The Power of Onlyness** Nilofer Merchant, 2017-08-29 An 800 CEO READ Staff Pick Shortlisted for the Thinkers50 Breakthrough Idea Award A Financial Times Business Book of the Month For any would be activists who hear the voice not me or not now Merchant makes the strong case for yes you and yes now and even shows you how to jump in Van Jones host of CNN s The Messy Truth author of Rebuild the Dream and The Green Collar Economy The Power of Onlyness is a book for our times Merchant forces us to dig deep into the book and ourselves and it goes beyond self knowledge and self empowerment obliterating the fear of otherness with an understanding of the onlyness of us all Sally Haldorson 800 CEO READ An innovation expert illuminates why your power to make a difference is no longer bound by your status If you re like most people you wish you had the ability to make a difference but you don t have the credentials or a seat at the table can t get past the gatekeepers and aren t high enough in any hierarchy to get your ideas heard In The Power of Onlyness Nilofer Merchant one of the world s top ranked business thinkers reveals that in fact we have now reached an unprecedented moment of opportunity for your ideas to make a dent on the world Now that the Internet has liberated ideas to spread through networks instead of hierarchies power is no longer determined by your status but by onlyness that spot in the world only you stand in a function of your distinct history and experiences visions and hopes If you build upon your signature ingredient of purpose and connect with those who are equally passionate you have a lever by which to move the world This new ability is already within your grasp but to command it you need to know how to meaningfully mobilize others around your ideas Through inspirational and instructive stories Merchant reveals proven strategies to unleash the centrifugal force of a new idea no matter how weird or wild it may seem Imagine how much better the world could be if every idea could have its shot not just the ones that come from expected people and places Which long intractable problems would we solve what new levels of creativity would be unlocked and who might innovate a breakthrough that could benefit ourselves our communities and especially our economy This limitless potential of onlyness has already been recognized by Thinkers 50 the Oscars of management which cited it one of the five ideas that will shape business for next twenty years Why do some individuals make scalable impact with their ideas regardless of their power or status The Power of Onlyness unravels this mystery for the first time so that anyone can make a dent Even you
